## **Directors' report**

The directors present their annual report and the unaudited financial statements for the year to 30 June 2022.

This directors' report has been prepared in accordance with the special provisions relating to small companies under S415A the Companies Act 2006.

### **Principal activities**

The Company is principally engaged in the business of property investment. These properties are held for their long term investment potential and accordingly are treated as investment properties.

### **Business review**

The result for the year to 30 June 2022 after taxation was a profit of £1,162,608 (2021: £1,129,431). The profit and loss account for the period is set out on page 5.

### **Going concern**

The directors have reviewed the current and projected financial position of the Company, making reasonable assumptions about future trading.

On the basis of this review, and after making due enquiries, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the report and financial statements.

### **Financial risks**

The directors considered the risks attached to the Company's financial instruments which principally comprise operating debtors and operating creditors and loans to and from other group companies. The directors have taken a prudent approach in their consideration of the various risks attached to the financial instruments of the Company. The Company's exposure to price risk, credit risk, liquidity risk and cash flow risk is not material for the assessment of assets, liabilities and the financial statements.

The director's policy on hedging is to hedge all financial risks where it is feasible and cost effective to do so. The Company had no hedged transactions during the year.

### **Dividends**

The Company distributed £nil of dividends in the year (2021: £13,600,000).

### **Directors**

The directors who held office for the Company since the 1 July 2021 to the end of the financial year and up to the signing of the financial statements are listed on page 1.

## **Amsprop London Limited**

### **Directors' report (continued)**

#### **Directors indemnities**

The directors and officers of the Company use the indemnity insurance policy taken out by Amshold Group Limited, the ultimate parent company.

Approved by the Board and signed on its behalf by:

A handwritten signature in black ink, appearing to read 'M. E. Ray'.

## **Amsprop London Limited**

### **Directors' responsibilities statement**

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial period. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Notes to the financial statements For the year ended 30 June 2022

### 1. Accounting policies

The particular accounting policies adopted by the directors are described below, and have been applied consistently in the current and preceding years.

#### General information and basis of accounting

Amsprop London Limited is a company incorporated in the United Kingdom with its registered office at Amshold House, Goldings Hill, Loughton, Essex, IG10 2RW.

The financial statements are prepared under the historical cost convention, modified to include certain items at fair value, and in accordance with Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council.

The functional currency of the Company is considered to be pounds sterling because that is the currency of the primary economic environment in which the Company operates.

#### Going concern

The Company's business activities, together with the factors likely to affect its future development, performance and financial position are set out in the director's report. This describes the financial position of the Company; its cash flows, liquidity position and borrowing facilities; and its exposure to credit risk and liquidity risk.

The Company's forecasts and projections, taking account of reasonably possible changes in trading performance, show that the Company should be able to operate within the level of its current facility.

After making enquiries, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and financial statements.

#### Investment properties

Investment properties for which fair value can be measured reliably without undue cost of effort on an ongoing basis are measured at fair value annually with any change recognised in the profit and loss account.

#### Sale of properties

Disposals of properties are recognised where contracts have been unconditionally exchanged during the accounting year.

#### Taxation

Current tax, including UK corporation and foreign tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantially enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the Company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date that are expected to apply to the reversal of the timing difference. Deferred tax relating to investment property is measured using the tax rates and allowances that apply to the sale of the asset.

## Notes to the financial statements For the year ended 30 June 2022

### 1. Accounting policies (continued)

#### Taxation (continued)

The tax expense or income is presented in the same component of comprehensive income or equity as the transaction or other event that resulted in the tax expense or income.

#### Cash flows

As the Company is a wholly-owned subsidiary, the cash flows of the Company are included in the consolidated accounts of Amshold Limited which are publicly available (note 15). Consequently the Company is exempt under the provisions of Financial Reporting Standard 1 (Revised) – “Cash Flow Statements”, from publishing a separate cash flow statement.

### 2. Turnover

Turnover represents amounts derived from the provision of services and rental income on investment properties which fall within the Company's ordinary activities after deduction of trade discounts and value added tax. The turnover and pre-tax loss all arises in the United Kingdom. Rent increases arising from rent reviews are taken into account when such reviews have been agreed with tenants. On new leases with rent free periods rental income is allocated evenly over the period from the date of lease commencement to the date of the first rent review. Where payments are received from customers in advance of services provided, the amounts are recorded as deferred income and included as part of creditors due within one year. Turnover can be analysed as follows:

	2022 £	2021 £
Rental income	1,629,729	1,521,394
Other income	-	500
	<u>1,629,729</u>	<u>1,521,894</u>

### 3. Staff costs

The Company had no employees in either the current or prior year. The directors received no emoluments during the current or prior year.

### 4. Finance income

Tax charge on profit on ordinary activities	(217,190)	(1,584,148)

#### (ii) Factors affecting tax charge for the current year

The standard rate of tax for the year, based on the UK standard of corporation tax is 19% (2021: 19%). The actual tax charge for the current and previous year is the same as the standard rate for the reasons set out in the following reconciliation:

	2022 £	2021 £
Profit on ordinary activities before tax	1,379,798	2,713,579
Tax charge at 19% (2021: 19%)	(262,162)	(515,580)
