IHC OVERSEAS (U.K.) LIMITED

DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2018

The directors present their report and the financial statements for the year ended 31 December 2018.

PRINCIPAL ACTIVITY AND REVIEW OF BUSINESS

IHC Overseas (U.K.) Limited's (the "Company") principal activity is that of a financing company. It is the intention of the directors that the Company will continue operating in this capacity.

The directors view the results as satisfactory as are future prospects of the Company.

Primarily the Company's transactions are with fellow InterContinental Hotels group (consisting of InterContinental Hotels Group PLC and its subsidiaries) (the "Group") undertakings and as such there are not considered to be any significant risks and uncertainties impacting the Company. Any uncertainties impacting the Company would arise from internal decisions taken within the Group.

RESULTS AND DIVIDENDS

The profit for the year, after taxation, amounted to £1,439,000 (2017: £649,000)

The directors do not propose a dividend for the year ended 31 December 2018 (2017: £nil).

DIRECTORS

The directors who served during the year and since the year end were:

M Cockcroft
M Glover
N Henfrey

GOING CONCERN

The Company operates its activities in conjunction with other companies within the Group and therefore relies on the Group for its continued existence. The ultimate parent company, InterContinental Hotels Group PLC, intends to make funds available to the Company to enable it to meet its debts as they fall due for a period at least 12 months from the date of approval of the financial statements.

An overview of the business activities of the Group, including a review of the key business risks that the Group faces, is given in the Strategic Report in the InterContinental Hotels Group PLC Annual Report and Form 20-F 2018. Information on the Group's treasury management policies, including information on covenants and debt facilities; processes for managing its capital; its financial risk management objectives; details of its financial instruments and hedging activities; and its exposures to liquidity risk and credit risk is also given in the Annual Report and Form 20-F 2018. In November 2018, the Group issued a €500m bond which matures in May 2027.

At the end of 2018, the Group was trading significantly within its banking covenants and debt facilities.

The Group's fee-based model and wide geographic spread mean that it is well placed to manage through uncertain times, and our forecasts and sensitivity projections, based on a range of reasonably possible changes in trading performance, show that the Group should be able to operate within the level of its current facilities.

After making enquiries, the directors have a reasonable expectation that the Company and the Group have adequate resources to continue in operational existence for the foreseeable future and, accordingly, they continue to adopt the going concern basis in preparing the financial statements.

**DIRECTORS' RESPONSIBILITIES STATEMENT
FOR THE YEAR ENDED 31 DECEMBER 2018**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In our opinion, the financial statements:

- give a true and fair view of the Company's affairs as at 31 December 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

RESPONSIBILITIES OF DIRECTORS

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

USE OF OUR REPORT

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018**

1. ACCOUNTING POLICIES

1.1 STATEMENT OF COMPLIANCE WITH FRS 101

The Company is incorporated and domiciled in England and Wales.

The Company's financial statements are presented in sterling and all values are rounded to the nearest thousand pounds (£000), except where otherwise indicated.

These financial statements have been prepared in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' ("FRS 101").

The Company's ultimate parent undertaking, InterContinental Hotels Group PLC includes the Company in its consolidated financial statements. The consolidated financial statements of InterContinental Hotels Group PLC are prepared in accordance with International Financial Reporting Standards as adopted by the EU and are publicly available and may be obtained from the address given in note 13.

1.2 BASIS OF PREPARATION

These financial statements have been prepared in accordance with FRS 101, as applied in accordance with the provisions of the Companies Act 2006. FRS 101 sets out a reduced disclosure framework for a "qualifying entity" as defined in the standard which addresses the financial reporting requirements and disclosure exemptions in the individual financial statements of qualifying entities that otherwise apply the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU.

The following disclosures have not been provided as permitted by FRS 101:

- a Cash Flow Statement and related notes as required by IAS 7 'Statement of Cash Flows';
- a comparative period reconciliation for share capital as required by IAS 1 'Presentation of Financial Statements';
- disclosures in respect of transactions with wholly owned subsidiaries as required by IAS 24 'Related Party Disclosures';
- disclosures in respect of capital management as required by paragraphs 134 to 136 of IAS 1 'Presentation of Financial Statements';
- the effects of new but not yet effective IFRSs as required by paragraphs 30 and 31 of IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors'; and
- disclosures in respect of the compensation of Key Management Personnel as required by paragraph 17 of IAS 24 'Related Party Disclosures'.

As the consolidated financial statements of InterContinental Hotels Group PLC include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosures:

- the requirements of paragraphs 91 to 99 of IFRS 13 'Fair Value Measurement' and the disclosures required by IFRS 7 'Financial Instruments: Disclosures'.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018**

1. ACCOUNTING POLICIES (CONTINUED)

1.3 IMPACT OF NEW INTERNATIONAL REPORTING STANDARDS

IFRS 15

With effect from 1 January 2018, the Company has adopted IFRS 15 'Revenue from Contracts with Customers' which introduces a new five-step approach to measuring and recognising revenue from contracts with customers. Under IFRS 15, revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. There has been no impact on the Company's financial statements as a result of adopting IFRS 15.

IFRS 9

With effect from 1 January 2018, the Company has adopted IFRS 9 'Financial Instruments'. IFRS 9 introduces new requirements for classification and measurement of financial assets and financial liabilities, impairment and hedge accounting. There has been no impact on the Company's financial statements as a result of adopting IFRS 9.

1.4 GOING CONCERN

The financial statements have been prepared on the going concern basis as the ultimate parent company, InterContinental Hotels Group PLC, intends to make funds available to the Company to enable it to meet its debts as they fall due.

1.5 NON DERIVATIVE FINANCIAL INSTRUMENTS

Non derivative financial instruments comprise other investments and amounts owed by Group undertakings.

Other investments

Other investments comprise bank accounts pledged as security which are subject to a charge in favour of the members of a UK unfunded pension arrangement. Investments are shown at cost less impairment. The carrying amount is reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. An impairment loss is recognised if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognised in the Income Statement.

Amounts owed by Group undertakings

Amounts owed by Group undertakings are recorded at their original amount less provision for expected credit losses. The Company has elected to apply the simplified version of the expected credit loss model permitted by IFRS 9 in respect of amounts owed by Group undertakings, which involves assessing lifetime expected credit losses on all balances. The carrying amount of the receivable is reduced through the use of a provision account and movements in the provision are recognised in the Income Statement within administrative expenses.

1.6 INCOME

Interest receivable is recognised in the Income Statement as it accrues, using the effective interest rate method.

IHC OVERSEAS (U.K.) LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2018

1.7 TAXATION

Tax on the profit or loss for the year comprises current tax. Tax is recognised in the Income Statement except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from, or paid to, the tax authorities, including interest. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the end of the reporting period.

The taxation liabilities of certain Group entities are reduced wholly or in part by the surrender of losses by fellow Group undertakings, with these losses normally being paid for at the effective standard UK tax rate applying for the period in question. The impacts of such surrenders are recognised in the financial statements of both the surrendering and recipient companies.
