All grants and voluntary income are accounted for gross on a receivable basis.

Investment income

Investment income is accounted for on a receivable basis.

Resources expended

Pensions

The company operates a defined benefit pension scheme within the Greater Manchester Pension Fund. The assets of the scheme are held separately from those of the company. The Legal Services Commission contract offers counselling for debt cases and for welfare benefits. In accordance with the Legal Services Commission contract, surplus funds brought forward were transferred to the general fund.

The Residential Care Information Shop provides information on residential care and nursing homes available in the area.

Single Regeneration Budget – The money management project based at Acresfield, Newton, Hyde is a fixed term project delivering debt and welfare benefit services to the Harbour Farm, Copley and Brushes estates.

13 Pensions

The company operates a defined benefit pension scheme, administered by Tameside Metropolitan Borough Council on behalf of The Greater Manchester Pension Fund. The assets of the scheme are held separately from those of the company. Contributions to the scheme are charged to the profit and loss account so as to spread the cost of the pensions over the employees' working lives with the company. The contributions are determined by a qualified actuary on the basis of triennial valuations using the projected unit method. The most recent valuation was at 31 March 2001, at which time the value of the fund's assets represented 105% of the benefits that had accrued to members. The assumptions used were investment returns of 5.25% to 6.5%, salary increases of 4.3% and pension increases of 2.8% per annum. The rates of contribution for the 3 years following the valuation were set at 11.2%, 11.9% and 12.6% of payroll costs. Interim funding reviews were recommended in view of the decline in world stockmarkets and uncertainty about future financial conditions. The pension charge for the year was £25,498.

14 Related party transactions

During the year, the charity paid £1,200 to J Howard, a director of the charity, in respect of accountancy work undertaken.
