TARMAC CLAYFORM LIMITED

STRATEGIC REPORT FOR THE YEAR ENDED 28 FEBRUARY 2021

Business review, principal activities and future developments

The principal activity of the company during the year and for the foreseeable future is that of property development. The Directors do not foresee any change in the future activities of the company.

The company did not trade during the current and preceding financial year and made neither a profit nor a loss. There were also no other recognised gains and losses for the current or preceding financial year. Accordingly, neither a Statement of comprehensive income nor a Statement of changes in equity have been presented.

The Directors do not recommend the payment of a dividend (2020: £NIL).

Principal risks and uncertainties

The management of the business and the execution of the company's strategy are subject to a number of risks. The company is a member of the U and I Group PLC group of companies. Further discussion of the risks and uncertainties, in the context of the group as a whole, is provided in the group's annual report which does not form part of this report.

Financial key performance indicators (KPIs)

The Directors of the U and I Group PLC manage the group's operations on a group basis. For this reason, the company's Directors believe that an analysis using KPIs for the company is not necessary or appropriate for an understanding of the development, performance or position of the business of the company. The development, performance and position of the group is discussed in the group's annual report which does not form part of this report.

This report was approved by the board on Nov 8, 2021

and signed by its order.

**DIRECTORS' RESPONSIBILITIES STATEMENT
FOR THE YEAR ENDED 28 FEBRUARY 2021**

The Directors are responsible for preparing the Strategic report, the Directors' report and the unaudited financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare unaudited financial statements for each financial year. Under that law the Directors have elected to prepare the unaudited financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the Directors must not approve the unaudited financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these unaudited financial statements, the Directors are required to:

- select suitable accounting policies for the company's financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

TARMAC CLAYFORM LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 28 FEBRUARY 2021

1. General information

The company did not trade during the current and preceding financial year and made neither a profit nor a loss. There were also no other recognised gains and losses for the current or preceding financial year. Accordingly, neither a Statement of comprehensive income nor a Statement of changes in equity have been presented.

The company is a private limited company and is incorporated and domiciled in England. The address of its registered office is 7A Howick Place, SW1P 1DZ, London.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the company's accounting policies (see note 3).

2.2 Going concern

The Directors believe that preparing the financial statements on the going concern basis is appropriate due to the continued financial support of its shareholders U and I Group PLC and Tarmac Properties (JMA) Limited. The Directors have received confirmation that for the foreseeable future, U and I Group PLC and Tarmac Properties (JMA) Limited intend to support the company such that it can meet its liabilities as they fall due.

2.3 Financial instruments

The company only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors and loans to and from group undertakings.

Financial assets and liabilities are offset and the net amount reported in the Balance sheet when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

3. Judgements in applying accounting policies and key sources of estimation uncertainty

The preparation of financial statements in accordance with FRS 102 requires the use of certain critical accounting estimates and judgements. It also requires management to exercise judgement in the process of applying the company's accounting policies. Not all of these accounting policies require management to make difficult, subjective or complex judgements or estimates. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Although these estimates are based on management's best knowledge of the amount, event or actions, actual results may differ from those estimates. The management believes that there was no material judgement or estimation involved in the preparation of these financial statements.
