STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit or loss of the company for that period.

In preparing those financial statements, the directors are required to:

- * select suitable accounting policies, apply them consistently and state them in the financial statements;
- * make judgements and estimates that are reasonable and prudent;
- * indicate when the financial statements are prepared for the company other than on the basis of a going concern.

The directors are responsible for keeping proper books of account with respect to the company's transactions and its assets and liabilities and for maintaining a satisfactory system of control over the company's books of account and transactions to ensure that the accounts comply with Companies Act 1985. The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS' REPORT TO THE MEMBERS

We have audited the financial statements on pages 5 and 6 which have been prepared under the accounting policies set out on page 6.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND AUDITORS

As described on page 3 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

BASIS OF OPINION

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

OPINION

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 30 June 1995 and of the result for the year then ended and have been properly prepared in accordance with the Companies Act 1985.
