Director's Report for the Year Ended 31 December 2014

The director presents his report and the financial statements for the year ended 31 December 2014. As set out in note 2 to the financial statements, the director considers it appropriate to prepare the financial statements on the going concern basis.

Director of the Company

The director who held office during the year and to the date of this report was as follows:

G Leach

Disclosure of information to the auditor

The director has taken steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the Company's auditor is aware of that information. The director confirms that there is no relevant information that he knows of and of which he knows the auditor is unaware.

Auditor

Elective resolutions to dispense with holding annual general meetings, the laying of financial statements before the Company in general meeting and the reappointment of auditors annually are currently in force.

Approved by the Board on 27.1.7.1.15. and signed on its behalf by:

Strategic Report for the Year Ended 31 December 2014

The director presents his Strategic Report for the year ended 31 December 2014.

Principal activity

The principal activity of the Company is that of a holding company.

Business review

During the year management charges of £79k (2013: £119k) were received from group companies. No significant administrative expenses incurred in the year with the exception of £5k foreign exchange loss (2013: £nil). The Company also earned £192k interest receivable from group companies (2013: £271k). No intercompany interest payable was charged in the year (2013: £691k) because the intercompany loan payables and intercompany loan receivables were consolidated resulting in an intercompany loan receivable. As a result, the Company has generated a profit of £266k (2013: £301k loss).

The Company did not pay a dividend in the year (2013: £nil).

Principal risks and uncertainties

my Veau

The Company's principal financial instruments are its intercompany receivables and payables. The director does not consider that the Company is exposed to significant interest rate or liquidity risk because the interest payments on its intercompany payables are expected to be funded by returns on intercompany receivables and reserves earned from the sale of previous investments. Further discussion of financial risk management is included in the consolidated Annual Report and Accounts of Serco Group plc.

The director has a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future, thus the going concern basis of accounting continues to be adopted in preparing the financial statements

Approved by the Board on .2.7.1.7.1.15 and signed on its behalf by:

Statement of Director's Responsibilities

The director is responsible for preparing the Director's Report and the financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law the director has elected to prepare the financial statements in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework. Under company law the director must not approve the financial statements unless he is satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the company for that period. In preparing these financial statements, the director is required to:

- · select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether Financial Reporting Standard 101 Reduced Disclosure Framework has been followed, subject
 to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable him to ensure that the financial statements comply with the Companies Act 2006. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditor's Report to the Members of Serco International Limited

We have audited the financial statements of Serco International Limited for the year ended 31 December 2014, which comprise the profit and loss account, the statement of changes in equity, the balance sheet, and the related notes 1 to 12. The financial reporting framework that has been applied in their preparation is applicable law and Financial Reporting Standard 101 Reduced Disclosure Framework.

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Statement of Director's Responsibilities (set out on page 4), the director is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Director's Report and Strategic Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2014 and of its profit for the year then ended;
- have been properly prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Director's Report and Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Independent Auditor's Report to the Members of Serco International Limited

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- · the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- · we have not received all the information and explanations we require for our audit

Notes to the Financial Statements for the Year Ended 31 December 2014

1 General information

Serco International Limited is a Company incorporated in the United Kingdom under the Companies Act. The address of the registered office is given on page 1. The nature of the Company's operations and its principal activities are set out in the Strategic Report on page 3.

These financial statements are presented in pounds Sterling because that is the currency of the primary economic environment in which the Company operates.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparation

The Company meets the definition of a qualifying entity under FRS 100 (Financial Reporting Standard 100) issued by the Financial Reporting Council. The financial statements have therefore been prepared in accordance with FRS 101 (Financial Reporting Standard 101) 'Reduced Disclosure Framework' as issued by the Financial Reporting Council.

As permitted by FRS 101, the Company has taken advantage of the disclosure exemptions available under that standard in relation to presentation of a cash flow statement, standards not yet effective and related party transactions. This is because the Company is included within the consolidated financial statements of Serco Group plc which are available from the address provided in note 12.

The financial statements have been prepared on the historical cost basis and on the going concern basis, except for the revaluation of certain financial instruments. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Going concern

The director acknowledges the latest guidance on going concern and financial reporting published by the Financial Reporting Council in October 2009 and the consultation on draft guidance issued in November 2013. The Company's principal financial instruments are its intercompany receivables and is funded by its returns on intercompany receivables and reserves from the profit on sale of investments in prior years.

Given the secure balance sheet position, these accounts have been drawn up on the going concern basis.

Interest income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount.

Tax

The tax expense represents the sum of current tax expense and deferred tax expense.

Current tax expense is based on taxable profit for the year. Taxable profit differs from net profit as reported in the profit and loss account because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the balance sheet date.

Notes to the Financial Statements for the Year Ended 31 December 2014

Investments in Joint Ventures

The Company holds investments in a joint venture which was put into liquidation in 2011 along with its related group of companies. The carrying value of this investment was written down to nil on entering liquidation and therefore have not been shown in the balance sheet or as a separate disclosure.

3 Staff costs

The Company had no employees during the current or preceding financial year.

4 Directors' remuneration

No director received remuneration for their services to the Company in either the current or preceding year.

5 Interest receivable and similar income

| | | 2014 £ 000 | 2013 £ 000 |
|-----------|-----------------------------------|---------------|---------------|
| Interes | t receivable from group companies | 192 | 271 |
| 6 Interes | st payable and similar charges | | |
| | | 2014 £ 000 | 2013 £ 000 |
| Interes | t payable to group companies | | 691 |

7 Auditor's remuneration

Auditor's remuneration of £5,000 (2013: £5,000) for the audit of the Company's financial statements was borne by another group company in both the current and preceding financial year.

8 Taxation

The tax charge on profit/(loss) on ordinary activities is £nil (2013: £nil).

Factors affecting current tax charge for the year

The tax on profit/(loss) before tax for the year is lower than the standard rate of corporation tax in the UK (2013: lower than the standard rate of corporation tax in the UK) of 21.5% (2013: 23.25%).

The differences are reconciled below:

| | 2014 £ 000 | 2013 £ 000 |
|--|---------------|---------------|
| Profit/(loss) before tax | 266 | (301) |
| Corporation tax at 21.5% (2013: 23.25%): | 57 | (70) |
| Group relief with no consideration Total tax charge | (57) | |
| Total tax charge | | |
