Directors' Report (incorporating the Trustees' Report)

The directors and trustees present their report and the examined accounts for the year ended 31 March 2011. The directors have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in March 2005 in preparing the annual report and financial statements of the charity.

Constitution, objects, policies and public benefit

The principal activity of the company continued to be the operation of a citizen's advice bureau

The company, which is a company limited by guarantee, is a registered charity established for the promotion of charitable purposes for the benefit of the community in the area of Tameside The organisation ensures that all services are available to the general public and people in poverty are not excluded as no fees are payable

The charity has an additional aim of ensuring that individuals do not suffer through lack of knowledge of their rights and responsibilities or the services available or through an inability to express their needs effectively

These aims are achieved through trained volunteers giving free, confidential, impartial and independent advice to the local community. These objectives remain unchanged from previous years. The company is a member of the National Association of Citizens Advice Bureaux and adheres to their policies and principles.

Performance, activities and future developments

The company is funded by grants from Tameside Metropolitan Borough Council

The surplus for the year amounted to £9,417 (2010 £2,368 surplus). The surplus has been added to revenue reserves brought forward from last year. There has been a prior year adjustment as explained in the notes. After this adjustment total reserves stand at £199,952. These reserves are carried forward for the furtherance of the charity's objectives in future years.

The accounts have been prepared on a going concern basis, as the funding for the next financial year has been provisionally agreed. The company plans to continue to expand its services, in part by attracting external sources of funding.

Reserves

In accordance with Charity Commission recommendations the company tries to maintain reserves sufficient to meet at least three months running costs. This has been achieved as at 31 March 2011

Organisation

The charity is administered by its board of directors, who meet regularly to decide policy. New directors are appointed by the approval of the board. A District Manager is appointed to oversee the day to day running of the charity. The directors who served during the year were as follows.

Training and induction

The company operates a formal induction programme for its new trustees that is used by the Citizens Advice Bureau nationally

Statement of directors' responsibilities

Company and charity law requires the directors to prepare financial statements for each financial year which gives a true and fair view of the state of the company's affairs and of the profit or loss for that year In doing so the directors are required to

- Select suitable accounting policies and then apply them consistently,
- Make judgements and estimates that are reasonable and prudent,
- State whether applicable accounting standards and statements of accounting practice have been followed subject to any departures disclosed and explained in the financial statements, and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in operation,

The directors are responsible for keeping proper accounting records which disclose, with reasonable accuracy at any one time, the financial position of the company and to enable them to ensure the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

As the company's directors, we certify that so far as we are aware, there is no relevant information of which the company's independent examiners are unaware and as the directors of the company, we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant information and to establish that the charity's independent examiners are aware of that information

Risk management

The directors have the above responsibilities, they also need to provide reasonable assurance that

- the charity is operating efficiently and effectively,
- its assets are safeguarded against unauthorised use or disposition,
- proper records are maintained and financial information used within the charity or for publication is reliable, and
- the charity complies with relevant laws and regulations

Directors' Report (incorporating the Trustees' Report)

The systems of internal controls are designed to provide reasonable assurances against material loss or misstatement. They will include:

- a business plan and annual budgets approved by the directors,
- regular consideration by the trustees of financial results, variances to budgets, non-financial performance indicators and benchmark reviews,
- delegation of authority and segregation of duties, and
- identification and management of risks

INDEPENDENT EXAMINERS' REPORT TO THE MEMBERS OF TAMESIDE CITIZENS ADVICE BUREAU LIMITED

I report on the accounts of the company limited by guarantee for the year ended 31 March 2011, which are set out on pages 6 to 11. These accounts have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), under the historical cost and the accounting policies set out therein

Respective responsibilities of directors and examiner

As described in the Statement of Directors' Responsibilities the company's directors (who are also the trustees) are responsible for the preparation of the accounts in accordance with applicable law and United Kingdom Accounting Standards You consider that the audit requirement of s43(2) of the Charties Act 1993 (the Act) does not apply and that an independent examination is needed The chanty's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England and Wales

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to

examine the accounts under section 43 of the 1993 Act,

to follow the procedures laid down in the general Directions given by the Charity Commission under section 43(7)(b) of the 1993 Act, and

to state whether particular matters have come to my attention

Basis of the independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commissioners An examination includes a review of the accounting records kept by the charity and a companson of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and the seeking of explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention

1 Which gives me reasonable cause to believe that, in any material respect, the requirements

to keep accounting records in accordance with s 41 of the Act, and

to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Act

have not been met, or

2 To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached
