DIRECTORS' REPORT

The directors of Lombard Venture Finance Limited ("the Company") present their report together with the audited financial statements for the year ended 31 December 2016.

CHANGE IN REGISTERED OFFICE

On 20 July 2016, the registered office of the Company changed from 135 Bishopsgate, London, EC2M 3UR to 280 Bishopsgate, London, EC2M 4RB.

ACTIVITIES AND BUSINESS REVIEW

The Directors' Report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption and therefore does not include a Strategic Report.

Principal activity

The principal activity of the Company was the provision of credit finance by way of leasing.

FINANCIAL PERFORMANCE

The Company's financial performance is presented in the Profit and Loss Account on page 7. The profit before taxation for the year was £nil (2015: £7,000). The retained profit for the year was £nil (2015: £6,000).

At the end of the year total assets were £49,000 (2015: £63,000).

A dividend of £10,000 (2015: £nil) was paid during the year.

PRINCIPAL RISKS AND UNCERTAINTIES

The Company seeks to minimise its exposure to financial risks other than credit risk.

Management focuses on both the overall balance sheet structure and the control, within prudent limits, of risk arising from mismatches, including currency, maturity, interest rate and liquidity. It is undertaken within limits and other policy parameters set by the RBS Asset and Liability Management Committee (RBS ALCO).

The Company is funded by facilities from the Lombard North Central PLC. These are denominated in the functional currency and carry no significant financial risk.

The Company's assets mainly comprise loans and receivables which would expose it to interest rate and credit risk.

The principal risks associated with the Company are as follows:

Interest rate risk

Interest rate risk arises where assets and liabilities have different repricing maturities.

The financial assets of the Company consist of amounts due from group undertakings which do not have any significant interest rate risk as they are repayable on demand.

DIRECTORS' REPORT

PRINCIPAL RISKS AND UNCERTAINTIES (continued)

Credit risk

Credit risk is the risk that companies, financial institutions, individuals and other counterparties will be unable to meet their obligations to the Company.

All loans and receivables are with the parent undertaking. Although credit risk arises this is not considered to be significant and no amounts owed are past due.

Operational risk

Operational risk is the risk of unexpected losses attributable to human error, systems failures, fraud or inadequate internal financial controls and procedures. The Company manages this risk, in line with the group framework, through systems and procedures to monitor transactions and positions, the documentation of transactions and periodic review by internal audit. The Company also maintains contingency facilities to support operations in the event of disasters.

GOING CONCERN

The directors have taken into account their intention to wind up the Company within the next 12 months and have prepared the financial statements on an other than going concern basis. The directors do not consider this basis of preparation affects the valuation of the assets or liabilities of the Company.

DIRECTORS AND SECRETARY

The present directors and secretary, who have served throughout the year except where noted below, are listed on page 1.

From 1 January 2016 to date the following changes have taken place:

	Appointed	Resigned
Directors		
A Holden	-	01 July 2016
J Higginbotham	01 July 2016	21 February 2017
J A Pattara	07 February 2017	-

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare a Directors' Report and financial statements for each financial year. Under that law, the directors have elected to prepare the financial statements in accordance with Financial Reporting Standard (FRS) 101 Reduced Disclosure Framework, and must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs at the end of the year and the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether FRS 101 has been followed; and
- make an assessment of the Company's ability to continue as a going concern.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the Directors' Report and financial statements comply with the requirements of the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

DIRECTORS' REPORT

DISCLOSURE OF INFORMATION TO AUDITOR

Each of the directors at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the Company's auditor is unaware; and
- the directors have taken all the steps that they ought to have taken to make themselves aware of any relevant audit information, and to establish that the Company's auditor is aware of that information.

This confirmation is given and shall be interpreted in accordance with the provisions of section 418 of the Companies Act 2006.

INDEPENDENT AUDITOR

Ernst & Young LLP has expressed its willingness to continue in office as auditor.

Approved by the Board of Directors and signed on behalf of the Board.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LOMBARD VENTURE FINANCE LIMITED

We have audited the financial statements of Lombard Venture Finance Limited ('the Company') for the year ended 31 December 2016 which comprise the Profit and Loss Account, the Balance Sheet, the Statement of Changes in Equity and the related notes 1 to 11. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework'. These financial statements have been prepared on a basis other than going concern as disclosed in Note 1 to the financial statements.

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 101 'Reduced Disclosure Framework'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Directors' Report has been prepared in accordance with applicable legal requirements.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LOMBARD VENTURE FINANCE LIMITED

Matters on which we are required to report by exception

In light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have identified no material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; and
- the directors were not entitled to take advantage of the small companies' exemption from preparing a strategic report.

The accompanying notes form an integral part of these financial statements.

NOTES TO THE FINANCIAL STATEMENTS**1. Accounting policies****a) Preparation and presentation of accounts**

These financial statements are prepared:

- on a basis other than going concern; and
- under Financial Reporting Standard (FRS) 101. Reduced Disclosure Framework in accordance with the recognition and measurement principles of International Financial Reporting Standards issued by the International Accounting Standard Board (IASB) and interpretations issued by the International Financial Reporting Interpretations Committee of the IASB as adopted by the EU (together IFRS).

The Company meets the definition of a qualifying entity under FRS 100 Application of Financial Reporting Requirements issued by the Financial Reporting Council.

The Company is incorporated in the UK and registered in England and Wales and the financial statements are presented:

- in accordance with the Companies Act 2006;
- in Sterling which is the functional currency of the Company; and
- with the benefit of the disclosure exemptions permitted by FRS 101 with regard to:
 - comparative information in respect of certain assets;
 - cash-flow statement;
 - standards not yet effective;
 - related party transactions; and
 - disclosure requirements of IFRS 7 "Financial Instruments: Disclosure and IFRS 13 "Fair value Measurement".

Where required, equivalent disclosures are given in the group accounts of The Royal Bank of Scotland Group plc, these accounts are available to the public and can be obtained as set out in note 11.

The intention of the Board of Directors is to wind up the Company with the next 12 months. International Accounting Standard (IAS) 1 "Presentation of Financial Statements" requires the financial statements in such circumstances to be prepared on a basis other than going concern. The Directors do not consider that this has affected the recognition and measurement of the assets or liabilities of the Company and no material adjustments have arisen as a result of ceasing to apply the going concern basis.

Adoption of new and revised accounting standards

There are a number of IFRS that were effective from 1 January 2016. They have had no material effect on the Company's financial statement for the year ended 31 December 2016.

b) Revenue recognition

Revenue from finance leases is recognised in accordance with the Company's policies on leases (see below). Revenue arises in the United Kingdom from continuing activities.

Finance lease income is allocated to accounting periods so as to give a constant periodic rate of return before tax on the net investment. Unguaranteed residual values are subject to regular review, if there is a reduction in the estimated unguaranteed residual value, income allocation is revised and any reduction in respect of amounts accrued is recognised immediately.

Secondary period income is recognised in line with IAS 18 'Revenue' in the period which it occurs.

c) Taxation

Income tax expense or income, comprising current tax and deferred tax, is recorded in the profit and loss account except income tax on items recognised outside profit or loss which is credited or charged to other comprehensive income or to equity as appropriate.

Current tax is income tax payable or recoverable in respect of the taxable profit or loss for the year arising in income or in equity. Provision is made for current tax at rates enacted or substantively enacted at the balance sheet date.

NOTES TO THE FINANCIAL STATEMENTS

1. Accounting policies (continued)

c) Taxation (continued)

Deferred tax is the tax expected to be payable or recoverable in respect of temporary differences between the carrying amount of an asset or liability for accounting purposes and its carrying amount for tax purposes. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that they will be recovered. Deferred tax is not recognised on temporary differences that arise from initial recognition of an asset or liability in a transaction (other than a business combination) that at the time of the transaction affects neither accounting nor taxable profit or loss. Deferred tax is calculated using tax rates expected to apply in the periods when the assets will be realised or the liabilities settled, based on tax rates and laws enacted, or substantively enacted, at the balance sheet date.

d) Leases

Contracts to lease assets are classified as finance leases if they transfer substantially all the risks and rewards of ownership of the asset to the customer; all other contracts with customers to lease assets are classified as operating leases.

Finance lease receivables are stated in the balance sheet at the amount of the net investment in the lease being the minimum lease payments and any unguaranteed residual value discounted at the interest rate implicit in the lease.

e) Financial assets

On initial recognition, financial assets are classified into finance lease receivables or loans and receivables.

Loans and receivables

Loans and receivables are initially recognised at fair value plus directly related transaction costs. They are subsequently measured at amortised cost using the effective interest method less any impairment losses.

f) Impairment of financial assets

The Company assesses at each balance sheet date whether there is any objective evidence that a financial asset or group of financial assets classified as held-to-maturity, available-for-sale or loans and receivables is impaired. A financial asset or portfolio of financial assets is impaired and an impairment loss incurred if there is objective evidence that an event or events since initial recognition of the asset have adversely affected the amount or timing of future cash flows from the asset.

g) Derecognition

A financial asset is derecognised when the contractual right to receive cash flows from the asset has expired or when it has been transferred and the transfer qualifies for derecognition in accordance with IAS 39 "Financial Instruments : Recognition and Measurement".

h) Obligations under finance leases

Assets held under finance leases are recognised as assets at the present value of the minimum lease payments determined at the inception of the lease. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly to profit or loss.

2. Turnover

	2016 £'000	2015 £'000
Finance lease income	6	11

NOTES TO THE FINANCIAL STATEMENTS

3. Operating expenses

	2016 £'000	2015 £'000
Bad debt charge	2	1
Management fees	4	1
	<u>6</u>	<u>2</u>

Staff costs, number of employees and directors' emoluments

All staff and directors were employed by The Royal Bank of Scotland plc, the financial statements for which contain full disclosure of employee benefit expenses incurred in the period including share based payments and pensions. The Company has no employees and pays a management charge for services provided by other group companies. The directors of the Company do not receive remuneration for specific services provided to the Company.

Management recharge

Management fees payable relate to the Company's share of group resources such as the use of IT platforms, staff and a share of central resources as well as a share of costs associated with the run-down of the Company, including redundancy costs. These are re-charged by Lombard North Central PLC.

Auditor's remuneration

There was no charge in either the current or prior year's financial statements for auditor's remuneration as the fees of £6,000 (2015: £6,000) were charged in the financial statements of Lombard North Central PLC.

4. Finance costs

	2016 £'000	2015 £'000
Finance charges in respect of finance leases payable	-	2

5. Tax

	2016 £'000	2015 £'000
Current tax:		
UK corporation tax charge for the year	-	1

The actual tax charge does not differ from the expected tax charge computed by applying the UK corporation tax rate of 20% (2015: blended tax rate 20.25%).

In recent years the UK Government has steadily reduced the rate of UK corporation tax, with latest rates substantively enacted at the balance sheet date standing at 20% with effect from 1 April 2015, 19% from 1 April 2017 and 17% from 1 April 2020. The closing deferred tax assets and liabilities have been calculated taking into account that existing temporary differences may unwind in periods subject to the reduced rates.

Changes to UK tax rates and capital allowances announced up to 31 December 2016 are not expected to have a material effect on the company.

6. Ordinary dividends

The Company has one class of ordinary shares which carry no right to fixed income.

11. Related parties

UK Government

The UK Government through HM Treasury is the ultimate controlling party of The Royal Bank of Scotland Group plc. Its shareholding is managed by UK Financial Investments Limited, a company it wholly-owns and as a result, the UK Government and UK Government controlled bodies are related parties of the Company.

The Company enters into transactions with these bodies on an arms' length basis; they include the payment of taxes including UK corporation tax and value added tax; together with transactions undertaken in the normal course of business.
