### Directors' report for the year ended 31 December 2007

The directors present their report and the audited financial statements of Centrica Brigg Limited for the year ended 31 December 2007

#### Principal activities

The company's principal activity during the year was the operation of a combined cycle gas turbine power station at Brigg, North Lincolnshire

#### **Business review**

During the year the company continued the operation of Glanford Brigg Power Station. There are no plans to change the nature of activities in the foreseeable future. The company operates under a capacity tolling arrangement with British Gas Trading Limited which is responsible for energy procurement for the Centrica group.

Trading for the year is in line with directors' expectations

#### Financial results

The results of the company are set out on page 6

During the year the company made a profit of £7,115,000 (2006 £1,740,000)

#### **Dividends**

No dividends were paid or declared on the ordinary shares for the year ended 31 December 2007 (2006 £nil)

#### Principal risks and uncertainties and financial risk management

The principal risks and uncertainties are integrated with the principal risks of the Centrica plc group ("the group") and are not managed separately. The principal risks of the group are set out on pages 25-27 of the Annual Report and Accounts of the group which does not form part of this report.

The directors of the group have established objectives and policies for managing financial risks to enable the group and the company to achieve its long-term shareholder value growth targets within a prudent risk management framework. These objectives and policies are regularly reviewed.

Exposure to counterparty credit risk and liquidity risk arises in the normal course of the company's business and is managed within parameters set by the directors

Counterparty credit exposures are monitored by individual counterparty and by category of credit rating, and are subject to approved limits. Exposure to credit risk is limited predominantly to exposures with other Centrica group companies or exposure to credit risk arises in the normal course of operations as a result of the potential for a customer defaulting on their payable balance. In the case of business customers credit risk is managed by checking a company's creditworthiness and financial strength both before commencing to trade and during a business relationship. For residential customers, creditworthiness is ascertained normally before commencing to trade by reviewing an appropriate mix of internal and external information. An ageing of receivables is monitored and used to manage the exposure to credit risk.

# Directors' report for the year ended 31 December 2007 (continued)

Cash forecasts identifying the liquidity requirements of the company are produced frequently and reviewed regularly to ensure there is sufficient financial headroom for at least a 12 month period

#### Key performance indicators

The directors of the group use a number of key performance indicators to monitor progress against the group's strategy. The development, performance and position of the group, which includes the company, are discussed on pages 14 of the annual report and accounts of the group which does not form part of this report.

#### **Future developments**

There are no plans to change the nature of activities in the foreseeable future. A similar trading profile to 2007 is expected in the coming year

#### **Directors**

The directors who held office during the year are given below

Alan Bennett	(resigned 31 October 2007)

# Statement of directors' responsibilities in respect of the Annual Report and the financial statements

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period

In preparing those financial statements, the directors are required to

- · select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any
  material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to
  presume that the company will continue in business, in which case there should be
  supporting assumptions or qualifications as necessary

The directors confirm that they have complied with the above requirements in preparing the financial statements

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# Directors' report for the year ended 31 December 2007 (continued)

#### Statement of disclosure of information to auditors

In accordance with Section 234ZA(2), in the case of each director in office at the date the directors' report is approved, that

- (a) so far as the director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- (b) he has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information

#### **Auditors**

In accordance with Section 386 of the Companies Act 1985, the company has elected to dispense with the obligation to reappoint auditors annually, and PricewaterhouseCoopers LLP will therefore continue in office

This report was approved by the Board on 30 October 2008

# Independent auditors' report to the members of Centrica Brigg Limited

We have audited the financial statements of Centrica Brigg Limited for the year ended 31 December 2007 which comprise the profit and loss account, the balance sheet, and the related notes. These financial statements have been prepared under the accounting policies set out therein

#### Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of directors' responsibilities

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland). This report, including the opinion, has been prepared for and only for the company's members as a body in accordance with Section 235 of the Companies Act 1985 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the directors' report is consistent with the financial statements.

In addition we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions is not disclosed

We read the directors' report and consider the implications for our report if we become aware of any apparent misstatements within it

#### Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

#### Opinion

In our opinion

- the financial statements give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of the company's affairs as at 31 December 2007 and of its profit for the year then ended,
- the financial statements have been properly prepared in accordance with the Companies Act 1985, and
- the information given in the directors' report is consistent with the financial statements

# Notes to financial statements for the year ended 31 December 2007

### 1 Statement of accounting policies

These financial statements are prepared on the going concern basis, under historical cost convention and in accordance with the Companies Act 1985 and the applicable accounting standards. The principal accounting policies are set out below

#### **Turnover**

Turnover is recognised on an accruals basis and principally relates to the sale of power generation capacity to a fellow group undertaking during the year in accordance with the capacity tolling arrangement

#### Tangible Fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is charged on all fixed assets, other than freehold land and gas turbine components in the course of a major overhaul and assets in the course of construction. Depreciation is provided at rates calculated to write-off the cost of each asset on a straight line basis over its expected useful life as follows for these asset classes.

- Power Station assets

20 years

- Other plant and machinery

3-6 years

For gas turbine components depreciation is provided to write off the cost of the assets over their operating lives on an equivalent operating hours basis

#### **Overhaul Costs**

Contract work involved in replacing gas turbine components are capitalised and depreciated over their expected economic life, typically over the period to the next overhaul. Repairs and other costs that are not of a capital nature are charged directly to the profit and loss account as incurred

#### Stocks

Stocks are stated at the lower of cost incurred in bringing each item to its present location and condition and net realisable value. Provision is made where necessary for obsolete, slow moving and defective stocks.

#### **Deferred taxation**

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantially enacted by the balance sheet date

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements.

Deferred tax is measured at the tax rates that are expected to apply in the years in which the timing differences are expected to reverse, based on the tax rates and laws that have been enacted or substantively enacted at the balance sheet date. Deferred tax is measured on a non-discounted basis

# Notes to the financial statements for the year ended 31 December 2007 (continued)

### 1 Statement of accounting policies (continued)

#### Deferred taxation (continued)

Deferred tax losses relating to the carry forward of unused tax losses are recognised to the extent that it can be regarded as more likely than not that future taxable profits will be available against which the unused tax losses can be utilised

#### **Decomissioning provision**

Provision is made for the net present value of the estimated cost of decommissioning the power station at the end of its useful life, based on price levels and technology at the balance sheet date

Changes in these estimates and changes to the discount rates are dealt with prospectively. When this provision gives access to future economic benefits, a decommissioning asset is recognised and amortised on a straight-line basis over the useful life of the facility. The unwinding of the discount on the provision is included in the profit and loss account within interest expense.

#### Operating leases

Rentals under operating leases are charged to the profit and loss account on a straight line basis over the lease term

### 2 Cash flow statements and related party disclosures

The company is a wholly-owned subsidiary of GB Gas Holdings Limited and is included in the consolidated financial statements of Centrica plc, which are publicly available. Consequently, the company has taken advantage of the exemption from preparing a cash flow statement under the terms of financial reporting standard 1 "Cash Flow Statements". The company is also exempt under the terms of financial reporting standard 8 "Related Party Disclosures" from disclosure of transactions with other companies that are part of the Centrica plc group.

## 3 Segmental reporting
