## Statement of director's responsibilities

Company law requires the director to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period.

In preparing those financial statements, the director is required to:

- i) select suitable accounting policies and then apply them consistently;
- ii) make judgements and estimates that are reasonable and prudent;
- iii) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable him to ensure that the financial statements comply with the Companies Act 1985. He has general responsibility for taking such steps as are reasonably open to him to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

## Report of the auditors to the members of The Parade (Yateley) Limited

We have audited the financial statements on pages 4 to 6 in accordance with Auditing Standards.

### **Respective responsibilities of director and auditors**

As described on page 2 the company's director is responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

### **Basis of opinion**

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the director in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

### **Opinion**

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 March 1996 and of its result for the year then ended and have been properly prepared in accordance with the Companies Act 1985.
