ASSOCIATION)**

SHARE CAPITAL

1. **[intentionally left blank]**
2. **Rights attached to shares**
 - 2.1 Subject to the Statutes and without prejudice to any rights attached to any existing shares, any share may be issued with such rights or restrictions as the Company may by ordinary resolution determine (or, in the absence of any such determination or in so far as such ordinary resolution does not make specific provision, as the Board may determine).
3. **Redeemable shares**
 - 3.1 Subject to the Statutes and without prejudice to any rights attached to any existing shares, shares may be issued which are to be redeemed or which are liable to be redeemed at the option of the Company or of the holder.
 - 3.2 Any such redemption may be on such terms and in such manner as may be provided for by these Articles.
 - 3.3 Subject to Article 1.11, any such redemption may be on such terms and in such manner as the Company may by ordinary resolution determine or, in the absence of any such determination or in so far as such ordinary resolution does not make specific provision, as the Board may determine.
4. **Unissued shares**
 - 4.1 Subject to the Statutes and these Articles, the Board may offer, allot, grant options over, or otherwise dispose of unissued shares or rights to subscribe for, or to convert any security into, such shares to such persons and on such terms as they think fit.
5. **Payment of commissions**
 - 5.1 The Company may exercise the powers of paying commissions and brokerage conferred or permitted by the Statutes. Subject to the Statutes, any such commission may be satisfied by the payment of cash or by the allotment (or an option to call for the allotment) of fully or partly paid shares or partly in one way and partly the other.
6. **Trusts not recognised**
 - 6.1 Except as required by law, no person shall be recognised by the Company as holding any share upon any trust and the Company shall not be bound by or recognise (except as otherwise provided by these Articles or by law or under an order of a court of competent jurisdiction) any interest in any share except an absolute right to the whole of the share in the holder.
7. **Variation of rights**
 - 7.1 Subject to the Statutes, all or any of the rights attached to any class may (unless otherwise provided by the terms of issue of the shares of that class) be varied or abrogated with the written consent, comprising one or more documents (including in electronic form), of the

holders of three-fourths in nominal value of the issued shares of that class (excluding any shares of that class held as treasury shares), or with the sanction of a special resolution passed at a separate meeting of the holders of the shares of that class. The provisions of the Statutes and of these Articles relating to general meetings shall *mutatis mutandis* apply to any such separate meeting and to any meeting of the holders of shares of a class held otherwise than in connection with the variation or abrogation of the rights attached to shares of that class, except that:

- 7.1.1 the necessary quorum shall be two persons between them holding or representing by proxy not less than one-third in nominal amount of the issued shares of that class (excluding any shares of that class held as treasury shares) or, at any adjourned meeting of holders of shares of that class at which such a quorum is not present, shall be any holder of shares of that class who is present in person or by proxy whatever the number of shares held by him;
- 7.1.2 any holder of shares of that class present in person or by proxy may demand a poll; and
- 7.1.3 every holder of shares of that class shall on a poll have one vote in respect of every share of that class held by him.

For the avoidance of doubt, the Company shall not for these purposes be counted as holding any shares of that class to the extent that it holds the shares as treasury shares.

- 7.2 The provisions of this Article shall apply to the variation or abrogation of the special rights attached to some only of the shares of any class (and to any meeting of the holders of such shares held otherwise than in connection with the variation or abrogation of those rights) as if each group of shares of the class differently treated formed a separate class.

8. Matters not constituting a variation of rights

- 8.1 The rights attached to any share or class of shares shall not, unless otherwise expressly provided by its terms of issue, be deemed to be varied, abrogated or breached by:
 - 8.1.1 the creation or issue of further shares ranking *pari passu* with it; or
 - 8.1.2 the purchase or redemption by the Company of any of its own shares (whether of that or any other class) or the sale of any shares (of that class or any other class) held as treasury shares.

DIVIDENDS

9. Company may declare dividends

- 9.1 Subject to the Statutes, the Company may by ordinary resolution declare dividends in accordance with the respective rights of the members, but no dividend shall exceed the amount recommended by the Board. Subject to the Statutes, any determination by the Board of the amount of profits at any time available for distribution shall be conclusive.

10. Board may pay interim dividends and fixed dividends

- 10.1 Subject to the Statutes, the Board may pay interim dividends if it appears to the Board that they are justified by the financial position of the Company. If the share capital of the Company is divided into different classes, the Board may pay interim dividends on shares which confer deferred or non-preferred rights to dividends as well as on shares which confer

preferential or special rights to dividends, but no interim dividend shall be paid on shares carrying deferred or non-preferred rights if, at the time of payment, any preferential dividend is in arrears. The Board may also pay at intervals settled by it any dividend payable at a fixed date if it appears to the Board that the financial position of the Company justifies the payment. If the Board acts in good faith, it shall not incur any liability to the holders of shares conferring preferred rights for any loss which they may suffer by reason of the lawful payment of an interim dividend on any shares having deferred or non-preferred rights.

11. Calculation and currency of dividends

- 11.1 Except in so far as the rights attaching to any share otherwise provide, all dividends shall be declared and paid according to the amounts paid up on the shares on which the dividend is paid, but (for the purposes of this Article only) no amount paid up on a share in advance of calls shall be treated as paid up on the share. All dividends shall be apportioned and paid proportionately to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid; but, if any share is issued on terms providing that it shall rank for dividend as from a particular date, that share shall rank for dividend accordingly.
- 11.2 Dividends may be declared or paid in any currency and the Board may agree with any member that dividends which may at any time or from time to time be declared or become due on his shares in one currency shall be paid or satisfied in another, and may agree the basis of conversion to be applied and how and when the amount to be paid in the other currency shall be calculated and paid and for the Company or any other person to bear any costs involved.

12. Waiver of dividends

- 12.1 The waiver in whole or in part of any dividend on any share by any document (whether or not under seal) shall be effective only if such document is signed by the relevant member (or the person becoming entitled by transmission to the share) and delivered to the Company and if or to the extent that it is accepted as such or acted upon by the Company.

13. Non-cash dividends

- 13.1 A general meeting declaring a dividend may, upon the recommendation of the Board, by ordinary resolution direct that it shall be satisfied wholly or partly by the distribution of assets and, in particular, of paid-up shares or debentures of any other company and, where any difficulty arises concerning such distribution, the Board may settle it as the Board thinks expedient and in particular may issue fractional certificates or, subject to the Statutes and, in the case of shares held in uncertificated form, the system's rules, authorise and instruct any person to sell and transfer any fractions or may ignore fractions altogether, and may fix the value for distribution of any assets and may determine that cash shall be paid to any member upon the basis of the value so fixed in order to secure equality of distribution and may vest any assets to be distributed in trustees as the Board may consider expedient.

14. Scrip dividends

- 14.1 Subject to the Statutes, the Board may, if authorised by an ordinary resolution of the Company, offer the holders of ordinary shares the right to elect to receive new ordinary shares, credited as fully paid, instead of cash for all or part (as determined by the Board) of the dividend specified by the ordinary resolution. The following provisions shall apply:

- 14.1.1 an ordinary resolution may specify a particular dividend or dividends (whether or not already declared), or may specify all or any dividends declared within a specified period, but such period may not end later than the fifth anniversary of the date of the meeting at which the ordinary resolution is passed;
- 14.1.2 the basis of allotment to each entitled holder of ordinary shares shall be such number of new ordinary shares credited as fully paid as have a value as nearly as possible equal to (but not greater than) the amount of the dividend (disregarding any tax credit) which he has elected to forego. For this purpose, the "value" of an ordinary share shall be deemed to be whichever is the greater of its nominal value and the average of the middle market quotations for the Company's ordinary shares on the London Stock Exchange as derived from the Daily Official List on the day on which the shares are first quoted "ex" the relevant dividend and the four subsequent dealing days or in such other manner as may be determined by or in accordance with the ordinary resolution. A certificate or report by the Auditors as to the amount of the value in respect of any dividend shall be conclusive evidence of that amount;
- 14.1.3 no fraction of an ordinary share shall be allotted and if any holder of ordinary shares would otherwise be entitled to fractions of a share, the Board may deal with the fractions as it thinks fit;
- 14.1.4 the Board shall not proceed with any election unless the Company has sufficient unissued shares authorised for issue and sufficient reserves or funds which may be capitalised to give effect to the election following the Board's determination of the basis of allotment;
- 14.1.5 on or as soon as practicable after announcing that the Board is to declare or recommend any dividend, the Board, if it intends to offer an election for that dividend, shall also announce that intention and having determined the basis of allotment, shall notify the entitled holders of ordinary shares (other than any in relation to whom an election mandate in accordance with this Article is subsisting) of the right of election offered to them, and shall send with, or following, such notification, forms of election and shall specify the procedure to be followed and place at which, and the latest date and time by which, duly completed forms of election must be received in order to be effective;
- 14.1.6 the dividend (or that part of the dividend in respect of which a right of election has been offered) shall not be payable on ordinary shares in respect of which an election has been duly made (the "elected shares") and instead additional ordinary shares shall be allotted to the holders of the elected shares on the basis of allotment so determined. For such purpose, the Board shall capitalise, out of any amount standing to the credit of any reserve or fund (including the profit and loss account), whether or not the same is available for distribution, as the Board may determine, a sum equal to the aggregate nominal amount of the additional ordinary shares to be allotted on that basis and apply it in paying up in full the appropriate number of unissued ordinary shares for allotment and distribution to the holders of the elected shares on that basis;
- 14.1.7 the additional ordinary shares so allotted shall be allotted as of the record date for the dividend for which the right of election has been offered and shall rank *pari passu* in all respects with the fully paid ordinary shares then in issue except that they will not rank for the dividend or other distribution entitlement in respect of which they have been issued. Unless the Board otherwise determines (and subject always to the Regulations and the system's rules), the ordinary shares so allotted

shall be issued as shares in certificated form (where the ordinary shares in respect of which they have been allotted were in certificated form at the Scrip Record Time) or as shares in uncertificated form (where the ordinary shares in respect of which they have been allotted were in uncertificated form at the Scrip Record Time) provided that if the Company is unable under the system's rules to issue ordinary shares in uncertificated form to any person, such shares shall be issued as shares in certificated form. For these purposes, the "Scrip Record Time" means such time on the record date for determining the entitlements of members to make elections as described in this Article, or on such other date as the Board may in its absolute discretion determine.

- 14.2 The Board may establish or vary a procedure for election mandates whereby a holder of ordinary shares may elect concerning future rights of election offered to that holder under this Article until the election mandate is revoked following that procedure.
- 14.3 The Board may exclude from any offer any holders of ordinary shares if it believes that it is necessary or expedient to do so in relation to any legal or practical problems under the laws of, or the requirements of any regulatory body or stock exchange or other authority in, any territory or that for any other reason the offer should not be made to them.
