 - (i) a **Chargor**, the **Security Agent** or any other **Secured Party** or any other person shall be construed so as to include its successors in title, permitted assigns and permitted transferees and, in the case of the Security Agent, any person for the time being appointed as Security Agent or Security Agents in accordance with the Finance Documents;
 - (ii) **this Deed**, the **Senior Facilities Agreement**, any other **Finance Document** or any other agreement or instrument is a reference to this Deed, the Senior Facilities Agreement, that other Finance Document or that other agreement or instrument as amended, supplemented, extended, restated, novated and/or replaced in any manner from time to time (however fundamentally and even if any of the same increases the obligations of any member of the Group or provides for further advances); and

 - (i) collect all Receivables promptly in the ordinary course of trading as agent for the Security Agent;
 - (ii) immediately upon receipt pay all monies which it receives in respect of the Receivables into:
 - (A) the account specified against its name in Part 3 of Schedule 2 (*Details of Security Assets*) or, if applicable, in the schedule to any Accession Deed as a Charged Account;
 - (B) any other account held with an Account Bank over which the relevant Chargors have granted Security to the Security Agent pursuant to the terms of this Deed; or
 - (C) such specially designated account(s) with the Security Agent or another Account Bank as the Security Agent may from time to time direct; and
 - (iii) pending such payment, hold all monies so received upon trust for the Security Agent.
- (b) Following the occurrence of a Declared Default each Chargor shall deal with the Receivables (both collected and uncollected) and the Charged Accounts in accordance with any directions given in writing from time to time by the Security Agent and, in default of and subject to such directions, in accordance with this Deed.

12.4 Operation of Charged Accounts

- (a) After the occurrence of a Declared Default, no Chargor shall withdraw, attempt or be entitled to withdraw (or direct any transfer of) all or any part of the monies in any Charged Account without the prior written consent of the Security Agent and the Security Agent shall be entitled (in its absolute discretion) to refuse to permit any such withdrawal or transfer.
- (b) If the right of a Chargor to withdraw the proceeds of any Receivables standing to the credit of a Charged Account results in the charge over that Charged Account being characterised as a floating charge, that will not affect the nature of any other fixed

security created by any such Chargor under this Deed on any of its outstanding Receivables.

12.5 Charged Investments - protection of security

- (a) Each Chargor shall promptly upon execution of this Deed, and in any event within five Business Days of execution of this Deed or an Accession Deed (as applicable) or (if later) as soon as is practicable after its acquisition of any Charged Securities, by way of security for the Secured Obligations:
 - (i) deposit with the Security Agent (or as the Security Agent may direct) all certificates and other documents of title or evidence of ownership to the Charged Securities and their Related Rights; and
 - (ii) execute and deliver to the Security Agent instruments of transfer in respect of the Charged Securities (executed in blank and left undated).
- (b) Each Chargor shall promptly pay all calls or other payments which may become due in respect of its Charged Investments.
- (c) No Chargor shall, without the prior written consent of the Security Agent (such consent not to be unreasonably withheld), nominate another person to enjoy or exercise all or any specified rights of the Chargor in relation to its Charged Investments, as contemplated by section 145 of the Companies Act 2006 or otherwise.

12.6 Rights of the Parties in respect of Charged Investments

- (a) Unless a Declared Default has occurred, each Chargor shall be entitled to:
 - (i) receive and retain all dividends, distributions and other monies paid on or derived from its Charged Securities; and
 - (ii) exercise all voting and other rights and powers attaching to its Charged Securities, provided that it must not do so in a manner which adversely affects the validity or enforceability of the security or causes an Event of Default to occur.
- (b) At any time following the occurrence of a Declared Default, the Security Agent may complete the instrument(s) of transfer for all or any Charged Securities on behalf of any Chargor in favour of itself or such other person as it may select.
- (c) At any time when any Charged Securities are registered in the name of the Security Agent or its nominee, the Security Agent shall be under no duty to:
 - (i) ensure that any dividends, distributions or other monies payable in respect of such Charged Securities are duly and promptly paid or received by it or its nominee;
 - (ii) verify that the correct amounts are paid or received; or
 - (iii) take any action in connection with the taking up of any (or any offer of any) Related Rights in respect of or in substitution for, any such Charged Securities.

13 Power to remedy

13.1 Power to remedy

If following the occurrence of a Declared Default, the Chargor does not comply with any of its obligations under this Deed, the Security Agent (without prejudice to any other rights arising as a consequence of such non-compliance) shall be entitled (but not bound) to rectify that default. The relevant Chargor irrevocably authorises the Security Agent and its employees and agents by way of security to do all such things (including entering the property of such Chargor) which are necessary or desirable to rectify that default.

13.2 Mortgagee in possession

The exercise of the powers of the Security Agent under this clause 13 shall not render it, or any other Secured Party, liable as a mortgagee in possession.

13.3 Monies expended

The relevant Chargor shall pay to the Security Agent on demand any monies which are expended by the Security Agent in exercising its powers under this clause 13.

14 When security becomes enforceable

14.1 When enforceable

This Debenture Security shall become immediately enforceable upon the occurrence of a Declared Default.

14.2 Statutory powers

The power of sale and other powers conferred by section 101 of the Act (as amended or extended by this Deed) shall be immediately exercisable upon and at any time after the occurrence of any Declared Default.

14.3 Enforcement

After this Debenture Security has become enforceable, the Security Agent may in its absolute discretion enforce all or any part of the Debenture Security in such manner as it sees fit.

15 Enforcement of security

15.1 General

For the purposes of all rights and powers implied by statute, the Secured Obligations are deemed to have become due and payable on the date of this Deed. Sections 93 and 103 of the Act shall not apply to the Debenture Security.

15.2 Powers of leasing

The statutory powers of leasing conferred on the Security Agent are extended so as to authorise the Security Agent to lease, make agreements for leases, accept surrenders of leases and grant options as the Security Agent may think fit and without the need to comply with section 99 or 100 of the Act.

15.3 Powers of Security Agent

- (a) At any time after the Debenture Security becomes enforceable (or if so requested by any Chargor by written notice at any time), the Security Agent may without further notice (unless required by law):
 - (i) appoint any person (or persons) to be a receiver, receiver and manager or administrative receiver of all or any part of the Security Assets and/or of the income of the Security Assets; and/or
 - (ii) appoint or apply for the appointment of any person who is appropriately qualified as administrator of a Chargor; and/or
 - (iii) exercise all or any of the powers conferred on mortgagees by the Act (as amended or extended by this Deed) and/or all or any of the powers which are conferred by this Deed on a Receiver, in each case without first appointing a Receiver or notwithstanding the appointment of any Receiver.
- (b)
 - (i) Subject to clause 15.3(b)(i), at any time after this Security has become enforceable, the Security Agent may (without further notice unless required by law) exercise (in the name of the Chargor and without any further consent or authority on the part of the Chargor) any voting rights and any powers or rights (such voting and other powers and rights being, together, the **Voting Rights**) which may be exercised by the legal or beneficial owner of any Charged Investment, any person who is the holder of any Charged Investment or otherwise.
 - (ii) Where a notifiable acquisition under s6 of the National Security and Investment Act 2021 (the **NSI Act**) and/or any regulations made under the NSI Act would take place as a consequence of any exercise by the Security Agent of the Voting Rights, or as a consequence of the right to exercise those Voting Rights arising, the Security Agent shall not be entitled to exercise any of the Voting Rights unless and until the Secretary of State has approved that notifiable acquisition and then only to the extent that any such exercise of any of the Voting Rights by the Security Agent would not be, as a consequence of that exercise, a breach of the provisions of a final order made in relation to that notifiable acquisition under the NSI Act and/or those regulations.
 - (iii) The Chargor acknowledges that the Security Agent may:
 - (A) where clause 15.3(b)(i) applies, give any mandatory notice which may be required under and in accordance with the NSI Act and/or any regulations made under it. The Chargor agrees that the Security Agent may instead direct the Chargor to give any such mandatory notice as the representative of the Security Agent within such time frame as the Security Agent may acting reasonably require and within any relevant time limits set out in the NSI Act and/or any regulations made under it; and
 - (B) if the Security has become enforceable but clause 15.3(b)(i) does not apply, give a voluntary notice, in connection with the right to exercise the Voting Rights, under and in accordance with the NSI Act and/or any regulations made under it. The Chargor agrees that the Security Agent may instead direct the Chargor to give such voluntary notice as the representative of the Security Agent within such time frame as the Security Agent may acting reasonably require.

The Chargor shall notify the Security Agent within five Business Days of any correspondence received by it in connection with the relevant mandatory or voluntary notice.

- (c) The Security Agent is not entitled to appoint a Receiver in respect of any Security Assets of any Chargor which are subject to a charge which (as created) was a floating charge solely by reason of a moratorium being obtained under the Part A1 of the Insolvency Act 1986 (or anything done with a view to obtaining such a moratorium, including any preliminary decision or investigation) in respect of such Chargor, unless the floating charge falls within any of the categories described in section A52(4) of the Insolvency Act 1986.

15.4 Redemption of prior mortgages

- (a) At any time after the Debenture Security has become enforceable, the Security Agent may:
 - (i) redeem any prior Security against any Security Asset; and/or
 - (ii) procure the transfer of that Security to itself; and/or
 - (iii) settle and pass the accounts of the holder of any prior Security and any accounts so settled and passed shall be conclusive and binding on each Chargor.
- (b) All principal, interest, costs, charges and expenses of and incidental to any such redemption and/or transfer shall be paid by the relevant Chargor to the Security Agent on demand.

15.5 Privileges

- (a) Each Receiver and the Security Agent is entitled to all the rights, powers, privileges and immunities conferred by the Act on mortgagees and receivers when such receivers have been duly appointed under the Act, except that section 103 of the Act does not apply.
- (b) To the extent that the Security Assets constitute "*financial collateral*" and this Deed and the obligations of the Chargors under this Deed constitute a "*security financial collateral arrangement*" (in each case for the purpose of and as defined in the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 No. 3226)) each Receiver and the Security Agent shall have the right after the Debenture Security has become enforceable to appropriate all or any part of that financial collateral in or towards the satisfaction of the Secured Obligations.
- (c) For the purpose of clause 15.5(b), the value of the financial collateral appropriated shall be such amount as the Receiver or Security Agent reasonably determines having taken into account advice obtained by it from an independent investment or accountancy firm of national standing selected by it.

15.6 No liability

- (a) Neither the Security Agent, any other Secured Party nor any Receiver or Delegate shall be liable (A) in respect of all or any part of the Security Assets or (B) for any loss or damage which arises out of the exercise or the attempted or purported exercise of, or the failure to exercise any of, its or his respective powers (unless such loss or damage is caused by its or his gross negligence or wilful misconduct).

- (b) Without prejudice to the generality of clause 15.6(a), neither the Security Agent, any other Secured Party nor any Receiver or Delegate shall be liable, by reason of entering into possession of a Security Asset, to account as mortgagee in possession or for any loss on realisation or for any default or omission for which a mortgagee in possession might be liable.

15.7 Protection of third parties

No person (including a purchaser) dealing with the Security Agent or any Receiver or Delegate will be concerned to enquire:

- (a) whether the Secured Obligations have become payable;
- (b) whether any power which the Security Agent or the Receiver is purporting to exercise has become exercisable;
- (c) whether any money remains due under any Finance Document; or
- (d) how any money paid to the Security Agent or to the Receiver is to be applied.

16 Receiver

16.1 Removal and replacement

The Security Agent may from time to time remove any Receiver appointed by it (subject, in the case of an administrative receivership, to section 45 of the Insolvency Act 1986) and, whenever it may deem appropriate, may appoint a new Receiver in the place of any Receiver whose appointment has terminated.

16.2 Multiple Receivers

If at any time there is more than one Receiver of all or any part of the Security Assets and/or the income of the Security Assets, each Receiver shall have power to act individually (unless otherwise stated in the appointment document).

16.3 Remuneration

Any Receiver shall be entitled to remuneration for his services at a market rate to be fixed by agreement between him and the Security Agent (or, failing such agreement, to be fixed at a market rate by the Security Agent).

16.4 Payment by Receiver

Only monies actually paid by a Receiver to the Security Agent in relation to the Secured Obligations shall be capable of being applied by the Security Agent in discharge of the Secured Obligations.

16.5 Agent of Chargors

Any Receiver shall be the agent of the Chargor in respect of which it is appointed. Such Chargor shall (subject to the Companies Act 2006 and the Insolvency Act 1986) be solely responsible for his acts and defaults and for the payment of his remuneration. No Secured Party shall incur any liability (either to such Chargor or to any other person) by reason of the appointment of a Receiver or for any other reason.

17 Powers of Receiver

17.1 General powers

Any Receiver shall have:

- (a) all the powers which are conferred on the Security Agent by clause 15.3 (*Powers of Security Agent*);
- (b) all the powers which are conferred by the Act on mortgagees in possession and receivers appointed under the Act;
- (c) (whether or not he is an administrative receiver) all the powers which are listed in Schedule 1 of the Insolvency Act 1986; and
- (d) all powers which are conferred by any other law conferring power on receivers.

17.2 Additional powers

In addition to the powers referred to in clause 17.1 (*General powers*), a Receiver shall have the following powers:

- (a) to take possession of, collect and get in all or any part of the Security Assets and/or income in respect of which he was appointed;
- (b) to manage the Security Assets and the business of any Chargor as he thinks fit;
- (c) to redeem any Security in relation to the Security Assets and to borrow or raise any money and secure the payment of any money in priority to the Secured Obligations for the purpose of the exercise of his powers and/or defraying any costs or liabilities incurred by him in such exercise;
- (d) to sell or concur in selling, leasing or otherwise disposing of all or any part of the Security Assets in respect of which he was appointed without the need to observe the restrictions imposed by section 103 of the Act, and, without limitation;
 - (i) fixtures may be severed and sold separately from the Real Property containing them, without the consent of any Chargor;
 - (ii) the consideration for any such transaction may consist of cash, debentures or other obligations, shares, stock or other valuable consideration (and the amount of such consideration may be dependent upon profit or turnover or be determined by a third party); and
 - (iii) any such consideration may be payable in a lump sum or by instalments spread over such period as he thinks fit;
- (e) to carry out any sale, lease or other disposal of all or any part of the Security Assets by conveying, transferring, assigning or leasing the same in the name of the relevant Chargor and, for that purpose, to enter into covenants and other contractual obligations in the name of, and so as to bind, such Chargor;
- (f) to take any such proceedings (in the name of any of the relevant Chargors or otherwise) as he shall think fit in respect of the Security Assets and/or income in respect of which he was appointed (including proceedings for recovery of rent or other monies in arrears at the date of his appointment);

- (g) to enter into or make any such agreement, arrangement or compromise as he shall think fit;
- (h) to insure, and to renew any insurances in respect of, the Security Assets as he shall think fit (or as the Security Agent shall direct);
- (i) to appoint and employ such managers, officers and workmen and engage such professional advisers as he shall think fit (including, without prejudice to the generality of the foregoing power, to employ his partners and firm);
- (j) to form one or more Subsidiaries of any Chargor and to transfer to any such Subsidiary all or any part of the Security Assets;
- (k) to operate any rent review clause in respect of any Real Property in respect of which he was appointed (or any part thereof) and to apply for any new or extended lease;
- (l) to:
 - (i) give valid receipts for all monies and to do all such other things as may seem to him to be incidental or conducive to any other power vested in him or necessary or desirable for the realisation of any Security Asset;
 - (ii) exercise in relation to each Security Asset all such powers and rights as he would be capable of exercising if he were the absolute beneficial owner of the Security Assets; and
 - (iii) use the name of any Chargor for any of the above purposes; and
- (m) to do all such other acts and things as he may in his discretion consider to be incidental or conducive to any of the matters or powers set out in this Deed or otherwise incidental or conducive to the preservation, improvement or realisation of the Security Assets.

18 Application of proceeds and Intercreditor Agreement

18.1 Application

All monies received by the Security Agent or any Receiver after the Debenture Security has become enforceable shall (subject to the rights and claims of any person having a security ranking in priority to the Debenture Security) be applied in accordance with and subject to the terms of the Intercreditor Agreement.

18.2 Contingencies

If the Debenture Security is enforced at a time when no amounts are due under the Finance Documents (but at a time when amounts may become so due), the Security Agent or a Receiver may pay the proceeds of any recoveries effected by it into a blocked suspense account (bearing interest at such rate (if any) as the Security Agent may determine.

18.3 Appropriation, Intercreditor Agreement and suspense account

- (a) Subject to the Intercreditor Agreement and clause 18.1 (*Application*), the Security Agent shall apply all payments received in respect of the Secured Obligations in reduction of any part of the Secured Obligations in any order or manner which it may determine.
- (b) Any such appropriation shall override any appropriation by any Chargor.

- (c) All monies received, recovered or realised by the Security Agent under or in connection with this Deed may at the discretion of the Security Agent be credited to a separate interest-bearing suspense account for so long as the Security Agent determines (with interest accruing thereon at such rate (if any) as the Security Agent may determine) without the Security Agent having any obligation to apply such monies and interest or any part of it in or towards the discharge of any of the Secured Obligations unless such monies would be sufficient to discharge all Secured Obligations in full.

19 Set-off

19.1 Set-off rights

- (a) At any time after the Debenture Security has become enforceable (and in addition to its rights under clause 19), the Security Agent and each other Secured Party may (but shall not be obliged to) set-off any matured obligation owed by a Chargor under any Finance Document against any matured obligation owed by the Security Agent or such other Secured Party to such Chargor, regardless of the place of payment, booking branch or currency of either obligation.
- (b) If the obligations are in different currencies, the Security Agent or such other Secured Party may convert either obligation in accordance with clause 16.5 (*Currency conversion*) of the Intercreditor Agreement.
- (c) If either obligation is unliquidated or unascertained, the Security Agent or such other Secured Party may set off in an amount estimated by it in good faith to be the amount of that obligation.

19.2 Time deposits

Without prejudice to clause 19.1 (*Set-off*), if any time deposit matures on any account which any Chargor has with the Security Agent or any other Secured Party at a time within the Security Period when:

- (a) this Debenture Security has become enforceable; and
- (b) no Secured Obligation is due and payable,

such time deposit shall automatically be renewed for such further maturity as the Security Agent or such other Secured Party in its absolute discretion considers appropriate unless the Security Agent or such other Secured Party otherwise agrees in writing.

20 Delegation

Each of the Security Agent and any Receiver may delegate, by power of attorney (or in any other manner) to any person, any right, power or discretion exercisable by them under this Deed upon any terms (including power to sub-delegate) which it may think fit. Neither the Security Agent nor any Receiver shall be in any way liable or responsible to any Chargor for any loss or liability arising from any act, default, omission or misconduct on the part of any Delegate.

21 Further assurances

- (a) Subject to the Agreed Security Principles, each Chargor shall (and the Parent shall procure that each Chargor shall) at its own expense, promptly do all such acts and execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Security Agent or a Receiver may reasonably specify

(and in such form as the Security Agent or a Receiver may reasonably require) in favour of the Security Agent, a Receiver or its nominees in order to:

- (i) perfect the Security created or intended to be created under or evidenced by this Deed or for the exercise of any rights, powers and remedies exercisable by the Security Agent, any other Secured Party or any Receiver or any Delegate in respect of any Security Asset or provided by or pursuant to this Deed or by law; and/or
 - (ii) confer on the Security Agent, any Receiver or the Secured Parties Security over any property and assets of that Chargor located in any jurisdiction equivalent or similar to the Security intended to be conferred by or pursuant to this Deed; and/or
 - (iii) facilitate the realisation of the assets which are, or are intended to be, the subject of the Debenture Security.
- (b) Each Chargor shall (and the Parent shall procure that each member of the Group shall) take all such action as is available to it (including making all filings and registrations) as may be necessary for the purpose of the creation, perfection, protection or maintenance of any Security conferred or intended to be conferred on the Security Agent or the Secured Parties by or pursuant to this Deed.
- (c) Without prejudice to the generality of clause 21(a), each Chargor will immediately upon request by the Security Agent execute any document contemplated by that clause over any Security Asset which is subject to or intended to be subject to any fixed security under this Deed (including any fixed security arising or intended to arise pursuant to clause 7 (*Conversion of floating charge*)).
- (d) For the avoidance of doubt, without prejudice to clause 25.3 (*Land Registry*), nothing in this Deed shall impose any registration or notarisation requirements on each Chargor with respect to the creation of security over Real Property, plant and machinery under this Deed.

22 Power of attorney

Each Chargor, by way of security, irrevocably and severally appoints the Security Agent, each Receiver and any Delegate to be its attorney to take any action which the Chargor is obliged to take under this Deed. The power of attorney under this clause 16 will only be exercised following a Declared Default or where a further assurance or perfection obligation has not been taken within five Business Days of the Security Agent notifying the Chargor of the requirement to take such action and its intention to exercise its rights as attorney in the event it is not taken. Each Chargor ratifies and confirms whatever any attorney does or purports to do pursuant to its appointment under this clause.

23 Currency conversion

All monies received or held by the Security Agent or any Receiver under this Deed may be converted from their existing currency into such other currency in accordance with clause 16.5 (*Currency conversion*) of the Intercreditor Agreement.

24 Changes to the parties

24.1 Chargers

No Chargor may assign any of its rights or obligations under this Deed.

24.2 Security Agent

The Security Agent may assign or transfer all or any part of its rights under this Deed pursuant to the resignation or removal of the Security Agent in accordance with the Intercreditor Agreement. Each Chargor shall, immediately upon being requested to do so by the Security Agent, enter into such documents as may be necessary or desirable to effect such assignment or transfer.

24.3 Accession Deed

Each Chargor:

- (a) consents to new Subsidiaries of the Parent becoming Chargors under this Deed as contemplated by the Finance Documents; and
- (b) irrevocably authorises the Parent to agree to and sign any duly completed Accession Deed as agent and attorney for and on behalf of such Chargor.

25 Miscellaneous

25.1 New accounts

- (a) If the Security Agent or any other Secured Party receives, or is deemed to be affected by, notice, whether actual or constructive, of any subsequent Security (other than as permitted by the Senior Facilities Agreement) affecting any Security Asset and/or the proceeds of sale of any Security Asset or any guarantee under the Finance Documents ceases to continue in force, it may open a new account or accounts for any Chargor. If it does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received such notice.
- (b) As from that time all payments made to the Security Agent or such other Secured Party will be credited or be treated as having been credited to the new account and will not operate to reduce any amount of the Secured Obligations.

25.2 Tacking

- (a) Each Finance Party shall perform its obligations under the Senior Facilities Agreement (including any obligation to make available further advances).
- (b) This Deed secures advances already made and further advances to be made.

25.3 Land Registry

- (a) Following the occurrence of a Declared Default, the Security Agent may apply to the Chief Land Registrar (and the Chargor consents to such an application being made by or on behalf of the Security Agent) for a restriction in the following terms to be entered on the Register of Title relating to any property registered at the Land Registry (or any unregistered land subject to first registration) and against which this Deed may be noted:

*"No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the charge dated [****] 20[**] in favour of [****] referred to in the charges register or their conveyancer."*

25.4 Protective clauses

- (a) Each Chargor is deemed to be a principal debtor in relation to this Deed. The obligations of each Chargor under, and the security intended to be created by, this Deed shall not be impaired by any forbearance, neglect, indulgence, extension or time, release, surrender or loss of securities, dealing, amendment or arrangement by any Secured Party which would otherwise have reduced, released or prejudiced this Debenture Security or any surety liability of a Chargor (whether or not known to it or to any Secured Party).
- (b) Clauses 23.4 (*Waiver of Defences*), 23.5 (*Guarantor Intent*), 23.6 (*Immediate Recourse*), 23.7 (*Appropriation*) and 23.8 (*Deferral of Guarantors Rights*) of the Senior Facilities Agreement apply in relation to this Deed as if references to the obligations referred to in such clauses were references to the obligations of each Chargor under this Deed.

26 Notices

26.1 Senior Facilities Agreement

Until the Senior Discharge Date and subject to clause 26.2 (*Notices through Parent*):

- (a) clause 37 (*Notices*) of the Senior Facilities Agreement (other than clauses 37.3(c) and 37.8 (*Use of websites*)) is incorporated into this Deed as if fully set out in this Deed; and
- (b) the address and email address of each Party for all communications or documents given under or in connection with this Deed are those identified with its name in the execution pages to this Deed or subsequently notified from time to time by the relevant Party for the purposes of the Senior Facilities Agreement or this Deed.

26.2 Notices through Parent

- (a) All communications and documents from the Chargors shall be sent through the Parent and all communications and documents to the Chargors may be sent through the Parent.
- (b) Any communication or document made or delivered to the Parent in accordance with this clause 26 will be deemed to have been made or delivered to each of the Chargors.

27 Calculations and certificates

Any certificate of or determination by a Secured Party, the Security Agent or the Agent specifying the amount of any Secured Obligation due from the Chargors (including details of any relevant calculation thereof) is, in the absence of manifest error, conclusive evidence against the Chargors of the matters to which it relates.

28 Partial invalidity

All the provisions of this Deed are severable and distinct from one another and if at any time any provision is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of any of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

29 Remedies and waivers

No failure to exercise, nor any delay in exercising, on the part of the Security Agent (or any other Secured Party), any right or remedy under this Deed shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise, or the exercise of any other right or remedy. The rights and remedies provided are cumulative and not exclusive of any rights or remedies provided by law.

30 Amendments and waivers

Any provision of this Deed may be amended in writing by the Security Agent and the **Chargors** or the Parent acting on their behalf and **each Chargor** irrevocably appoints the Parent as its agent for the purpose of agreeing and executing any amendment on its behalf. Any breach of this Deed may be waived before or after it occurs only if the Security Agent so agrees in writing. A waiver given or consent granted by the Security Agent under this Deed will be effective only if given in writing and then only in the instance and for the purpose for which it is given.

31 Counterparts

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures (and seals, if any) on the counterparts were on a single copy of this Deed.

32 Release

32.1 Release

Upon the expiry of the Security Period or as agreed between the Parties (but not otherwise) the Security Agent shall, at the request and cost of the Chargors, take whatever action is necessary to release (without recourse or warranty) the Security Assets from the Debenture Security.

32.2 Reinstatement

Where any discharge (whether in respect of the obligations of any Chargor or any security for those obligations or otherwise) is made in whole or in part or any arrangement is made on the faith of any payment, security or other disposition which is avoided or must be restored on insolvency, liquidation or otherwise (without limitation), the liability of the Chargors under this Deed shall continue as if the discharge or arrangement had not occurred. The Security Agent may concede or compromise any claim that any payment, security or other disposition is liable to avoidance or restoration.

33 Governing law

This Deed and any non-contractual obligations arising out of or in connection with it shall be governed by English law.

34 Enforcement and Jurisdiction

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute relating to the existence, validity or termination of this Deed or any non-contractual obligation arising out of or in connection with this Deed (a **Dispute**)).
- (b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.

- (c) This clause 34 is for the benefit of the Finance Parties and Secured Parties only. As a result, no Finance Party or Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Finance Parties and Secured Parties may take concurrent proceedings in any number of jurisdictions.

IN WITNESS of which this Deed has been duly executed by each Original Chargor as a deed and duly executed by the Security Agent and has been delivered on the first date specified on page 1 of this Deed by each Original Chargor.
