#### 2. AIMS, OBJECTIVES AND PLANS

#### **Objects**

The charity's objects, set out in the memorandum and articles of association, are to promote any charitable purpose for the benefit of the community primarily but not exclusively within Staffordshire, by the advancement of education, the protection and preservation of health and the relief of poverty, sickness and distress.

#### Strategies and Plans for the Year

Staffordshire North & Stoke on Trent Citizens Advice Bureaux aims to provide free, confidential, impartial and independent advice and information for the benefit of the local community, to ensure individuals receive the advice they need to deal with the problems they face and to use their experience of legislative and administrative problems to influence the development of social policies and services.

Locally, Staffordshire North & Stoke on Trent Citizens Advice Bureaux has interpreted these aims to focus on the relief of poverty and promotion of equality through advice work and addressing the causes of poverty and inequality through campaigning to change social policies, engaging in partnership working and supporting communities.

In April 2020 the Trustee Board adopted a new 3 year strategic plan and accompanying Business and Development Plan around four strategic themes. In doing so the Trustees have considered the relevant guidance on public benefit to ensure that the activities we undertake help us to deliver our aims and objectives and benefit the people we serve.

The four main strategic themes reflect our understanding of the needs of our enquirers and those people from the area's poorest communities who currently do not get the advice they need.

**Access:** We are committed to improving access to advice by maintaining existing services and developing new services to make getting advice easier, meet emerging needs, meet the needs of excluded groups, support collaboration with partners, support people to develop skills and confidence and promote earlier intervention.

**Equality & Diversity**: This plan commits the organisation to becoming a champion of diversity and equality, not only in the services it delivers and our ability to engage with hard to reach groups, but also in our own systems and practices. We aim to broaden access as far as possible reducing, where we can, the barriers which people face in accessing services.

**Resilience:** In recognition of the challenging financial climate the organisation will pay special attention to ensuring it is resilient in the future.

**Influence:** The advice queries we deal with on a day to day basis provide us with a valuable body of evidence showing how social policies and legislation impact on the lives of the poorest and most disadvantaged. We will use this to lobby for changes in the services and laws which create many of the problems we are called upon to solve.

#### 3. ACHIEVEMENTS AND PERFORMANCE – HOW WE DELIVER PUBLIC BENEFIT

# In 2019/20 we achieved the following under these themes: Access

*Outreach*: In Stoke-on-Trent we offered debt advice to council tenants in rent arrears at many of the city council's local centres and delivered advice in accessible locations across the city as part of the citywide advice contract commissioned by Stoke-on-Trent City Council, which started in April 2018.

The Potteries Gold project ran a series of outreach clinics with partner agencies across Stokeon-Trent, to inform and advise local residents of the implications of welfare reform.

In Newcastle-under-Lyme we have maintained our services in Kidsgrove.

We also provided advice and support to people claiming Universal Credit at Job Centres across

North Staffordshire as part of the Help to Claim Service.

*Telephone advice:* During 2019/20 around 6,550 calls from people in our area were answered by the Citizens Advice Service Adviceline.

2019/20 was our third full year as a local delivery centre for Citizens Advice's national consumer helpline. This project will not contribute to local statistics, as the figures are recorded nationally. During the year we answered 117,000 calls. The service as a whole provided advice to 3,270 people from North Staffordshire.

Webchat: we have delivered consumer advice, debt advice and advice as part of the Help to Claim Service via webchat and are delivering it as a core generalist activity. We delivered the following webchats in 2019/20: Consumer: 5,323; Debt: 4,564; Help to Claim: 620

Increased Generalist Advice: - we have maintained a full drop-in and appointment service at our three main offices.

Working with our national association we have delivered the face to face element of the Help to Claim service, supporting people to make successful claims for Universal Credit also at our offices across Stoke-on-Trent, Newcastle-under-Lyme and Biddulph.

New Migrants: we have maintained our service aimed at advising refugees and people seeking asylum. Delivering support under the Migrant Support Service contract we hold jointly with Concrete (part of Honeycomb Charitable Services) as well as supporting families to access education through the Children in Need and Henry Smith Trust funded Into Schools project.

People with Disabilities: Demand for our service has been significant amongst people in receipt of disability benefits, especially as those benefits change with the Government's welfare reforms. In particular we advised many people affected by the replacement of Disability Living Allowance

with Personal Independence Payments and the Employment and Support Allowance assessment process.

Young People: We maintained usage by young people (7% of people using our services are under 25);

Advice and support to victims of crime: 2019/20 was the fourth and final year of the Staffordshire Victim Gateway, delivered in partnership with Citizens Advice Staffordshire South West. During the year the Gateway received more than 50,000 referrals and self-referrals. We are delighted that the Staffordshire Commissioner for Police, Fire and Rescue and Crime has recommissioned the service for potentially five further years from April 2020.

#### Influence

Partnerships: We maintained our presence in many local partnerships where we contributed to area-wide discussions and developments and sought to influence the practice of partners. These included maintaining a leading role in Challenge North Staffs and interagency groups planning services for refugees and people seeking asylum. We have taken a leading role in the North Staffordshire Advice Network and Coordinate the Staffordshire Restorative Justice partnership.

We have continued to feed our experience into the Stoke-on-Trent Wider Welfare Reform Group and the Stoke-on-Trent Hardship Commission. Our Potteries Gold project has enabled us to inform and support local communities about welfare reforms and how they will be affected by them. Securing a Help to Claim Best Practice Lead will enable us to influence the local roll out of Universal Credit in the next year and a quarter.

Research & Campaigning: We contributed evidence to several Citizens Advice national issues, by submitting evidence forms. We participated in Big Energy Saving Week and Scams awareness month to raise consumer awareness of both issues across North Staffordshire. We have raised many social policy issues locally with service providers, including Help to Claim, benefit sanctions and the Community Energy Scheme.

#### **Equality and Diversity**

We have:

- Maintained levels of diversity amongst staff and volunteers;
- Sustained our services to excluded groups such as refugees and people seeking asylum; victims of discrimination and victims of crime;
- Worked closely with other local and regional agencies to address issues affecting these client groups;
- Continued to be a leading partner in Challenge North Staffs delivering casework to the victims of hate crime:
- Delivered a financial capability project specifically aimed at deaf people.

#### **Activities**

To achieve our objectives we provided advice, information and support to the public throughout 2019/20. These services were provided from our main offices and from a range of outreach venues chosen to enable people who cannot travel to the town and city centres to access advice.

The advice we gave aimed to help people deal with a wide range of issues and problems they faced. Many issues dealt with in 2019/20 arose from factors that have emerged from changes to the labour market and the government's continuing welfare reform programme.

Increasing the income of some of the poorest local people remained a priority. We did this by encouraging the take up of welfare benefits, helping people challenge decisions they disagreed with and accessing other payments. This is money which will benefit the poorest people in the community and be spent within the beneficiaries' local communities.

#### In 2019/20 Staffordshire North and Stoke on Trent Citizens Advice Bureaux:

- Provided full advice via our mainstream services to 17,971 (up 32% on 2018/19) people
- Answered a further 6,028 simple queries;
- Dealt with 57,602 brand new advice issues (up 37% on 2018/19)
- Which generated 63,055 contacts
- Our debt advisers helped 3,542 people with 15,352 debts totalling £17,457,896
- 4,493 people received advice on their debts from us as part of the national debt webchat service (up 47% on last year)
- 749 people received support to develop their financial skills through training and support
  on energy choices, money management and managing credit through the Potteries
  Moneywise project, funded by the National Lottery, Comic Relief and energy related
  funding.
- The Housing team provided specialist housing advice and casework to 705 people.
- And represented 325 people at county court hearings.
- Helped people access £5.4 million of extra income and other financial gains.
- Helped people benefit from £3.5 million of written off debt.
- Provided advice and information to 20,000 victims of crime
- Provided in depth support to 450

We have maintained our support to people facing serious welfare benefits problems, despite the loss of legal aid for this area of work by developing projects specifically targeted at working with groups and the frontline staff who support them. Our work with VOICES is the main example of this.

The Potteries Gold project, funded by the National Lottery Community Fund, helps us to increase the knowledge and understanding of welfare reforms amongst local people but provides only limited scope for direct one to one advice work.

Despite the ending of the funding from the Wider Welfare Reform Group we have maintained some training to frontline staff across the public and voluntary sectors on the welfare changes, in particular the roll out of Universal Credit.

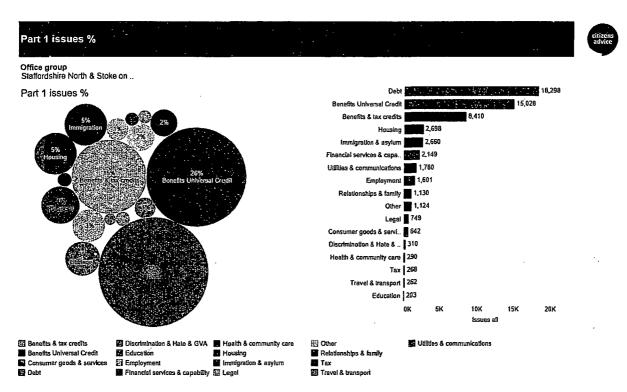

The range of advice issues we have addressed is shown in the graphic below. Not surprisingly the largest category is debt within the national Citizens Advice classification system, which remains a pressing problem for many people in the area. As well as addressing individual debt issues through advice, we have been working closely with partners in the Financial Inclusion

Group to develop plans to increase the capacity of local organisations significantly to address the issues of debt and financial exclusion that are so prevalent locally.

Welfare benefits remains a significant cause of problems for many people. 2019/20 saw the first full year of Help to Claim Service. The service is funded by Citizens Advice using a grant from the DWP.

The service is organised nationally with phone calls and webchats being dealt with on a national basis but face to face advice in local offices, Job Centres and other venues has been delivered by local Citizens Advice organisations across the country. In North Staffordshire 3,673 people claiming Universal Credit (UC) at local Job Centres were advised by Help to Claim: 1,707 by Staffordshire North and Stoke-on-Trent CABx and 1,966 by other local Citizens Advice offices, mainly by phone, email or webchat.

Taken together Universal Credit and other enquiries about benefits and tax credits were the most common issues brought to us, slightly ahead of debt. This is the first time the combined benefits categories have been larger than debt for many years and represents the impact Universal Credit has had on client need.

#### **Who Uses Our Services**

The following enquirer profile for the local service demonstrates that the people we see tend to be poorer, more likely to be suffering poor health and more likely to live in rented housing than the population at large. The profile is for clients using all of our services.

Δ	a	e
_	м	C

69.42%	8.29%	7.87%	7.79%	4.73%	1.60%

#### Contribution of Volunteers

The charity receives invaluable help and support in the form of voluntary assistance in advising the public and administering the charity. We estimate the financial value of this help at £380,126 or the financial year 2019/20.

#### **Factors Affecting the Achievement of Objectives**

The organisation is well aware of the financial pressures experienced by its major funders, and in view of this has taken active measures to seek additional sources of funding for its services.

The organisation is also well aware of the principal strategic issues which will affect the achievement of its objectives, and seeks to influence local strategies through its presence in local partnerships, and keeps abreast of national strategies via contact with relevant national bodies, such as the Legal Services Commission.

#### 4. FUTURE PLANS

Staffordshire North & Stoke on Trent Citizens Advice Bureaux updated the new strategic plan in May 2020. The plan focuses on the 4 themes of:

#### Access

- Extending how we give advice;
- o Increasing the range and depth of advice given;
- o Developing or extending services to excluded groups;
- Working with partners to improve access to advice;
- Support clients to develop capability and confidence;
- Allow us to intervene at the earliest point.

- Equality & Diversity (E&D)
  - Improving access to advice for excluded groups;
  - o Using our influence to promote E&D;
  - o Championing E&D as an employer, service provider and host of volunteers.

#### Resilience

- o Strengthening our financial position and financial management;
- o Strengthening our ICT infrastructure
- o Ensuring our staff are properly, trained, supported and managed.

#### Influence

- o Participating in national campaigns;
- o Developing local campaigns;
- o Developing our media presence;
- Maintaining and building our partnership presence;
- o Building our training offer to influence practice;

The Trustee Board reviewed this strategy in September 2020 in light of plans for recovering from the COVID-19 lockdown and changes required to our operating model, premises and infrastructure to ensure we can continue to deliver advice and influence in a COVID-secure way in the future and meet the new demands and challenges that emerge in the future. The main objectives remain the same, how we achieve them may well change over time.

#### 5. FINANCIAL REVIEW

#### **Financial Position**

There was a net inflow of funds in 2019/20 of £228,305. This represented a net inflow on unrestricted funds of £203,126 and a net inflow on restricted funds of £25,179. The Trustee Board recognises the need to provide for risks such as redundancy and building repairs and have decided to designate our surplus funds as follows: £50,000 towards building repairs, £49,665 towards general contingencies £50,000 towards IT re-provision and £324,151 towards the cost of potential redundancies.

#### **Reserves Policy**

The Board of Directors recognises the importance of establishing the long term financial sustainability of the organisation, especially in a funding environment which relies on short term, time-limited funding.

The Board of Directors believes that one way of achieving this is to establish reserves to enable the organisation to survive the vagaries of short term funding.

Consequently, the Board of Directors is required to ensure that monies are available in each financial year to meet any reasonable foreseeable contingency. They believe an amount of not less than £600,000 will be adequate. They have also designated funds for the following purposes: staffing costs (mainly redundancy costs), building repairs and general contingencies.

They will ensure that the financial performance of the organisation is subject to regular scrutiny.

They aim to maintain a projection of income for at least 3 years ahead (although they recognise the difficulty of this in the current climate) and will ensure that this continues to be derived from as wide a variety of sources as possible. They will take all necessary steps to ensure that at no time within the period would it be possible for the cessation of any one funding stream to present so serious a challenge to the future of the organisation that it could not be managed so as to continue to provide a best value advice service.

#### **Principal Funding Sources**

The Directors extend their gratitude to Stoke on Trent City Council who continued to support the core advice service. Newcastle-under-Lyme Borough Council, Staffordshire Moorlands District Council and Biddulph Town Council have all maintained their support, for which we are very grateful. The Money and Pensions Service's funding for face to face debt advice (administered by Citizens Advice) significantly increases our capacity to offer this essential service.

Additionally project-specific funding was received from a wide range of sources who are detailed at notes 17 and 18 to the accounts. This year the contract secured to deliver consumer advice is the most significant new source of income. We continue to receive valuable support from the Big Lottery Fund and the Office of the Police and Crime Commissioner for Staffordshire.

The charity did not have any borrowings from either providers of funding or other sources at the balance sheet date.

#### **Funds in Deficit**

There are no funds in deficit at the period end.

#### **Investment Activities**

The charity does not currently hold material investments.

#### **Investment Policy**

As required in its Memorandum paragraph 4.11, in furtherance of its objects, and for no other purposes, the Company has the power to invest the monies of the Company not immediately required for its purposes in or upon such investments, securities or property as may be thought fit, subject nevertheless to such conditions and such consents as may for the time being be imposed or required by law.

#### 6. STRUCTURE, GOVERNANCE AND MANAGEMENT

#### **Governing Document**

Staffordshire North & Stoke on Trent Citizens Advice Bureaux is a registered charity and a company limited by guarantee. The maximum liability of each member is limited to one pound. At 31 March 2020 the company had 12 members. Staffordshire North & Stoke on Trent Citizens Advice Bureaux is governed by its Memorandum and Articles of Association as amended in September and November 2004 and April 2013.

Staffordshire North & Stoke on Trent Citizens Advice Bureaux was incorporated as a company limited by guarantee on 11 July 1989. The charity commenced operations on 11th July 1989 at which date the assets and liabilities of the unincorporated Stoke on Trent and Longton Citizens Advice Bureaux were acquired. In April 2013 the assets of Biddulph and Newcastle-under-Lyme and Kidsgrove CABx

were also transferred to the company.

In April 2016 following a national rebranding exercise Staffordshire North and Stoke-on-Trent Citizens Advice Bureaux adopted the operating title of Citizens Advice Staffordshire North & Stoke-on-Trent.

#### **Recruitment, Appointment of Trustees**

Trustees, who are also Directors of the Company, are elected from the local community at the Annual Public Meeting. The Trustee Board oversees the elections process for Trustee and Officer appointments. A separate process agreed by the Trustee Board is followed for the election of the Chair, Vice Chair and Treasurer. No persons or bodies external to the charity are entitled to appoint persons to the Trustee Board.

#### Induction of Trustees

Newly appointed Trustees are provided with a comprehensive induction through the provision of training, visits to observe activities and mentoring by established Trustees or the Chief Executive.

#### **Organisational Structure**

Staffordshire North & Stoke on Trent Citizens Advice Bureaux is governed by its Trustee Board which is responsible for setting the strategic direction and the policy of the charity.

The Trustee Board carries the ultimate responsibility for the conduct of Staffordshire North & Stoke on Trent Citizens Advice Bureaux and for ensuring that the charity satisfies its legal and contractual obligations. The Trustee Board meets as a minimum quarterly and delegates the day-to-day operation of the organisation to a senior management team, of Chief Executive and five managers. The Trustee Board is independent from management.

The Trustee Board has four sub-committees. The Finance sub-committee receives reports on the organisation's financial position and advises the Management Team on issues of fundraising and financial management. The Personnel sub-committee considers issues relating to staffing matters and advises the Management Team on personnel issues. The Officers group advises the Chief Executive on strategic issues, takes responsibility for governance issues and organisational development. The Estates group looks at issues affecting our premises and advises the Board on their maintenance. All sub-committees report to the Trustee Board.

Decisions relating to senior staff pay are taken by the Trustee Board based on our local pay scales, recommendations received from the personnel sub-committee and other advice, benchmarking or examples of good practice as may be appropriate and helpful at the time.

#### **Related Parties**

Staffordshire North & Stoke on Trent Citizens Advice Bureaux is a member of Citizens Advice, the operating name of the National Association of Citizens Advice Bureaux, which provides a framework of standards for advice and casework management as well as monitoring progress against these standards. Operating policies are independently determined by the Trustee Board of Staffordshire North and Stoke on Trent Citizens Advice Bureaux in order to fulfil its charitable objects and comply with the national membership requirements.

The charity also co-operates and liaises with a number of other statutory and voluntary agencies on behalf of enquirers. Where one of the Trustees holds the position of trustee/director of another

charity they may be involved in discussions regarding that other charity but not in the ultimate decision-making process.

#### Major risks and statement of controls

The Trustees recognise that any major risks to which the charity is exposed need to be reviewed and systems put in place to mitigate those risks. To that end Staffordshire North & Stoke on Trent Citizens Advice Bureaux has a risk management strategy and risk register. The approach identifies risks, rates them, agrees a strategy for avoiding or mitigating them and reviews the rating and effectiveness of mitigation. Day to day management of risk is delegated to the senior management team led by the Chief Executive.

The risk register was reviewed and agreed by the Trustee Board at its meeting on 3<sup>rd</sup> August 2020. Each area was looked at in turn and the rating and response confirmed or amended.

A key external risk is the loss of funding. The effects of this have been mitigated by the diversification strategies and control procedures in place, resulting in funding being secured from a variety of sources. Internal financial risks are minimised by the implementation of procedures for authorisation of all transactions and projects and to ensure consistent quality of delivery for all operational aspects of the charitable company. Operational procedures are reviewed regularly to ensure that they still meet the needs of the charity.

The current risk assessments and risk register also address the risks associated with the COVID-19 pandemic and include the measures we have taken to ensure we operate in a way that minimises the risks to employees, volunteers and clients.

The Trustees have also adopted an Information Risk policy to supplement the main risk management approach. This recognises the significance of information risks to the organisation and its clients, especially since the launch of the Staffordshire Victim Gateway, and reflects the steps that are being taken to manage these risks. A new section has been added to the risk register to reflect the specific information risks that have been identified. This will be monitored quarterly by the senior management team.

#### 7. STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees (who are also directors of Staffordshire North & Stoke on Trent Citizens Advice Bureaux for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year, under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for the year. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;

- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

This report has been prepared in accordance with the Statement of Recommended Practice – Accounting and Reporting by Charities and in accordance with the provisions applicable to small companies under the Companies Act 2006. The report was approved by the Trustees and signed on its behalf.

Mr R. J. Pemberton - Chair

Date: 16th November 2020

# Independent Auditors' report on the financial statements to the Members of Staffordshire North & Stoke-on-Trent Citizens Advice Bureaux.

We have audited the financial statements of Staffordshire North and Stoke-on-Trent Citizens Advice Bureaux for the year ended 31 March 2020 which comprise the Statement of financial activities (incorporating income and expenditure account), Balance sheet Cash-flow statements and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

#### Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2020, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- · have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### Other information

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

# Independent Auditors' report on the financial statements to the Members of Staffordshire North & Stoke-on-Trent Citizens Advice Bureaux.

We have nothing to report in this regard.

#### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report (incorporating the directors report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

#### Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made.
- · we have not received all the information and explanations we require for our audit: or
- the Trustees were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemption from the requirement to prepare a strategic report or in preparing the Trustees' report.

#### Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on pages 11 and 12, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

# Independent Auditors' report on the financial statements to the Members of Staffordshire North & Stoke-on-Trent Citizens Advice Bureaux.

#### Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the financial statements for the year ended 31 March 2020

#### 1. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

#### a) Company status

The Charity is a company limited by guarantee incorporated & domiciled in England & Wales. The members of the Charity are the Trustees named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the Charity. The Registered Office is Advice House Cheapside Hanley Stoke on Trent ST11HL.

#### b) Basis of preparation

The Charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Charities Act 2011, The Companies Act 2006 and UK Generally Accepted Accounting Practice.

The Financial Statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £. The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

#### c) Going concern

The Trustees have reviewed and approved financial projections. The Trustees believe there are adequate resources which will enable the charity to meet its liabilities as they fall due for the foreseeable future. For this reason, the Trustees have adopted the going concern basis in preparing the financial statements.

#### d) Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

For legacies, entitlement is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the Charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the Charity, or the Charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

#### Notes to the financial statements for the year ended 31 March 2020

#### **Accounting policies (Continued)**

Donated services or facilities are recognised when the Charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the company of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), the general volunteer time of the volunteers is not recognised and refer to the Trustees' report for more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the company which is the amount the company would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

Other income is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

#### e) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Fundraising costs are those costs incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities. Support costs are those costs incurred directly in support of expenditure on the objects of the company and include project management carried out at Headquarters. Governance costs are those incurred in connection with administration of the company and compliance with constitutional and statutory requirements. Costs of generating funds are costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.

#### f) Fixed assets and depreciation

Fixed assets are included at cost. Items are capitalised if it is considered that a long-term benefit will be derived from their purchase. Depreciation is calculated so as to write off the cost of tangible fixed assets over their useful economic life at the following annual rates:

#### Notes to the financial statements for the year ended 31 March 2020

#### **Accounting policies (Continued)**

Freehold Property

Fixtures, fittings and equipment

- 2% Straight Line

- 20- 33.33 % on reducing balance

basis

Leasehold property

Over the term of the lease

#### g) Unrestricted fund

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of the general objectives of the company and which have not been designated for other purposes.

#### h) Restricted funds

Income received for restricted purposes is included in a separate restricted fund against which appropriate expenditure is allocated.

#### i) Designated funds

The trustees allocate designated funds out of unrestricted funds for specific purposes. The use of such funds is at the trustees' discretion.

#### j) Format and basis of financial statements

The charity does not seek to make a profit, nor can its results be measured by normal commercial criteria. In order that a true and fair view should be given in these financial statements, the trustees have set out on page 16 a statement of financial activities which shows the results for the year, but in a format other than the standard formats prescribed by the Companies Act 2006. In the opinion of the trustees, the format adopted provides greater clarity on the nature of the charity's activities and discloses the required information relating thereto.

#### k) Pension

The charity operates a defined contribution group personal pension plan for its employees. Payments are charged to the profit and loss account in the period in which they are incurred.

#### I) Leased assets

Costs in respect of operating leases are charged on a straight line basis over the lease term

#### m) Debtors

Trade and other debtors are recognised at the settlement amount after any discount offered.

#### n) Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

#### Notes to the financial statements for the year ended 31 March 2020

#### **Accounting policies (Continued)**

#### o) Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation.

#### p) Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the company is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains.

#### q) Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank.

#### r) Termination benefits

Termination benefits are payable when employment is terminated by the charity before the normal retirement date, or whenever an employee accepts voluntary redundancy in exchange for these benefits.

The charity recognises termination benefits in the statement of financial activities when it is demonstrably committed to either (i) terminating the employment of current employees according to a detailed formal plan without the possibility of withdrawal, or (ii) providing termination benefits as a result of an offer made to encourage voluntary redundancy. Benefits falling due more than twelve months after the end of the reporting period are discounted to their present value.

#### s) Finance Lease

Assets obtained under finance lease and hire purchase contracts are capitalised as tangible fixed assets. Assets are depreciated over their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the SOFA and Charity funds so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

#### Notes to the financial statements for the year ended 31 March 2020

#### 19. Financial Commitments

#### **Capital Commitments**

There were no capital commitments at the balance sheet date.

## Operating lease commitments

At 31 March 2020 the total of the charity's future minimum lease payment operating leases are as follows:

	2020 £	201
Land and buildings	_	
Less than one year	68,809	68,80
Between two to five years	249,011	249,01
Greater than five years	252,688	291,93
	570,508	609,75
Other assets		
Less than one year	15,983	16,04
Between two to five years	43,859	59,84
Greater than five years	<del>-</del>	
	59,842	75,88

#### Notes to the financial statements for the year ended 31 March 2020

#### 20. Pension commitments

The company operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the company in an independently administered fund. The pension cost charge represents contributions payable by the company to the fund and amounted to £81,720 (2019: £81,060). There were £14,592 outstanding contributions at 31 March 2020 (2019: £13,054).

#### 21. Control relationship

The company is controlled by the Trustees, who are all directors of the company.

#### 22. Related party transactions

No related party transactions took place in the period of account.

#### 23. Critical accounting judgements and estimates.

The preparation of financial statements requires the use of certain critical accounting estimates. It also requires trustees to exercise their judgement in the process of applying accounting policies. Use of available information and application of judgement are inherent in the formation of estimates. Actual outcomes in the future could differ from such estimates. The areas involving a higher degree of judgement, or complexity, or areas where assumptions and estimates are significant to the financial statements are set out below.

#### **Judgements**

The key judgement that the management has made in the process of applying the charities accounting policies relates to the calculation of accrued and deferred income specific to each project. Each project has a separate cost centre in the accounting system which allows for incomes and costs specific to each project to be identified separately thus providing a basis for accurate calculation of accrued and deferred income. In determining the allocation of expenditure between activities, a detailed review of direct and indirect costs is undertaken by the management. Judgments are made allocating indirect costs to activities according to a percentage basis adjusted to reflect the specific characteristics of projects.

#### Estimation Uncertainty

The trustees consider that the cost centre accounting outlined above provides a sound framework for accurate accounting and thus there is not considered to be any significant uncertainty in the carrying figures at the end of 2020.

#### 24. Agency arrangement

The Charity has acted as an agent during year. The total amount of funds received during the year amounted to £Nil (2019 £Nil) and the amount of funds paid during the year amounted to £1,665 (2019: £39,004). The balance of funds held by the Charity as agent, in the form of a bank deposit, as at 31 March 2020 was £90 (2019: £1,755).

#### 25. Reconciliation of cash flows from operating activities
