## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

---

### 1 Accounting policies

#### Company information

Arla Foods UK Services Limited is a private company limited by shares incorporated in England and Wales. The registered office is Arla House, 4 Savannah Way, Leeds Valley Park, Leeds, West Yorkshire, LS10 1AB. The Company's principal activities and nature of its operations are disclosed in the Directors' report.

#### 1.1 Accounting convention

The financial statements have been prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101) and in accordance with applicable accounting standards.

The financial statements are prepared in sterling, which is the functional currency of the Company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, except as disclosed in the accounting policies set out within these financial statements. The principal accounting policies adopted are set out below.

As permitted by FRS 101, the Company has taken advantage of the following disclosure exemptions from the requirements of IFRS:

- inclusion of an explicit and unreserved statement of compliance with IFRS;
- presentation of a statement of cash flows and related notes;
- disclosure of the objectives, policies and processes for managing capital;
- disclosure of key management personnel compensation;
- disclosure of the categories of financial instrument and the nature and extent of risks arising on these financial instruments;
- the effect of financial instruments on the statement of comprehensive income;
- comparative period reconciliations for the number of shares outstanding and the carrying amounts of property, plant and equipment, intangible assets, investment property and biological assets;
- disclosure of the future impact of new International Financial Reporting Standards in issue but not yet effective at the reporting date;
- comparative narrative information;
- for financial instruments, investment property and biological assets measured at fair value and within the scope of IFRS 13, the valuation techniques and inputs used to measure fair value, the effect of fair value measurements with significant unobservable inputs on the result for the period and the impact of credit risk on the fair value; and
- related party disclosures for transactions with the parent or wholly owned members of the Group.

Where required, equivalent disclosures are given in the group accounts of Arla Foods amba, available to the public and can be obtained as set out in note 6.

The Company has taken advantage of the exemption under section 400 of the Companies Act 2006 not to prepare consolidated accounts. The financial statements present information about the Company as an individual entity and not about its group.

#### 1.2 Going concern

The Company is dormant, having ceased trading in a prior year. The Directors intend to dissolve the Company when circumstances allow. Having considered the requirements of IAS 1 Presentation of Financial Statements, the Directors concluded that it is inappropriate to prepare the financial statements on a going concern basis. However, with no transactions during the year and very limited outstanding balances, not applying the going concern basis has had no impact on the preparation of the financial statements. In practice, the accounting policies have been applied in accordance with the normal recognition and measurement requirements of FRS 101.
