The reference and administrative information on page 1 forms part of this report.

The trustees present their annual report and the unaudited financial statements for the year ended 31 March 2008.

Structure, Governance and Management

Governing Document

The organisation is a charitable company limited by guarantee. The constitution was adopted 3 February 1972 and subsequently amended 13 October 1976, 4 June 1980, 18 November 1981 and 14 January 2006. It was incorporated on 20 February 1989 and re-registered as a charity on 22 March 2006. The charity was established under a memorandum of association, which established the objects and powers of the charitable company and is governed under its articles of association. The memorandum and articles were amended on 11 January 2006. In the event of the company being wound up the members are required to contribute an amount not exceeding £1.

Objectives and Activities

The objects of the charity are to promote any charitable purpose for the benefit of the community in the North of Solihull and surrounding areas by the advancement of education, the protection and preservation of health and the relief of poverty, sickness and distress.

The Charity also follow Citizens Advice aims and principles which are;

- To ensure that individuals do not suffer through ignorance of their rights and responsibilities or of the service (1) available to them, or through an inability to express their needs effectively; and equally
- The Citizens Advice Bureau Service is independent, and provides free, confidential and impartial advice to (2) everyone regardless of race, gender, sexuality or disability.

Aims

The Citizens Advice service provides free, independent, confidential and impartial advice to everyone on their rights and responsibilities. It values diversity, promotes equality and challenges discrimination.

The service aims:

- To provide the advice people need for the problems they face (1)
- To improve the policies and practices that affect people's lives. (2)

Recruitment and Appointment of the Board of Directors

The directors of the company are also the charity trustees for the purposes of charity law. Under the terms of the articles of association, the maximum number of trustees shall be 9 and the minimum number shall be 3 comprised as follows:

- Up to 6 persons elected at the annual general meeting,
- Up to 3 persons nominated by member organisations or co-opted by the Trustee board.

The organisation strives to ensure the diversity of its beneficiaries is reflected within the membership of the board and that directors have the relevant business and practical experience required.

ANNUAL REPORT OF THE DIRECTORS (CONTINUED) **FOR THE 1 APRIL 2007 TO 31 MARCH 2008**

Trustee Induction and Training

When a vacancy arises on the Board for a Volunteer to join them an advertisement including a job description will be placed in the local press and on the Chelmsley CAB website. When approached by a volunteer the Manager will arrange time for the volunteer to attend the Bureau so that they can ask questions and become familiar with the work the Bureau undertakes. They are given a copy of the business plan, last annual report and a copy of the last years accounts.

Any interested parties would then complete an application and if shortlisted would be interviewed by three or more Directors. The next step would be to be co-opted on to the Board at the next Board meeting. At the next AGM the members of Chelmsley CAB would be able to vote as to whether they agreed with this appointment. Each Board member stands for three years before they need to be re-elected.

Risk Management

The Management Committee review the risks the charity faces on a regular basis and take appropriate steps to mitigate those risks.

Chelmsley Citizens Advice Bureau is governed by its Directors, who follow the Bureaus Memorandum and Articles of Association. The Directors have responsibility for the daily running of the charity. The paid staff are advisory to the panel and only the Manager has a vote. The Directors meet every two/three months.

To ensure that the Bureau is responsive to the local community the Board created a Members Forum who meet three times per year. The forum directly inputs into the development and the strategic aims of the Bureau. The Members Panel include the Directors of the charity, the staff (paid and voluntary), representatives from external organisations, local Parish Councillors, Borough Councillors and local residents.

The day to day management is controlled by a paid full time Manager. The Manager is supported by a full time Office Administrator and a part time, paid Advice Session Supervisor. The Bureau also has two specialist Caseworkers in the areas of welfare benefits and money advice. Advice to the general public is given by 13 part time unpaid volunteers Advisers and supported by 6 Volunteer administration workers.

.Achievements and Performance

Currently the Bureau runs an open door service on Mondays, Tuesday and Fridays.

The charity has seen 1,693 new clients between 13 advisers. They have dealt with 6,826 new issues whilst assisting in the training of new volunteers. This year the charity managed to recruit 9 people to the role of Volunteer Adviser. The charity had 4 people leave the Bureau in the last year, 2 people have retired, 1 gained paid employment and 1 passed away.

The charity has a contract with the Legal Services Commission to deliver welfare benefits advice and we gained a specialist quality mark for delivering Welfare Benefits help. We can assist clients to complete applications forms, with reviews, super sessions and tribunal representation.

In April 2006, Citizens Advice won a bid from the DTI to deliver a project aimed at Financial Inclusion. Chelmsley Bureau applied and won the bid to deliver money advice to the people of the Solihull Borough. The project had two aims, the first to train more people to give debt advice and the second to deal with financial inclusion. This project did exceptionally well in its first year and has continued to grow. Through this project we have reached 116 people (November to March) and rescheduled over £1.7million of non priority debt, i.e. store cards and personal loans.

ANNUAL REPORT OF THE DIRECTORS (CONTINUED) **FOR THE 1 APRIL 2007 TO 31 MARCH 2008**

Reserves

The Directors have a formal reserves policy which maintains reserves at a level to cover such circumstances at least equal to an amount not exceeding three months operating expenditure.

Legal Services Contract -The Directors have a formal agreement to hold funds separately for this project. Monies are paid to the Bureau in advance of the final outcome of the project. Should the bureau not meet with the contracted provisions the Bureau is contractually obliged to repay any outstanding balance back to the Legal Services Commission.

Financial Inclusion Fund - The Directors have a formal agreement to hold funds separately for this project. The Bureau requests the grant for this project six months before it receives payment. Monies are paid in advance for the quarter and any under spend from previous quarter is recouped.

Free reserves at 31 March 2008 totalled £57,139.

Statement of Directors Responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period. In preparing those financial statements, the trustees are required to;

- select suitable accounting policies and then apply them consistently; (1)
- make judgements and estimates that are reasonable and prudent; (2)
- state whether applicable accounting standards and statements of recommended practice have been followed (3) subject to any departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the (4) charity will continue in business.

The Directors have overall responsibility for ensuring that the charity has appropriate system of controls, financial and otherwise. They are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the Statement of Recommended Practice : Accounting and Reporting by Charities (issued in March 2005) and in accordance with the Special Provisions of part VII of the Companies Act 1985 relating to small entities.
