Short particulars

Pursuant to the terms of the Deed of Charge, the Chargor, as beneficial owner, has charged in favour of the Chargee for the payment and discharge of the Secured Obligations, by way of first ranking charge all the Chargor's right, title and interest from time to time in the Financial Assets. The security created by or pursuant to the Deed of Charge remains in full force and effect as a continuing security for the Secured Obligations unless and until discharged by the Chargee.

The security created pursuant to the Deed of Charge does not extend to any Financial Asset situated outside England and Wales to the extent that, and for so long as, any such security would be unlawful under the laws of the jurisdiction in which such Financial Asset is situated.

Pursuant to the Deed of Charge, the Chargor undertakes to promptly do all such acts or execute all such documents as the Chargee may reasonably specify (and in such form as the Chargee may reasonably require in favour of the Chargee or its nominee(s)) (i) to perfect the security created or intended to be created in respect of the Charged Property or for the exercise of the Collateral Rights, (ii) to create, protect or maintain the security conferred or intended to be conferred on the Chargee by or pursuant to the Security Documents, (iii) to confer on the Chargee security over any Financial Assets of the Chargor located in any jurisdiction outside England and Wales equivalent or similar to the security intended to be conferred by or pursuant to the Security Documents, and/or (iv) to facilitate the realisation of the Charged Property.
