**COSTAIN ENGINEERING & CONSTRUCTION (OVERSEAS) LIMITED**  
**DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE PREPARATION OF**  
**FINANCIAL STATEMENTS**

**For the year ended 31 December 2002**

---

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those financial statements the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

**COSTAIN ENGINEERING & CONSTRUCTION (OVERSEAS) LIMITED**  
**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS**  
**For the year ended 31 December 2002**

---

We have audited the financial statements on pages 4 to 11.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**Respective responsibilities of directors and auditors**

The directors are responsible for preparing the directors' report and, as described on page 2, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

**Basis of audit opinion**

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

**Opinion**

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 December 2002 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

THE NOTES ON PAGES 6 TO 11 FORM PART OF THESE FINANCIAL STATEMENTS

**1. Accounting policies**

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

**BASIS OF ACCOUNTING**

The financial statements have been prepared in accordance with applicable United Kingdom Accounting Standards under the historical cost convention.

The financial statements present information about the company as an individual undertaking and not about its Group. The company is exempt from preparing group accounts (under section 228 of the Companies Act 1985) as it is included in the consolidated accounts of its ultimate parent company.

**FOREIGN CURRENCY TRANSACTIONS**

Monetary assets and liabilities denominated in foreign currencies have been translated into sterling at year end exchange rates. Exchange differences on such items and on transactions completed in the ordinary course of business are dealt with in profit on ordinary activities. Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of transaction.

**TAXATION**

Deferred taxation has been recognised as a liability or asset if transactions have occurred at the balance sheet date that give rise to an obligation to pay more taxation in future, or a right to pay less taxation in future. An asset is not recognised to the extent that the transfer of economic benefit in future is uncertain. Deferred tax assets and liabilities recognised have not been discounted.

**PENSIONS**

The company participates, on a defined contribution basis, in a pension scheme for the benefit of its employees. The assets of the scheme are held separately from those of the company in an independently administered fund.

The costs of pensions, in respect of the pension scheme in which the company participates, is charged to the profit and loss account and is equal to the contributions payable in the accounting period.

**CASH FLOW STATEMENT**

Under Financial Reporting Standard 1 (revised), the company is exempt from the requirement to prepare a cash flow statement on the grounds that the ultimate parent company includes the company in its own published consolidated financial statements.

**COSTAIN ENGINEERING & CONSTRUCTION (OVERSEAS) LIMITED**

	£	£
Profit on ordinary activities before taxation is after charging:		
Translation of foreign currency balances	43,627	16,657

The auditor's remuneration was borne by another group company.

**3. Staff costs**

The total number of staff employed by the company at year end was 15 (2001: 20), all of which were seconded full-time to the overseas contracts of fellow subsidiary undertakings. No costs for these staff were incurred by the company.

The company incurs pension costs in respect of employees, who participate in Costain Group's UK pensions scheme, on a defined contributions basis. The scheme is a defined benefits scheme and provides benefits to the employee based on final pensionable salary. Details of this scheme are included in the accounts of Costain Group PLC. The company does not participate in any surplus that may arise in the scheme.

The cost for the period of contributions to this scheme was £Nil (2001: £ nil). There are no outstanding or prepaid contributions at the balance sheet date.

**4. Remuneration of directors**
