### Chelgate Limited Report of the Directors

The directors have pleasure in presenting their report and financial statements for the year ended 31 December 2007

#### Principal Activities and Business Review

The principal activity of the company throughout the year was that of public relations consultants. The results for the year and the financial position at the year end were considered satisfactory by the directors

#### Results and Dividend

The results of the company for the year are set out on page 5. The directors do not recommend the payment of a dividend (2006 - £nil)

The company has a retained loss of £111,126 (2006 - profit £9,711) which has been transferred (from)/to reserves

#### Directors

The directors who served during the year were as follows

Terence C Fane-Saunders

Kılmeny J Fane-Saunders

Mathew S Lane

#### Statement of directors responsibility

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the director has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accountancy Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Provision of information to auditors

So far as each of the directors are aware at the time the report is approved

- there is no relevant audit information of which the company's auditors are unaware, and
- the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information

# Chelgate Limited Report of the Directors (continued)

#### Auditors

Barnes Roffe LLP have indicated their willingness to continue in office and, in accordance with the provisions of the Companies Act 1985, will be proposed for re-appointment

By Order of the Board

## Chelgate Limited Independent Auditors' Report to the Members of Chelgate Limited

We have audited the financial statements of Chelgate Limited for the year ended 31 December 2007 which comprise the Profit & Loss Account, Balance Sheet and related notes. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

#### Respective Responsibilities of Directors and Auditors

The Directors' responsibilities for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Directors' Responsibilities

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland)

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements.

In addition we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuncration and other transactions is not disclosed

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

#### Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

#### Opinion

In our opinion

- the financial statements give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice
  applicable to Smaller Entities, of the state of the company's affairs as at 31 December 2007 and of its results for the year then
  ended.
- · the financial statements have been properly prepared in accordance with the Companies Act 1985, and
- the information given in the Directors' Report is consistent with the financial statements

Director

# Chelgate Limited Notes to the Financial Statements For the year ended 31 December 2007

#### 1. Accounting Policies

#### (a) Accounting Basis and Standards

The financial statements have been prepared under the historical cost convention and in accordance with applicable Accounting Standards. The accounting policies remain unchanged from the previous year

#### (b) Depreciation

Depreciation on fixed assets is provided at rates estimated to write off the cost or revalued amounts, less estimated residual value, of each asset over its expected useful life as follows

Leasehold Property - 25% straight line
Office Equipment - 25% straight line
Fixtures and Fittings - 25% straight line
Bloodstock - 10% straight line

#### (c) Turnover

Turnover represents sales and expenses plus commissions invoiced by the company during the year, and is exclusive of value added tax

#### (d) Deferred taxation

Current tax, including UK corporation tax and foreign tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantially enacted by the balance sheet date. Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains or losses in tax assessments in periods different from those in which they are recognised in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted. Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantially enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis, except when discounting has been applied in accordance with other accounting standards.

#### (e) Foreign Currencies

Transactions denominated in foreign currencies are translated into Sterling at the rate of exchange at the date of the transaction. Assets and habilities in foreign currencies are translated into Sterling at rates of exchange ruling at the end of the financial period. Exchange differences arising from the translation of foreign subsidiaries are taken directly to reserves. All other exchange differences are dealt with through the profit and loss account.

#### (f) Operating Lease Rentals

Rentals held under operating leases are charged to the profit and loss account on a straight line basis over the lease term

#### (g) Going Concern

The accounts are prepared on the going concern basis, the appropriateness of which depends on the continuing financial support of the directors. The directors have indicated that this support will continue for the foreseeable future

## Notes to the Financial Statements For the year ended 31 December 2007 (continued)

#### 1. Accounting Policies (continued)

#### (g) Pensions

The company makes contributions to certain employees' private pension schemes, the assets of the schemes being held separately from the assets of the company. The pension cost charge represents contributions payable to the schemes
