Directors' Report

The directors present their annual report and financial statements for the year ended 31 December 2020.

Review of the business

During the year the Company transitioned from FRS 101 'Reduced Disclosure Framework' to FRS 102, the transitional relief available to dormant companies, and has taken advantage of the disclosure exemptions allowed under this standard.

The Company's ultimate parent undertaking in the UK, Pladis Foods Limited, was notified of and did not object to the use of disclosure exemptions. There are no material adjustments as a result of the Company's transition to FRS 102.

During the year, the Company has not traded, has not incurred any liabilities, and has made neither a profit nor loss. The directors do not expect this to change in the future.

The directors of the Company who served throughout the year are as follows:

M Oldham
