BMO AM HOLDINGS LIMITED

STRATEGIC REPORT

The Directors present their Strategic Report for BMO AM Holdings Limited (the Company) for the year ended 31 October 2020. The Company is part of the BMO Global Asset Management (BMO GAM) business within the BMO Financial Group.

PRINCIPAL ACTIVITY

The principal activity of the Company is to act as a holding company.

BUSINESS AND FINANCIAL REVIEW

Results

The Financial Statements show a loss for the 2020 financial year of £145 (2019: loss of £2,723).

Trading performance and development of the business

The Company incurred no operating expenses in 2020 (2019: £3,023) and finance costs have decreased to £215 (2019: £346) resulting in a loss before tax of £215 for 2020 (2019: £3,369).

As the principal activity of the Company is to act as a holding company, the Company's Directors are of the opinion that analysis using key performance indicators is not necessary for an understanding of the development, performance or position of the business.

PRINCIPAL RISKS AND UNCERTAINTIES

The Directors manage the risks of the Company as part of the overall risk management framework within BMO GAM EMEA (Europe, the Middle East and Africa). Members of the BMO GAM EMEA Regional Committee are responsible for identifying and addressing any material or systematic issues or risks facing their areas of the business. The principal risks and uncertainties facing the Company are broadly grouped as follows:

Financial risk

The BMO Asset Management (Holdings) plc Group (the Group) adopts a low risk approach to treasury management and financial risks in relation to equity, seeking to manage and preserve its capital. The Group's treasury function ensures that sufficient cash is available to the Company in respect of short-term working capital requirements.

Investments in subsidiaries

The Company is exposed to financial risk as a significant element of the Company's assets relate to the carrying value of its investments in subsidiaries. Whilst any permanent reduction in the profits of these subsidiaries could lead to an impairment in the value of the Company's investments and have a potentially significant impact on the Company's financial results, the Directors consider that no impairment exists at the reporting date.

Market risk (interest rate risk)

The Company is exposed to interest rate risk through market fluctuations in the variable rate of interest, impacting interest payable on a loan owed to a group subsidiary which is subject to interest based on LIBOR rates.

BMO AM HOLDINGS LIMITED

STRATEGIC REPORT (continued)

Credit risk

The Company is exposed to credit risk if a counterparty to a financial instrument is unable to pay, in full, amounts when due. The Company is exposed to credit risk in relation to other receivables and cash and cash equivalents. Other receivables at the reporting dates are in respect of group relief receivable. As the Group's working capital is monitored on a group-wide basis, the risk of non-recovery is considered minimal.

The Group's treasury policy limits the exposure to any one counterparty (in respect of cash and cash equivalents), recognising that each counterparty has been approved by the BMO GAM Counterparty Credit Committee.

Liquidity risk

The treasury policy set by the Group only allows financial assets attributable to equity holders to be invested in low risk deposits or money market instruments where the risk of capital loss is low, with prior approval required for any exception to this principle.

The overall cash position is monitored by the treasury team within the Group as a whole and each individual company within the Group draws on the available cash balances to meet its working capital requirements.

While the Company has net current liabilities of £84,451,326 as at 31 October 2020 (31 October 2019: £84,451,201), it is recognised that these liabilities are intra-group with liquidity risk therefore considered to be low given the common overall ownership and control of the entities involved. BMO AM Group (Management) Limited, the Company's parent, and BMO AM Treasury Limited, a fellow Group subsidiary, have both provided a letter of comfort stating that they will not seek repayment of the loans owed to them over the course of the next 12 months from the date of the letter and approval of these Financial Statements. The loans are disclosed in note 11.

STATEMENT BY THE DIRECTORS IN PERFORMANCE OF THEIR STATUTORY DUTIES IN ACCORDANCE WITH S172(1) OF THE COMPANIES ACT 2006

Directors of the Company are required to act in a way that they consider, in good faith, to be most likely to promote the success of the Company for the benefit of its members as a whole. This requires the Directors to have regard to the:

- likely consequences of any decision in the long term;
- interests of the Company's employees;
- need to foster the Company's business relationships with suppliers, customers, and others;
- impact of the Company's operations on the community and the environment;
- desirability of the Company maintaining a reputation for high standards of business conduct; and
- need to act fairly as between members of the Company.

The principal activity of the Company is to act as a holding company for subsidiaries engaged in the management of investments. One of its subsidiaries, BMO Asset Management Limited, is a key regulated asset management company for the Group.

As part of an integrated financial services group, the Company's stakeholders are largely aligned with the key stakeholders in the wider BMO GAM EMEA business (GAM EMEA). GAM EMEA considers the views and interests of a wider set of stakeholders including its shareholders, regulators and counterparties.

STRATEGIC REPORT (continued)

Our Purpose

"To Boldly Grow the Good in Business and in Life"

BMO exists to drive change for good, both as a trusted adviser to clients and as a leader in our communities. We're not afraid to do the right thing, we challenge convention, and we strive to enable progressive growth for everyone.

The Purpose Statement

"**Boldly**" is about thinking big and acting confidently in the face of change; having the passion and conviction to move our business, our industry, and society forward; and our collective belief that no problem is too great to solve.

"**Grow**" shows we have ambition. At the core, we are builders. We aim for progress alongside profit and create value that extends far beyond the bottom line.

"**The Good**" is both our approach to and the outcome of our work – our ethical practices, our commitment to always do what's right, even when it's not easy, and the resulting returns when success is mutual and inclusive.

"**In Business and Life**" makes clear the connection to banking and the impact we make together with our employees, communities, and customers.

Directors are encouraged to consider BMO's Purpose (opposite) when taking key decisions.

Examples of how stakeholder interests were considered this year and, in the period prior to approval of the Financial Statements, are listed below:

Customers/clients – The Company does not have any clients or customers. Nevertheless, as a result of the COVID-19 pandemic, the Directors have had close focus on the impact of this on GAM EMEA's clients.

Employees – The Company has no employees, however, the Board is committed to supporting BMO's values and employees of the broader Group.

BMO continues to champion diversity and inclusion initiatives. Following the Black Lives Matter movement, increased focus was given to racial equity initiatives. This included strengthening our awareness and allyship through employee education as well as initiatives to improve to Black, Asian and Minority Ethnic representation through a culture of sponsorship and providing equitable opportunities in the talent pipeline. The Directors also received training on setting tone from the top with respect to gender and racial diversity and inclusion.

Community and Environment – The Group is committed to giving back to the communities in which it operates. The Directors are actively involved in fundraising and volunteering activities. This year, the Group helped raise funds for MacMillan Cancer Support, Ronald McDonald House and the St Barts Charity Appeal.

The Group is also committed to improving sustainability in its business operations. The Company's registered office at Exchange House has signed up to the 'Plastic Free City' Scheme and has achieved "Platinum" status. The electricity used at Exchange House is derived from 100 per cent renewable resources. Exchange House also maintains an ISO 14001 accreditation that sets out the requirements for an Environmental Management System. This system is used to identify and better manage the building's environmental aspects and impacts and helps BMO GAM EMEA to continually improve its environmental performance through a more efficient use of resources and reduction of waste.

BMO AM HOLDINGS LIMITED

REPORT OF THE DIRECTORS

The Directors present their Annual Report and audited Financial Statements for the year ended 31 October 2020.

RESULTS AND BUSINESS REVIEW

The Company's results for the year ended 31 October 2020 are shown in the Income Statement on page 10. A Strategic Report for the same period is set out on pages 2 to 4. The Company recognised a loss for the 2020 financial year of £145 (2019: loss of £2,723).

DIVIDENDS

No dividends were approved or paid during the year ended 31 October 2020 (2019: £nil).

FUTURE DEVELOPMENTS

The Directors do not anticipate any major change in the principal activities of the business within the foreseeable future.

GOING CONCERN

The Directors have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the Company to continue as a going concern.

On the basis of their assessment of the Company's financial position, the Directors have a reasonable expectation that the Company will be able to continue in operational existence for a period of at least 12 months from the date of approval of the Financial Statements.

DIRECTORS AND THEIR INTERESTS

The Directors of the Company during the financial year were as follows:

| | |
|------------|------------------------------|
| P J Doel | (appointed 19 February 2020) |
| D J Sloper | (resigned 16 January 2020) |
| R A Watts | |

There have been no appointments or resignations of Directors since 31 October 2020.

No individual Director has any beneficial interest in the share capital of the Company.

DIRECTORS' AND OFFICERS' LIABILITY

The Group maintains insurance cover in respect of Directors' and Officers' liability.

AUDITOR

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

BMO AM HOLDINGS LIMITED

REPORT OF THE DIRECTORS (continued)

ADEQUACY OF THE INFORMATION PROVIDED TO THE AUDITOR

The Directors who held office at the date of approving this Report of the Directors confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware, and each Director has taken all the steps that they ought to have taken as a Director in order to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

BMO AM HOLDINGS LIMITED

~~STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE STRATEGIC REPORT, THE REPORT OF THE DIRECTORS AND THE FINANCIAL STATEMENTS~~

~~The Directors are responsible for preparing the Strategic Report, the Report of the Directors and the Financial Statements in accordance with applicable law and regulations.~~

Company law requires the Directors to prepare financial statements for each financial year. Under that law they have elected to prepare the Financial Statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 101 Reduced Disclosure Framework.

Under company law the Directors must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these Financial Statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

BMO AM HOLDINGS LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BMO AM HOLDINGS LIMITED

Opinion

We have audited the Financial Statements of BMO AM Holdings Limited ("the Company") for the year ended 31 October 2020 which comprise the Income Statement, Statement of Financial Position, Statement of Changes in Equity and related notes, including the accounting policies.

In our opinion the Financial Statements:

- give a true and fair view of the state of the Company's affairs as at 31 October 2020 and of its loss for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 101 *Reduced Disclosure Framework*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the Company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Going concern

The Directors have prepared the Financial Statements on the going concern basis as they do not intend to liquidate the Company or to cease its operations, and as they have concluded that the Company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the Financial Statements ("the going concern period").

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least a year from the date of approval of the Financial Statements. In our evaluation of the Directors' conclusions, we considered the inherent risks to the Company's business model and analysed how those risks might affect the Company's financial resources or ability to continue operations over the going concern period. We have nothing to report in these respects.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the absence of reference to a material uncertainty in this auditor's report is not a guarantee that the Company will continue in operation.

Strategic Report and Report of the Directors

The Directors are responsible for the Strategic Report and the Report of the Directors. Our opinion on the Financial Statements does not cover those reports and we do not express an audit opinion thereon.

Our responsibility is to read the Strategic Report and the Report of the Directors and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the Financial Statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the Strategic Report and the Report of the Directors;
- in our opinion the information given in those reports for the financial year is consistent with the Financial Statements; and
- in our opinion those reports have been prepared in accordance with the Companies Act 2006.

BMO AM HOLDINGS LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BMO AM HOLDINGS LIMITED (continued)

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the Financial Statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

Directors' responsibilities

As explained more fully in their statement set out on page 7, the Directors are responsible for: the preparation of the Financial Statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Financial Statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

BMO AM HOLDINGS LIMITED

NOTES TO THE FINANCIAL STATEMENTS

1. ENTITY INFORMATION

BMO AM Holdings Limited is a private company limited by share capital, incorporated and domiciled in England. The Company's registered office is Exchange House, Primrose Street, London, EC2A 2NY.

These Financial Statements present information about the Company as an individual undertaking and do not include information about its group.

The Company has taken advantage of the exemption under section 400 of the Companies Act 2006 not to prepare group financial statements, as it is a wholly owned subsidiary of BMO Asset Management (Holdings) plc, which prepares consolidated Financial Statements. The results of BMO AM Holdings Limited are included in the consolidated Annual Report and Financial Statements of BMO Asset Management (Holdings) plc, which are available from 6th Floor, Quatermile 4, 7a Nightingale Way, Edinburgh, EH3 9EG.

The Company's Financial Statements are presented in Sterling, the Company's functional and presentational currency.

2. ACCOUNTING POLICIES

Basis of preparation

As the Company meets the definition of a qualifying entity under Financial Reporting Standard 100 *Application of Financial Reporting Requirements*, the Financial Statements have been prepared in accordance with Financial Reporting Standard 101 *Reduced Disclosure Framework* (FRS 101).

The Company has applied the recognition, measurement, disclosure and presentation requirements of international accounting standards in conformity with the requirements of the Companies Act 2006 (Adopted IFRSs), making amendments where necessary in order to comply with the Companies Act 2006.

In the application of FRS 101, the Company has taken advantage of the following disclosure exemptions:

- (a) Information regarding the entity's objectives, policies and processes for managing capital;
- (b) A Statement of Cash Flows and related notes;
- (c) Financial instruments disclosures;
- (d) The effects of new but not yet effective IFRSs;
- (e) Disclosures of key management personnel compensation; and
- (f) Disclosures in respect of related party transactions with wholly-owned subsidiaries.

Measurement convention

The Financial Statements are prepared under the historical cost convention.

Going concern

As part of the Directors' assessment of going concern they have considered, as best they can, the potential impact of COVID-19 on the Company. Due to the nature of the Company's activities, the Directors do not currently expect this to have a significant direct or indirect impact on the Company. Notwithstanding net current liabilities of £84,451,326 as at 31 October 2020, the Financial Statements have been prepared on a going concern basis which the Directors consider to be appropriate for the reasons outlined below.

The Company has net assets that support the Directors' assessment that the Company has adequate resources to continue in business for a period of at least 12 months from the date of approval of the Financial Statements. The Company continues to be reliant on BMO AM Group (Management) Limited, the Company's immediate parent, and BMO AM Treasury Limited, a fellow Group subsidiary, not seeking repayment of the loans owed to them, which at 31 October 2020 amounted to £84,461,722. BMO AM Group (Management) Limited and BMO AM Treasury Limited have both provided a letter of comfort stating that they will not seek repayment of the loans for at least 12 months from the date of the letters and approval of these Financial Statements. Accordingly, the Financial Statements have been prepared on a going concern basis.

BMO AM HOLDINGS LIMITED

NOTES TO THE FINANCIAL STATEMENTS (continued)

2. ACCOUNTING POLICIES (continued)

As with any company placing reliance on other group entities for financial support, the Directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these Financial Statements, they have no reason to believe that it will not do so.

New and amended standards and interpretations

Several new and amended standards and interpretations apply for the first time in the year ended 31 October 2020, but do not have an impact on the Company's Financial Statements. The Company has not early adopted any standards, interpretations or amendments that have been issued but are not yet effective.

Accounting estimates, assumptions and judgements

The preparation of financial statements necessitates the use of estimates, assumptions and judgements. These estimates, assumptions and judgements affect the reported amounts of assets, liabilities, contingent assets and contingent liabilities at the reporting dates as well as the reported income and expenses for the reporting periods. While estimates are based on management's best knowledge and judgement using information and financial data available to them, the actual outcome may differ from these estimates.

Significant estimation has been exercised in the impairment review of investments in subsidiaries as disclosed in note 7.

Summary of significant accounting policies

(a) Foreign currencies

Equity measured at historical cost in a foreign currency is translated using the exchange rate ruling at the date of transaction and is not subsequently restated.

(b) Finance costs

Finance costs comprise interest payable on a loan owed to a group subsidiary. These costs are recognised in the Income Statement on an effective interest rate (EIR) basis. The EIR is the rate that exactly discounts estimated future cash payments through the expected life of the financial instrument to its net carrying amount.

(c) Income tax

The income tax disclosed on the face of the Income Statement represents the aggregate of current tax and the movement in deferred tax.

Current tax is the expected tax payable to, or receivable from, the taxation authorities on the taxable profit or loss for the period, using tax rates enacted or substantively enacted at the reporting date, and includes any adjustment to tax payable in respect of previous years.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amount of assets and liabilities in the Financial Statements and the corresponding tax basis used in the computation of taxable profit or loss, accounted for using the reporting date liability method.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised, based on tax rates and laws enacted or substantively enacted at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

BMO AM HOLDINGS LIMITED

NOTES TO THE FINANCIAL STATEMENTS (continued)

2. ACCOUNTING POLICIES (continued)

(d) Investments in subsidiaries

Investments in subsidiaries are held at cost. The Company assesses investments in subsidiaries for impairment whenever events or changes in circumstances indicate that the carrying amount of an investment may not be recoverable. If any such indication of impairment exists, the Company makes an estimate of its recoverable amount. Where the carrying amount of an investment exceeds its recoverable amount, the investment is considered impaired and is written down to its recoverable amount.

(e) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i) Financial assets

Initial recognition and measurement

Financial assets are classified, at initial recognition, as debt instruments measured at amortised cost.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Company's business model for managing them. The Company initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs.

In order for a financial asset to be classified and measured at amortised cost, it needs to give rise to cash flows that are "solely payments of principal and interest (SPPI)" on the principal amounts outstanding. This assessment is referred to as the SPPI-test and is performed at an instrument level.

The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting cash flows, selling the financial assets or both.

Subsequent measurement

Subsequent to initial recognition, financial assets at amortised cost are measured using the EIR method. Gains and losses are recognised in the Income Statement when an asset is derecognised or impaired, as well as through the amortisation process. The Company's financial assets at amortised cost consist of group relief receivable and cash at bank.

Derecognition of financial assets

A financial asset or, where applicable, part of a financial asset, is derecognised when the rights to receive cash flows from the asset have expired.

Impairment of financial assets

The Company considers the requirement to recognise an allowance for expected credit losses (ECLs) for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate.

The Company considers a financial asset to be in default when contractual payments are past due. However, in certain cases, the Company may also consider a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

BMO AM HOLDINGS LIMITED

NOTES TO THE FINANCIAL STATEMENTS (continued)

2. ACCOUNTING POLICIES (continued)

ii) Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as trade and other payables. All financial liabilities are recognised initially at fair value and net of directly attributable transaction costs.

The Company's financial liabilities consist of loans owed to other Group subsidiaries and amounts owed to an intermediate parent company.

Subsequent measurement

Subsequent to initial recognition, financial liabilities are measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires.

(f) Cash and cash equivalents

Cash and cash equivalents comprise cash balances held in a current account with a bank.

(g) Share capital

Share capital is recorded at the proceeds of issue after deducting directly attributable transaction costs.

3. OPERATING EXPENSES

Operating expenses in 2019 consist of auditor's remuneration of £3,023. The audit fees for the year ended 31 October 2020 of £3,674 were paid by BMO Asset Management (Holdings) plc, an intermediate parent company and were not recharged to the Company.

The Company had no employees during the year ended 31 October 2020 (2019: nil).

4. DIRECTORS' REMUNERATION

The Company does not remunerate Directors, nor can their remuneration paid from elsewhere in the Group be apportioned meaningfully in respect of their services to the Company.

5. FINANCE COSTS

6. INCOME TAX

(a) Analysis of tax income in the year

The tax income recognised in the Income Statement is as follows:

| | Note | 2020 £ | 2019 £ |
|---|------|-------------|--------------|
| Current income tax: | | | |
| UK Corporation Tax | | | |
| Current tax on loss for the year | | (90) | (700) |
| Deferred tax: | | | |
| Origination and reversal of temporary differences | | 49 | 60 |
| Adjustments in respect of Corporation Tax rate change | | (29) | (6) |
| Total deferred tax | 8(b) | 20 | 54 |
| Tax income reported in the Income Statement | | (70) | (646) |

(b) Reconciliation of total tax income for the year

A reconciliation between the actual tax income and the accounting loss multiplied by the Company's domestic tax rate for the years ended 31 October 2020 and 31 October 2019 is as follows:

| | 2020 £ | 2019 £ |
|---|--------------|----------------|
| Loss before tax | (215) | (3,369) |
| Tax at the Company's statutory income tax rate of 19% (2019: 19%) | (41) | (640) |
| Corporation Tax rate change | (29) | (6) |
| Tax income reported in the Income Statement | (70) | (646) |

(c) Effective rate of tax and factors affecting future tax charges

The current Corporation Tax rate of 19% became effective from 1 April 2017, resulting in a statutory UK Corporation Tax rate of 19% for the year ended 31 October 2020 for the Company.

A future UK Corporation Tax rate reduction to 17% from 1 April 2020 was substantively enacted on 6 September 2016. The reduction in the UK Corporation Tax rate would have led to a Company statutory UK Corporation Tax rate of 17.83% for 2020 and 17% from 2021 onwards.

However, the Chancellor of the Exchequer's Budget on 11 March 2020 announced that the UK Corporation Tax rate would remain at 19% from 1 April 2020 rather than reduce to 17%, and this change was substantively enacted on 17 March 2020. The statutory UK Corporation Tax rate for the Company was therefore expected to remain at 19% from 2020 onwards.

In a further statement by the Chancellor of the Exchequer on 3 March 2021, it was announced that the UK rate of Corporation Tax will increase to 25% on 1 April 2023. This change was substantively enacted on 24 May 2021 and will result in a Company statutory UK Corporation Tax rate of 22.52% for 2023 and 25% from 2024 onwards.

7. INVESTMENTS IN SUBSIDIARIES

£

Cost and net book value:

At 1 November 2018, 31 October 2019 and at 31 October 2020

176,794,495

The Directors assess the Company's investments in subsidiaries for impairment whenever events or changes in circumstances indicate that the carrying amount of the investment may not be recoverable.

The carrying value of the Company's investments in subsidiaries was tested for impairment at the reporting date. The most significant estimates, assumptions and judgements applied to the value in use calculation relate to the future levels of net cash flows and the discount rate and perpetuity growth rate applied to those cash flows.

This review determined that the carrying value of the investments in subsidiaries was not impaired at 31 October 2020 and no impairment loss was recognised during the year.

Details of the Company's subsidiaries and joint arrangement are as follows:

| Company name | Share class | Percentage interest and voting rights | Country of incorporation |

8. DEFERRED TAX ASSETS

(a) Recognised deferred tax assets

Deferred tax assets are attributable to the following:

| | 31 October 2020 | 31 October 2019 |
|-------------------------------|-----------------|-----------------|
| | £ | £ |
| Property, plant and equipment | 224 | 244 |

Based on profit forecasts, the Directors believe it is appropriate to recognise a deferred tax asset as it is considered probable that there will be suitable future taxable profits within the Group from which the underlying temporary differences can be deducted. Under current UK Corporation Tax legislation, the temporary differences mentioned above can be carried forward indefinitely to utilise against future profits within the Group.

8. DEFERRED TAX ASSETS (continued)

(b) Movement in temporary differences during the year

| | Note | 2020 £ | 2019 £ |
|--------------------------------|------|------------|------------|
| Property, plant and equipment: | | | |
| At 1 November | | 244 | 298 |
| Charged to profit or loss | 6(a) | (20) | (54) |
| At 31 October | | 224 | 244 |

9. OTHER RECEIVABLES

| | 31 October 2020 £ | 31 October 2019 £ |
|-------------------------|-------------------------|-------------------------|
| Current: | | |
| Group relief receivable | 790 | 1,388 |

In the Directors' opinion there is no discernible difference between the carrying amount and fair value of the receivable balance disclosed.

10. CASH AND CASH EQUIVALENTS

| | 31 October 2020 £ | 31 October 2019 £ |
|--------------|-------------------------|-------------------------|
| Cash at bank | 9,606 | 9,606 |

Cash and cash equivalents are held for the purpose of meeting short-term cash commitments rather than for investment or other purposes.

The Company determined that the expected credit losses on cash and cash equivalents were immaterial at both reporting dates. The fair value of cash and cash equivalents at the reporting dates is as shown above.

11. LOANS AND BORROWINGS

| | 31 October 2020 £ | 31 October 2019 £ |
|-------------------------------|-------------------------|-------------------------|
| Current: | | |
| Loan owed to immediate parent | 84,399,384 | 84,399,384 |
| Loan owed to group subsidiary | 62,338 | 59,788 |
| | 84,461,722 | 84,459,172 |

The £84,399,384 (31 October 2019: £84,399,384) loan is owed to BMO AM Group (Management) Limited, the Company's immediate parent. The loan is unsecured, repayable on demand and is not subject to interest.

The £62,338 (31 October 2019: £59,788) loan is owed to BMO AM Treasury Limited, a Group subsidiary. The loan is unsecured, repayable on demand and is subject to interest at the 3-month LIBOR minus 0.25% margin.

In the Directors' opinion there are no discernible differences between the carrying amounts and fair values of the balances disclosed due to the short-term maturities of these amounts.

The Euro and Sterling denominated Ordinary shares entitle the holder to equal rights to receive dividends as declared from time to time, to equal capital distribution rights (including on a winding-up), and to one vote per share at meetings of the Company. These Ordinary shares do not confer any rights of redemption.

14. RESERVES

The analysis of movements in reserves is disclosed within the Statement of Changes in Equity on page 12.

Nature and purpose of reserves:

Share premium account

The share premium account is used to record the issue of share capital in excess of par value.

Retained earnings

Movements in retained earnings comprise net profits and losses recognised through the Income Statement and dividend distributions to equity holders.

NOTES TO THE FINANCIAL STATEMENTS (continued)

15. ULTIMATE PARENT COMPANY AND CONTROLLING PARTY

The Company's immediate parent is BMO AM Group (Management) Limited, a company registered in England.

The smallest group of which the Company is a member and for which Group Financial Statements are prepared is BMO Asset Management (Holdings) plc. Copies of the BMO Asset Management (Holdings) plc Annual Report and Financial Statements can be obtained from its registered office at 6th Floor, Quatermile 4, 7a Nightingale Way, Edinburgh, EH3 9EG.

The Company's ultimate parent company and controlling party is Bank of Montreal, a company incorporated in Canada. The consolidated financial statements of Bank of Montreal are available from Corporate Communications Department, BMO Financial Group, 28th Floor, 1 First Canadian Place, Toronto, Ontario, M5X 1A1.

16. EVENTS AFTER THE REPORTING PERIOD

On 12 April 2021, BMO announced that agreement had been reached to sell its asset management business in EMEA to Ameriprise Financial, Inc (Ameriprise), which is incorporated in Delaware, United States of America. The Company is part of the BMO Global Asset Management (Europe) Group (BMO GAM E Group), which forms a significant element of BMO's asset management business in EMEA. Therefore, as part of the broader transaction agreed with BMO, the BMO GAM E Group will transfer to become part of the Columbia Threadneedle Investments asset management business within Ameriprise.

The proposed transaction is subject to the satisfaction of certain regulatory approvals and other conditions. It is currently expected that this transaction would complete before the end of the 2021 calendar year.

While the proposed acquisition has had no impact on the Company's results for the year to 31 October 2020, or the financial position at that date, it could impact the results of the Company for the year to 31 October 2021 and beyond. Once the transaction completes, Ameriprise is expected to become the Company's ultimate parent.
