DIRECTORS REPORT FOR THE YEAR ENDED 30 NOVEMBER 1994

The Director presents her report and the financial statements for the year ended 30 November 1994.

Statement of Directors Responsibilities

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and the apply them consistently
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Principal Activity

The Company's principal activity continues to be that of dealing in cooker spares and equipment.

Directors

The Director who served during the year and her beneficial interest in the Company's issued ordinary share capital was:

AUDITORS REPORT TO THE SHAREHOLDERS OF EMPIRE COOKER SPARES LIMITED

We have audited the financial statements on pages 4 to 9 which have been prepared under the historical cost convention and the accounting policies set out on page 6.

Respective Responsibilities of Directors and Auditors

As described on page 2 the Company's Director is responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of Opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Director in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion, the financial statements give a true and fair view of the state of the Company's affairs as at 30 November 1994 and of its results for the year then ended and have been properly prepared in accordance with the provisions of the Companies Act 1985 applicable to small companies.

EMPIRE COOKER SPARES LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 NOVEMBER 1994

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements are prepared under the historical cost convention and include the results of the Company's operations which are described in the Directors Report and all of which are continuing.

The Company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

1.2 Turnover

Turnover comprises the invoiced value of goods and services supplied by the Company, net of value added tax and trade discounts.

1.3 Tangible Fixed Assets and Depreciation

Tangible fixed assets are stated at cost or valuation less depreciation.

Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Motor Vehicles	25% reducing balance basis
Fixtures & Fittings	15% reducing balance basis

1.4 Leasing and Hire Purchase

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible fixed assets. Assets acquired by finance leases are depreciated over the shorter of the lease term and their useful lives. Assets acquired by hire purchase are depreciated over their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the Company. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental repayments is charged to profit and loss account so as to produce a constant periodic rate of charge on the net obligation in each period.

1.5 Stocks and Work in Progress

Stocks and work in progress are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

1.6 Deferred Taxation

Provision is made for taxation deferred as a result of material timing differences between the incidence of income and expenditure for taxation and accounts purposes, using the liability method, only to the extent that, in the opinion of the Director, there is a reasonable probability that a liability or asset will crystallise in the near future.
