The following statement, which should be read in conjunction with the statement of the respective responsibilities of directors and auditors on page 5, is made by the directors to explain their responsibilities in relation to the preparation of the annual accounts, and directors' report.

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to -

- \* select suitable accounting policies and then apply them consistently,

- \* prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The ultimate parent sets out its standards on corporate governance in its statutory accounts.

We read the other information contained in the annual report and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. The other information comprises only the directors' report.

### **BASIS OF AUDIT OPINION**

We conducted our audit in accordance with auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. ## Notes to the Accounts - for the year ended 31 December 2006

### 1. Accounting Policies

#### (a) Basis of accounting

The Financial Statements have been prepared under the historical cost convention and in accordance with applicable Accounting Standards in the United Kingdom, which have been consistently applied

In accordance with paragraph 3 (3) of Schedule 4 of the Companies Act 1985, the directors have adapted the arrangement of certain headings in the profit and loss account to reflect more effectively and more accurately the nature of the company's activities. In particular turnover represents interest receivable and interest payable has been treated as a deduction against gross profit

#### (b) Turnover

Turnover represents gross interest receivable for the company's principal activity. All turnover is derived from within the United Kingdom

#### (c) Tax

Corporation tax is charged on the profit on ordinary activities for the year as adjusted for tax purposes

#### (d) Provisions for losses on loans and advances

Provision is made for all anticipated losses on loans and advances based upon a year end appraisal

Specific provisions are made against mortgage loans on a case by case basis to cover anticipated losses in respect of all accounts that are 2.5% or more in arrears and where a probable loss has been identified due to impairment. Anticipated losses on such accounts are calculated as the difference between the current achievable market value of the security, based on current valuations of the property performed by qualified local surveyors, and the outstanding loan balance, after making appropriate allowance for costs of repossession and sale and any amounts recoverable under external loss insurance

General provisions are made to reflect the probability that other loans may also be impaired at the balance sheet date, with the result that the amount advanced may not be recoverable in full. The provision is based upon the company's experience and current economic trends

#### (e) Cash flow statement

The company is a wholly-owned subsidiary of Leek United Building Society and is included in the financial statements of Leek United Building Society, which are publicly available. Consequently, the company has taken advantage of the exemption from preparing a cash flow statement under the terms of FRS1 (revised 1996)
