DIRECTOR'S REPORT

FOR THE YEAR ENDED 31 DECEMBER 2021

The director presents his annual report and financial statements for the year ended 31 December 2021.

Principal activities

The principal activity of the company continued to be that of holding the superior lease of the property known as Kings Court, Hamlet Gardens, London, W6 0RN.

In recent years the company has been obliged to grant lease extensions, as a result of which it receives a fixed sum in compensation, but is responsible for continuing ground rent liability.

The proceeds are invested for future growth. A provision for future ground rent liabilities is made, based on compensation receivable plus investment income and gains, less ground rent actually paid. The director is unable to determine how closely this provision matches the ultimate liability.

Investments are stated at cost. The market value of investments as at 31 December 2021 was £1,529,889.

During the year, the company paid administrative fees of £17,588 (2020: £14,508) to a business controlled by the director.

Director

The director who held office during the year and up to the date of signature of the financial statements was as follows:

K Karol

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption.
