Notes to the accounts For the year ended 31 March 2017

Accounting policy

1. Accounting basis

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101").

The Balance Sheet shows that the company has net current liabilities. However, the principal creditor is the ultimate parent company and the terms of the borrowing include the right of the subsidiary to request that the amount of the loan equal to any deficit be eliminated by converting the loan into share capital. As a consequence of this the directors believe that the company can continue to trade for the foreseeable future and is well placed to manage its business risks successfully in the current economic climate.

2. Profit and loss

No profit and loss account has been presented as the company has had no significant accounting transactions, as defined by Companies Act 2006, during the accounting period.

3. Creditors due within one year

	2017 £	2016 £
