DIRECTORS' RESPONSIBILITIES

United Kingdom company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the profit or loss of the company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

DIRECTORS' INTERESTS

No director had an interest in the shares of the company.

At the period end, the directors were also directors of the immediate parent undertaking, Royal Bank Leasing Limited, a company which is itself required to keep a register of directors' interests. The directors were not therefore required to notify their interests in the shares or debentures of The Royal Bank of Scotland Group plc group undertakings to the company.

POLICY AND PRACTICE ON PAYMENT OF CREDITORS

The company follows the policy and practice on payment of creditors determined by The Royal Bank of Scotland Group plc, as outlined below.

In the year ending 30 September 2005, the Group will adhere to the following payment policy in respect of all suppliers. The Group is committed to maintaining a sound commercial relationship with its suppliers. Consequently, it is the Group's policy to negotiate and agree terms and conditions with its suppliers, which includes the giving of an undertaking to pay suppliers within 30 days of receipt of a correctly prepared invoice submitted in accordance with the terms of the contract or such other payment period as may be agreed.

The proportion which the amount owed to trade creditors at 30 September 2004 bears to the amounts invoiced by suppliers during the year then ended equated to nil days proportion of 365 days (2003: nil days).

ELECTIVE RESOLUTIONS

Elective Resolutions electing to dispense with the requirement to hold annual general meetings, lay accounts before a general meeting and re-appointment of auditors annually were passed on 10 August 1999.

AUDITORS

Deloitte & Touche LLP have expressed their willingness to continue in office as auditors.

We have audited the financial statements of Lombard Plant Finance Limited for the year ended 30 September 2004 which comprise the profit and loss account, the balance sheet and the related notes 1 to 15. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or the opinions we have formed.

Respective responsibilities of directors and auditors

As described in the directors' report, the company's directors are responsible for the preparation of the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibility is to audit the financial statements in accordance with relevant United Kingdom legal and regulatory requirements and auditing standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the directors' report for the above year and consider the implications for our report if we become aware of any apparent misstatements.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 30 September 2004 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.
