DIRECTOR'S REPORT

FOR THE YEAR ENDED 31 MAY 2010

The director presents his report together with the audited financial statements for the year ended 31 May 2010

Principal activities, review of business and future developments

The company remained dormant throughout the year

It is not anticipated that the company will trade in the future and, in the director's opinion, the company is not exposed to financial or other risks as it no longer has monetary assets or liabilities

Director

The director who served during the year was as follows

R P Hodson

Responsibilities of the director

Company law requires the director to prepare financial statements for each financial year which give a true and fair view of the state of affairs and of the profit or loss of the company for that year. In preparing those financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- comply with applicable accounting standards subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The director is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable him to ensure that the financial statements comply with the Companies Act 2006. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors Indemnity

The company had Directors' and Officers' insurance via a group policy in Oval Limited

Auditors

Following a formal audit tender process, the board will be recommending the appointment of PricewaterhouseCoopers LLP as the company's auditors to shareholders at the forthcoming AGM

Going concern

The use of the going concern basis of accounting is appropriate because there are no material uncertainties related to events or conditions that may cast significant doubt about the ability of the company to continue as a going concern
