### **Trustees' Report**

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements and auditors' report of the charitable company for the year ended 31 December 2021.

#### **Purpose of the charity**

Ethiopiaid works with Ethiopian partners to improve the lives of some of the poorest and most vulnerable people in Ethiopia. The charity's global strategy states that their key objectives are:

- To reach and impact positively on the lives of the most poor and marginalised people in Ethiopia as identified by project need, partner access and expertise.
- To be the charity of choice for those with an interest in Ethiopia and the causes supported by the charity.
- To ensure robust systems and processes to safeguard the charity's future operations in an evolving development landscape.

#### **Summary of main activities**

Ethiopiaid works closely and in partnership with local indigenous organisations who know the local context and are best placed to design and deliver effective and impactful projects and programmes.

In 2021 £1,907,996 was transferred to partners. This included:

- The small grants programme which awarded 7 NGOs in Ethiopia a total of £130,500.
- £40k was provided to UK NGO's working in Ethiopia to bridge funding gaps as a result of covid and conflict.
- £95k was provided to 11 UK NGOs as champion matched funding via The Big Give Christmas Challenge, leveraging a further £337K in donations from their own supporters.
- £353,230 Emergency response funding to address the impact of the conflict.

The charity's main partners were:

#### **Afar Pastoralist Development Association (APDA)**

APDA works in the remote Afar region to end harmful traditional practises such as female genital mutilation and early marriage. APDA's outreach health workers work with families, traditional FGM practitioners, communities and religious leaders to challenge attitudes, change mind-sets and protect young girls.

#### **Association for Women's Sanctuary and Development (AWSAD)**

AWSAD provides safe shelter and support to women and girl survivors of gender based violence. There are 7 safe houses across Ethiopia caring for survivors. The women and girls receive medical care, psychological support, skills training and assistance with bringing their perpetrators to justice. AWSAD's programme also includes prevention and awareness training with the police, government, school teachers and students.

## **Ethiopiaid**

### **Trustees' Report**

#### **Cheshire Services Ethiopia**

Cheshire Services is a leading disability charity working with adults and children. They provide corrective surgery, intensive rehabilitation, mobility aids and physiotherapy. Their wheelchair and prosthetics workshop produces specialist bespoke equipment, and a livelihoods programme supports disabled households to become financially self-supporting.

#### **Studio Samuel**

Studio Samuel's mission is to engage vulnerable girls in after school and weekend clubs where they learn a variety of skills for employment. One project is peer to peer training on the production of reusable menstruation packs. The girls design, produce and distribute these packs free of charge to secondary schools to ensure that other girls can stay in school with dignity and without shame during their periods. At the same time they learn about business, team working and building their own self confidence.

#### **Hamlin Fistula Hospital and Midwifery College**

The Hamlin hospital is world-renowned for the treatment and rehabilitation of women suffering from obstetric fistula. Ethiopiaid funds the training of midwives recruited from the rural areas, who benefit from high quality training for 4 years and are then deployed back to rural community health centres.

#### **Healing Hands of Joy**

Healing Hands of Joy rehabilitates fistula survivors by training them as Safe Motherhood Ambassadors. The Ambassadors return to their communities to support access to pre-natal education and encourage women to give birth safely in health centres, thus preventing further fistula cases.

#### **Hope Enterprises**

Hope Enterprises provides and supports education for impoverished students from primary to tertiary level. Ethiopiaid specifically funded the technical and vocational education programme in Addis, alongside re-starting the feeding programme for children and adults living in poverty on the streets of Addis Ababa and Dessie.

#### **Hope Enterprises University College**

Ethiopia's first not-for-profit university enables students from impoverished backgrounds to receive a high quality education. Their mission is to provide aspiring leaders the option of pursuing a world class degree without leaving their country and cultural setting. Funding supports student scholarships so that the poorest students can attend the College and complete their studies.

#### **Hospice Ethiopia**

Hospice Ethiopia provide palliative home care to terminally ill people living in poverty who have little or no access to medical assistance. They also train medical professionals in palliative care. Ethiopiaid funded their Addis programme and helped the organisation to extend its reach into Bahirdar.

#### **Hope of Light**

Hope of Light provides surgery for women living with an obstetric fistula or pelvic organ prolapse. In 2021 Ethiopiaid provided funding for the running costs of it's fistula centre in Jimma alongside community awareness programmes.

## Ethiopiaid

### Trustees' Report

#### Support for Children, Women and Older Persons (SCWOP)

Ethiopiaid funding provides welfare support to 1,071 impoverished elders and 100 orphaned vulnerable grandchildren living in poverty in Addis. 90% of the elders are female. A monthly pension payment is made to each elder so that they can purchase basic food staples, with extra payments for those with dependant grandchildren. Funding is also provided to support medication and surgery to treat eye problems and restore sight.

#### Emergency and Recovery Funding

Ethiopiaid provided a number of emergency grants to partners facing significant challenges caused by the conflict which began in the Tigray region in November 2020, and the impact of covid.

<b>PARTNER</b>	<b>PURPOSE OF GRANT / PROJECT</b>	<b>PLEDGE AMOUNT (£)</b>
MSF	Emergency relief support for refugees in camps on the border with Sudan	100,000
Wings of Healing	Equipment and medicines for emergency medical clinics in internally displaced persons camps in Axum and Adwa	123,230
Nicholas Robinson School (NRS), Mekele	A bridging grant to maintain student sponsorship of vulnerable schoolchildren in Mekele	20,000
APDA	Emergency relief for internally displaced persons and host communities	80,000
APDA	Market recovery project in Yallo – grant 1 of 4	50,000
<b>TOTAL</b>		<b>373,230</b>

The following emergency and recovery grants have been ringfenced from funds generated in 2021 for payment in 2022:

<b>PARTNER</b>	<b>PURPOSE OF GRANT / PROJECT</b>	<b>PLEDGE AMOUNT (£)</b>
AWSAD	Safe house costs in Dessie to support women and girls needing support as a result of sexual violence during the conflict. (£31k paid in 2021)	93,750
APDA	Market recovery project in Yallo – instalments 2 to 4	65,000
<b>TOTAL</b>		<b>158,750</b>

The Trustees agreed to restrict £250,000 from the charity's reserves in order to provide for urgent emergency and recovery needs arising during 2022, to avoid delays to the provision of assistance whilst a fundraising appeal is launched.

# **Ethiopiaid**

## **Trustees' Report**

### **Small grants programme**

The small grants programme is a funding opportunity for locally registered Ethiopian charities to apply for a one off grant of up to £20,000 for work aligned with Ethiopiaid's global strategy. The programme enables Ethiopiaid to further its reach and also assess potential for longer-term partnerships. In 2021 small grants were awarded to 7 NGOs in Ethiopia totalling £119,000.

### **The Big Give Christmas Challenge**

The Big Give Christmas Challenge is a match funding campaign where donations to participating charities are doubled. Ethiopiaid provides champion funding for UK registered charities that work in Ethiopia with the challenge of securing matched pledges from their donors. In 2021 Ethiopiaid's champion fund of £96,025 helping 11 charities, successfully leveraged an additional £337,000 in donations from the participating charity's own supporters.

### **Public benefit**

To ensure that the utmost public benefit will be received and the maximum amount of money can be forwarded to its partners, the charity keeps its costs to a minimum, maintaining a business model of facilitating action in Ethiopia, but minimising action aside from fundraising in the UK.

The charity predominantly supports indigenous partners to promote capacity building and maximise cost effectiveness.

The trustees are therefore confident that Ethiopiaid meets the public benefit requirements and they confirm that they have taken into account the guidance contained in the Charity Commission's general guidance on public benefit where applicable.

### **Policy on grant making**

We are committed to investing in partnerships that expand our reach and impact across Ethiopia.

Partnership selection is based on four principles: integrity, passion, excellence, and commitment. Before working with a new partner due diligence is undertaken to assess any potential risks. New partners are always considered through the lens of our global strategy.

Ethiopiaid remains in partnerships as long as there is a clear need and funding continues to make a significant impact.

### **Fundraising Regulations**

The charity adheres to the Institute of Fundraising Code of Practice, is registered with the Information Commissioners Officer, and the Fundraising Regulator.

Complaints are recorded by the charity on the complaints register and shared with the Fundraising Regulator annually. In 2021 there were a total of 30 complaints received by the charity. All complaints were dealt with immediately and any remedial actions required taken.

The charity did not receive any data subject access requests during the year. There were no data breaches to report.

# **Ethiopiaid**

## **Trustees' Report**

### **Strategic report**

#### **Achievements and performance**

In 2021 Ethiopiaid supported the work of 38 non-governmental organisations working in Ethiopia through direct partnerships, the small grants programme and The Big Give Christmas Challenge.

Key achievements for the year included:

- £1,907,996 worth of grants were made to Ethiopian partners
- Voluntary income (excluding legacies) for the year totalled £2,014,625
- A BBC Radio 4 Appeal to support survivors of violence against women and girls raised £127,682
- Emergency appeals during the year raised £243,177 to support communities impacted by the conflict in Tigray and Afar

#### **Achievements against objectives set**

- Direct mail campaigns raised £471,071 exceeding the £330,000 target
- Over £1 million raised through regular gifts
- Legacies received with a value of £406,181 enabling us to make significant grants to partners and respond to emergencies
- £226,802 raised through grants from charitable trusts, foundations and grant makers
- £235,821 raised through philanthropic gifts
- Timely and efficient gift aid claims resulted in £280,081 being claimed back from HMRC
- Overall running costs were kept to a minimum. For every £1 raised 21 pence was spent on administration and fundraising costs

### **Priority areas for 2022**

#### **Strengthening income streams**

Ethiopiaid will focus on strengthening existing income streams coupled with exploring new opportunities to grow and diversify our funding base. We aim to ensure that the charity remains stable and resistant to future economic shocks.

#### **Philanthropy**

Ethiopiaid plans to build upon its loyal donor base by engaging with new philanthropists and philanthropic networks who share our vision and commitment to positive change in Ethiopia.

#### **Capacity building**

Ethiopiaid continues its plans to support partners in strengthening their organisational capacity to increase effectiveness, professionalism and social impact. It is hoped that this approach will enable partners to become 'funder ready' and secure income from new donors.

#### **Monitoring and evaluation**

Our monitoring and evaluation process continues to be regularly reviewed and strengthened. With the global pandemic and the conflict in Ethiopia restricting our ability to travel, ensuring a blend of remote monitoring coupled with an in-country consultant, will be a priority going forward.

# **Ethiopiaid**

## **Trustees' Report**

Ethiopiaid UK will work closely with Ethiopiaid Canada, Ethiopiaid Ireland and Ethiopiaid Australia to ensure a cohesive approach to M&E.

### **Financial review**

In 2021 the charity's total income was £2,710,145, up from £2,561,580 in 2020. This was due to a increase in donations from £1,924,261 in 2020, to £2,014,625 in 2021. Gift aid reclaimed increased to £280,081 in 2021 from £257,938 in 2020, whilst gifts in kind decreased to £9,000 (2020: £29,000) due to Ethiopiaid moving into its own office space.

Expenditure on raising funds in the year was £225,460 (2020: £256,351), whilst expenditure on charitable activities decreased in the year to £2,251,169 from £2,603,297 in 2020.

The charity generated a surplus in the year of £222,356, an increase of the 2020 planned deficit of £298,068.

### **Investment policy and objectives**

Ethiopiaid does not invest any donations in the money market, but merely uses deposit accounts to earn interest on any money until it is donated to our projects.

Ethiopiaid uses different banks to divide any deposits between them, in case of any bank defaulting on the deposit. As such Ethiopiaid is very cautious about its investments and cash.

In terms of ethical investments, Ethiopiaid does not invest in stock and shares therefore no investments are considered 'unethical'.

### **Reserves policy**

It is the policy of the Trustees that cash available for distribution at the year end is sent to Ethiopia when suitable projects are found. The charity's core reserves policy is to ensure that we have enough to cover one year of main partner donations and our overheads at any one time.

### **Principal source of funds**

Ethiopiaid's principal source of funds is from individuals through regular gifts (standing orders and direct debits), donations in response to direct mail and online appeals, significant philanthropic gifts, grants from charitable foundations and legacies.

At 31 December 2021 the charity held £2,564,600 (2020: £2,301,975) in unrestricted reserves. Based on the expenditure levels during 2021 the unrestricted reserves held at 31 December 2021 equate to approximately 11 months of partner donations and overheads.

The charity has £42,832 in restricted reserves carried forward, of which £1,793 relates to Dignity Period Project and £41,039 relates to Hamlin Fistula Hospital.

Total free reserves as at 31 December 2021 were £2,558,848 (2020: £2,295,878).

# Ethiopiaid

## Trustees' Report

### Principal risks facing the charity

Managing risks effectively is integral to the achievement of Ethiopiaid's vision. The Trustees ensure that a risk register is reviewed at each board meeting so that key risks are identified and mitigated. The Trustees are ultimately responsible for risk management and the effectiveness of Ethiopiaid's internal control systems. The following framework is in place:

The CEO maintains the risk register and reviews any significant organisational risks on a regular basis.

The Trustees review the strategic risks and the internal control measures.

Policies are in place for raising complaints and concerns (whistle-blowing). There is also an anti-fraud, corruption and bribery policy in place.

The main risks facing Ethiopiaid are:

#### Risk

Military action and violence extending out of the Tigray region putting at risk partner projects, beneficiaries safety and the ability to continue working in this region. There is also a risk to donor confidence.

Safeguarding of staff, volunteers during times of political and social instability.

Fraud and misappropriation of funds in Ethiopia.

Exploitation of beneficiaries.

#### Mitigations

Monitoring of media reports and information from partners. Pause all funding to partners in Tigray until there is stability and programmes can resume. Ensure transparency with donors. Address new needs arising from the situation for example support for refugees and internally displaced persons. Invest in longer term recovery projects

Monitor the Ethiopian political landscape. Regular communication with our partners, British Embassy and other networks in Ethiopia. Regular review of staff and volunteer travel policies.

Partnership agreements with every partner. M&E checks. Partners to have policies on anti-fraud, bribery and corruption. Audit trail of funds transferred.

Safeguarding lead Trustee. Ethiopian partners to have own safeguarding policies, processes and training in place. Ethiopian partners must commit to Ethiopiaid's safeguarding policy and code of conduct. Annual refresher safeguarding training for Ethiopiaid staff. Safeguarding training delivered to volunteers travelling overseas with Ethiopiaid.

## **Ethiopiaid**

### **Trustees' Report**

#### **The continuing impact of covid**

The Charity has continued to adapt working practices in response to government advice and restrictions in the UK and in Ethiopia.

The risks are recorded on the charity's risk register and reviewed at trustee meetings. It is anticipated that the main risks to the charity's activities are:

#### **Risk**

Reduction in income from individual donors due to economic downturn in the UK.

Inability to travel to Ethiopia to undertake the monitoring and evaluation of grants made to partners.

Risk to our partners of being unable to deliver services and programmes as planned.

Demands for additional funding to support our partners response to covid may increase.

Ethiopiaid employees working remotely as a result of government guidelines, need for social distancing in the office, individuals shielding, or illness.

#### **ETHIOPIAID'S RESPONSE**

The charity will focus on delivering excellent stewardship of donors to encourage longevity of support. Donors wishing to cancel will be asked to consider reducing or pausing their donations as an alternative. Efforts will be directed to recruit new donors and increase other income streams for the charity.

Remote M&E processes will be reviewed and strengthened. Ethiopian based consultants will be sought to support where necessary. An M&E trip will be scheduled as soon as it is safe to do so.

Restrictions in Ethiopia have meant that the delivery of some programmes have been affected, in particular those linked to education, livelihoods and outreach. The charity will maintain regular communications with partners to understand continuity plans and provide support to ensure that 'normal' services/ projects can resume quickly and effectively once all restrictions are lifted.

The charity will ensure that funding decisions are made quickly and grants released early as appropriate and necessary.

The team have regular weekly virtual meetings to support collaboration, focus and maintain productivity. Wellbeing is reviewed by the CEO on a regular basis. All staff are provided with the equipment needed to work both from home and in the office.

## **Ethiopiaid**

### **Trustees' Report**

#### **Trustees and officers**

The trustees and officers serving during the year and since the year end were as follows:

Trustees:

- A Chapman
- A Fenn
- S Grimsdale
- M Norman
- E Prak
- N Reed
- H Horn
- T Reed

Chairman:

Chief Executive Officer: L Cousins

Secretary: S Grimsdale

## **Ethiopiaid**

### **Trustees' Report**

#### **Safeguarding**

All Ethiopiaid trustees, employees and volunteers must read, understand and commit to Ethiopiaid's safeguarding policy and code of conduct.

We expect all staff and trustees of Ethiopiaid to adhere to the highest standards, ensuring that we do no harm; act at all times with integrity, accountability and transparency, and to work in the best interests of those we work with.

Ethiopiaid's safeguarding policies follows best practice and is drawn from ACFID Code of Conduct (recognised as a 'leader' in this), the Core Humanitarian Standard (CHS), ICRC and other bodies.

We have robust safeguarding and whistleblowing policies in place and ensure that our Ethiopian partners also have a safeguarding policy in place that meets a minimum recognised standard. In addition we expect them to adopt our safeguarding policy.

We have zero tolerance against discrimination in and out of the workplace. This includes any discrimination or unfair treatment towards our Ethiopian beneficiaries and partners, our volunteers, staff and donors.

Our duty of care is not limited to just beneficiaries, staff and volunteers, but also includes children and vulnerable adults in the communities served by our partners who are not direct beneficiaries but may be vulnerable to abuse.

#### **Structure, Government and Management**

##### **Type of governing document**

The company is a charitable company, limited by guarantee and registered as a charity on 8 November 1989. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

##### **Trustee selection methods**

The Trustees are responsible for the governance and oversight of the charity, and have control of the Charity and its property and funds.

Subsequent trustees are appointed by the Trustees. Selection is based upon the skills, knowledge or experience which they can bring to the charity as well as their personal commitment to the charity's aims and objectives. The trustees also aim to maintain a balance of employees of the Reed Family of Companies, and external trustees to maintain the charity's strong links to the Reed Family of Companies.

The directors of the company are also charity trustees for the purposes of charity law and under the company's Articles are known as members of the Management Committee.

Under the requirements of the Memorandum and Articles of Association, the minimum number of members of the Management Committee is six but (unless otherwise determined by ordinary resolution) the maximum number of Trustees that may be appointed shall be nine. Trustees shall serve a maximum term of three years after which Trustees can retire or be voted back on to the Trustee board.

## **Ethiopiaid**

### **Trustees' Report**

The Trustees hold at least three meetings a year including an Annual General Meeting.

#### **Policies and processes for induction of trustees**

New trustees meet existing trustees, the CEO, employees and others involved with the charity as appropriate. An induction pack is shared which includes:

- the charity's latest annual report and accounts
- minutes of recent trustee meetings
- charity commission guidance 'The essential trustee: what you need to know (CC3)', and 'The hallmarks of an effective charity (CC10)'
- the charity's policy on dealing with conflicts of interest
- the charity's strategic plan
- the charity's safeguarding policy and code of conduct

#### **The charity's organisational structure**

In 2021 there were eight members of staff (three of which were part time) who manage the fundraising and associated activities for the charity. The team are line managed by the CEO who reports directly to the Board of Trustees through the Chairperson.

Ethiopiaid is a global fundraising and grant-making network with separately registered charities in Australia, Canada and Ireland. Together we raise funds from our respective countries to provide grants directly to local trusted partners.

Our approach to fundraising is strategic and allows us to respond to trends and opportunities in each country of operation in a way that is market appropriate, follows best practice and recognises differing charity legislation and professional fundraising codes. This allows us to expand our partner portfolio and the geographic reach of our projects in a sustained, predictable and lasting way.

Each office is responsible for developing and implementing its own country specific fundraising plans, and together we focus on delivering our overarching global strategy (2020-2024) through a unified organisation-wide approach.

Ethiopiaid UK works closely with its sister charities in Ireland, Australia and Canada to maximise global fundraising efforts and to coordinate grant making to Ethiopian partners.

Since May 2020 Ethiopiaid UK has overseen the operational and fundraising activities of Ethiopiaid Ireland, including the line management of its Charity Officer by the UK CEO. This arrangement will continue in 2022.

#### **Relationship with any related parties**

In 2021 the charity benefitted from donated business support (IT, HR and payroll) from Reed Specialist Recruitment Limited. Ethiopiaid was founded by Sir Alec Reed CBE in 1989 and he served as an Ethiopiaid trustee until 2016.

Ethiopiaid Trustee Alexandra Chapman is a member of the Reed Family, a shareholder of the Reed Family Companies and a trustee of the Reed Foundation.

## **Ethiopiaid**

### **Trustees' Report**

Ethiopiaid Trustees Nicola Reed and Tessa Reed are both members of the Reed family. Nicola Reed is the spouse, and Tessa Reed the daughter, of the current Chairman of Reed Specialist Recruitment.

#### **Names of the Trustees**

Full list of Ethiopiaid's Trustees and their appointment dates:

- Alexandra Chapman, First appointed: 18/09/03 Re-appointment: 13/10/15
- Alexandra Fenn, First appointed: 11/12/07 Re-appointment: 22/09/17
- Edith Prak, First appointed: 14/10/14
- Helen Horn, First appointed: 18/03/15
- Michael Norman, First appointed: 05/05/11
- Nicola Reed, First appointed: 14/10/14
- Sally Grimsdale, First appointed: 20/01/11
- Tessa Reed, First appointed : 29/01/19

#### **Remuneration**

Ethiopiaid benchmarks its salaries using published salary benchmarking research for the voluntary sector. This is undertaken every three years to ensure that the charity offers a fair wage that attracts and keeps qualified and experienced staff to lead, manage and support the delivery of the charity's aims.

The trustees are ultimately responsible for setting the salary of the most senior member of staff, the CEO.

Ethiopiaid Ireland has been without a CEO since May 2020. This role was substantially covered by the UK CEO during the year, in addition to her usual duties, and included line management of Ethiopiaid Ireland's Charity Officer.

#### **Statement of Trustees' Responsibilities**

The trustees (who are also the directors of Ethiopiaid for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

## Ethiopiaid

### Trustees' Report

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Disclosure of information to auditor

Each trustee has taken steps that they ought to have taken as a trustee in order to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information. The trustees confirm that there is no relevant information that they know of and of which they know the auditor is unaware.

The annual report was approved by the trustees of the charity on 5/5/22 and signed on its behalf by:

A Chapman  
Trustee

## **Ethiopiaid**

### **Independent Auditor's Report to the Members of Ethiopiaid**

#### **Opinion**

We have audited the financial statements of Ethiopiaid (the 'charity') for the year ended 31 December 2021, which comprise the Statement of Financial Activities, Balance Sheet, Statement of Cash Flows, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is United Kingdom Accounting Standards, comprising Charities SORP - FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and applicable law (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2021 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements were authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

#### **Other information**

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## **Ethiopiaid**

### **Independent Auditor's Report to the Members of Ethiopiaid**

#### **Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' Report has been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of our knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

#### **Responsibilities of trustees**

As explained more fully in the Statement of Trustees' Responsibilities (set out on page 15), the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

#### **Auditor responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

## Ethiopiaid

### Independent Auditor's Report to the Members of Ethiopiaid

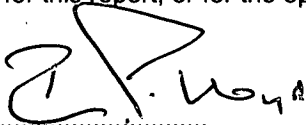

- Obtained an understanding of the nature of the industry and sector, including the legal and regulatory framework that the company operates in and how the company is complying with the legal and regulatory framework;
- Inquired of management, and those charged with governance, about their own identification and assessment of the risks or irregularities, including known and actual, suspected or alleged instances of fraud;
- Discussed matters about non-compliance with laws and regulations and how fraud might occur including assessment of how and where the financial statements may be susceptible to fraud.

However, it is the primary responsibility of management, with the oversight of those charged with governance, to ensure that the entity's operations are conducted in accordance with the provisions of laws and regulations and for the prevention and detection of fraud.

A further description of our responsibilities is available on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

#### Use of our report

This report is made solely to the charitable company's trustees, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Net cash flows from investing activities		<u>(1,314)</u>	<u>(5,113)</u>
Net decrease in cash and cash equivalents		(68,418)	(136,730)
Cash and cash equivalents at 1 January		<u>2,493,994</u>	<u>2,630,724</u>
Cash and cash equivalents at 31 December		<u><u>2,425,576</u></u>	<u><u>2,493,994</u></u>

All of the cash flows are derived from continuing operations during the above two periods.

The notes on pages 22 to 38 form an integral part of these financial statements.

## **Ethiopiaid**

### **Notes to the Financial Statements for the Year Ended 31 December 2021**

#### **1 Charity status**

The charity is limited by guarantee, incorporated in England and Wales, and consequently does not have share capital.

The address of its registered office is:

PO BOX 5168

Bath

BA1 0RR

#### **2 Accounting policies**

##### **Summary of significant accounting policies and key accounting estimates**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

##### **Statement of compliance**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

##### **Basis of preparation**

Ethiopiaid meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

##### **Going concern**

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

##### **Income and endowments**

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

## **Ethiopiaid**

### **Notes to the Financial Statements for the Year Ended 31 December 2021**

#### **Donations and legacies**

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Legacy gifts are recognised on a case by case basis following the grant of probate when the administrator/executor for the estate has communicated in writing both the amount and settlement date. In the event that the gift is in the form of an asset other than cash or a financial asset traded on a recognised stock exchange, recognition is subject to the value of the gift being reliably measurable with a degree of reasonable accuracy and the title to the asset having been transferred to the charity.

#### **Gifts in kind**

In kind support has been recognised at the commercial value of gifts/services received, less the amount paid by the Charity. Donations in kind are recognised when the receipt of the benefit is probable and the economic benefit can be measured reliably, being the amount the clients would have been willing to pay for the services or facilities received. A corresponding amount is recognised in expenditure in the period of receipts.

#### **Investment income**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

#### **Volunteer time**

No amount is included in the financial statements for volunteer time in line with the Charity SORP (FRS 102).

#### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

#### **Raising funds**

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

#### **Charitable activities**

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

#### **Grant provisions**

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

## **Ethiopiaid**

### **Notes to the Financial Statements for the Year Ended 31 December 2021**

#### **Support costs**

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

#### **Governance costs**

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees's meetings and reimbursed expenses.

#### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### **Tangible fixed assets**

Individual fixed assets costing £40 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

#### **Depreciation and amortisation**

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

<b>Asset class</b>	<b>Depreciation method and rate</b>
Office equipment	25% reducing balance

#### **Debtors**

Debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

#### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

## **Ethiopiaid**

### **Notes to the Financial Statements for the Year Ended 31 December 2021**

#### **Creditors**

Creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

#### **Fund structure**

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

#### **Pensions and other post retirement obligations**

The charity operates a defined contribution pension scheme which is a pension plan under which fixed contributions are paid into a pension fund and the charity has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised in the Statement of Financial Activities when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.

#### **Financial instruments**

##### ***Classification***

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

## **Ethiopiaid**

### **Notes to the Financial Statements for the Year Ended 31 December 2021**

#### ***Recognition and measurement***

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

## **Ethiopiaid**

### **Notes to the Financial Statements for the Year Ended 31 December 2021**

The specific purposes for which the funds are to be applied are as follows:

**Noma and Facial Disfigurement**

To cover the accommodation costs incurred by Cheshire Services Rehabilitation Centre for patients and carers recovering from complex surgeries undertaken by the charity Facing Africa.

**Hamlin Fistula Hospital**

To fund obstetric fistula surgeries, rehabilitation and midwifery training.

**Cheshire Services**

To fund the costs of programmes for children and young people living with disabilities and the scaling up of wheelchair production at Cheshire's Menagesha Rehabilitation Centre.

**Association for Women's Sanctuary and Development**

To fund the running costs of the organisation's safe house and gender based violence prevention programmes in Addis Ababa.

**Support for Women, Children and Older People**

To fund monthly welfare pensions for over 1,071 destitute elders and 100 orphaned vulnerable children.

**Special Educational Needs Ethiopia (previously SENTigray)**

To fund two new staff posts to support visually impaired children at the Mekele Blind School, Tigray, and visually impaired teenagers living independently in the community.

**Afar Pastoralist Development Association**

To fund female genital mutilation prevention programmes in communities in the Afar region of Ethiopia. Restricted funds were also raised for emergency relief support delivered by APDA.

**Dignity Period**

To fund the expansion of a schools menstrual hygiene programme in the Afar and Tigray regions

**Hope Enterprises**

To fund the technical vocational training programmes delivered by Hope Enterprises and associated core costs.

**Hospice Ethiopia**

To fund the delivery and expansion of a community based palliative care programme in Addis Ababa, Bahirdar and Hawassa.

**Hope University College**

To fund students to enable them to continue their studies.

**Healing Hands of Joy**

To fund the training of fistula patients to become safe motherhood ambassadors.

The transfers between funds are to cover resources expended in excess of incoming resources within the restricted funds. These allocations have been made from the General Fund.
