The Directors' Report

Year ended 31 December 2011

The directors present their report and the financial statements of the company for the year ended 31 December 2011

Principal activities and business review

The principal activity of the company during the year was, and will continue to be, that of a holding company for ntl CableComms Bolton

The company is a wholly owned subsidiary undertaking of Virgin Media Inc. The Virgin Media group ("the group") is a leading entertainment and communications business, being a "quad play" provider of broadband internet, television, fixed line telephony and mobile telephony services that offer a variety of entertainment and communications services to residential and commercial customers throughout the UK.

As at 31 December 2011, the group provided services to approximately 4.8 million residential cable customers on its network. The group is also one of the UK's largest mobile virtual network operators by number of customers and at 31 December 2011 provided mobile telephony services to approximately 1.5 million prepay mobile customers and approximately 1.5 million contract mobile customers over third party networks. As of 31 December 2011, approximately 64% of residential customers on the group's cable network were "triple play" customers, receiving broadband internet, television and fixed line telephony services from the group. In addition, the group provides a complete portfolio of voice, data and internet solutions to businesses, public sector organizations and service providers in the UK through Virgin Media Business.

The group believes that its advanced deep fibre access network enables it to offer faster and higher quality broadband services than its digital subscriber line, or DSL, competitors. As a result it provides its customers with a leading next generation broadband service and one of the most advanced television on-demand services available in the UK market.

On 30 September 2011 the group completed the disposition of its interest in the UKTV television channels to a subsidiary of Scripps Networks Interactive Inc. On 12 July 2010 the group sold its television channel business known as Virgin Media TV.

Future outlook

Detail of the future outlook of the group is provided in Virgin Media Inc's financial statements and annual report for 2011, which are available from the company secretary at Virgin Media, Bartley Wood Business Park, Hook, Hampshire, RG27 9UP.

Year ended 31 December 2011

Going concern

After making suitable enquiries and obtaining the necessary assurances from the company's ultimate parent company that sufficient resources will be made available to meet any liabilities as they fall due should the company's income not be sufficient, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing these financial statements.

Statement of Directors' Responsibilities

Year ended 31 December 2011

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Statement of Directors' Responsibilities set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the report and financial statements to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2011 and of its loss for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Notes to the Financial Statements

Year ended 31 December 2011

1. Accounting policies

A summary of the principal accounting policies is set out below. All accounting policies have been applied consistently, unless noted below.

Basis of accounting

The financial statements have been prepared under the historical cost convention in accordance with the Companies Act 2006, and applicable UK accounting standards.

Fundamental accounting concept

The financial statements have been prepared on the going concern basis because the ultimate parent undertaking has given the necessary assurances that sufficient resources will be made available, so that the company can meet its liabilities as and when they fall due, for at least twelve months from the date of approval of these financial statements.

Group accounts

The company has taken advantage of the exemption from preparing group accounts afforded by Section 400 of the Companies Act 2006 because it is a wholly owned subsidiary of another company incorporated in the United Kingdom which prepares group accounts (see note 13). These financial statements therefore present information about the company as an individual undertaking and not about its group.

Investments

Investments are recorded at cost, less provision for impairment as appropriate. The company assesses at each reporting date whether there is an indication that an investment may be impaired. If any such indication exists, the company makes an estimate of the asset's recoverable amount. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. A previously recognised impairment loss is reversed only if there was an event not foreseen in the original impairment calculations, such as a change in use of the assets or a change in economic conditions. The reversal of impairment loss would be to the extent of the lower of the recoverable amount and the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years.

Classification of shares as debt or equity

The company has financial instruments in the form of preference shares. As a condition of the shares there is a contractual obligation to accrue for dividends, regardless of performance. As this condition is potentially unfavourable the preference shares have been classified in the Balance Sheet as financial liabilities, rather than equity, in accordance with FRS 25 "Financial Instruments: Disclosure and Presentation".

Finance payments associated with financial liabilities are dealt with as part of interest payable and similar charges.

Cash flow statement

The company is exempt from publishing a cash flow statement as permitted by FRS 1 "Cash flow statements (revised 1996)", as it is a wholly owned subsidiary of its ultimate parent company, Virgin Media Inc.

1. Accounting policies (*continued*)

Deferred taxation

Deferred tax is recognised, as appropriate, in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax, with the following exceptions

- provision is made for deferred tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, and gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets are sold, and

- deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date

Trade and other debtors

Trade and other debtors are stated at their recoverable amount. Provision is made when the amount receivable is not considered recoverable and the amount is fully written off when the probability for recovery of a balance is assessed as being remote.

2 Operating profit

Operating profit is stated after crediting

	2011	2010
	£000	£000
Release of provision against amounts owed by group undertakings	(99)	(225)

The group's inter-company funding arrangements are managed centrally. Recoverability of inter-company receivables is assessed annually. The provision for non-recoverability may increase or decrease as a result of that review. The impairment review of inter-company indebtedness as at 31 December 2011 concluded that a release of provision against amounts due from group undertakings totalling £99,000 should be made (2010 - release of £225,000).

Auditor's remuneration of £1,000 (2010 - £1,000) represents costs attributed to the company, all of which is borne by a fellow group undertaking that pays all auditor's remuneration on behalf of the group.

The directors received remuneration for the year of £500 (2010 - £333) in relation to qualifying services as directors of this company, all of which was paid by Virgin Media Limited. The company had corporate directors until 30 April 2010 that received no remuneration. On 30 April 2010 new directors were appointed.
