Directors' Report

The directors present their report and accounts for the year ended 31 December 2004.

RESULTS AND DIVIDENDS

The company made a profit for the year of £3,647,000 (2003 – loss of £3,573,000). The preference dividend of £319,000 to the non-equity shareholders for the year ended 31 December 2004 (2003 – £319,000) has not been declared, but an appropriation equal to the dividend has been made in the profit and loss account in accordance with FRS 4 "Capital Instruments". The retained profit for the year of £3,328,000 (2003 – retained loss of £3,892,000) has been transferred to reserves.

PRINCIPAL ACTIVITY AND REVIEW OF THE BUSINESS

The principal activity of the company is to provide cable television services and telecommunication services and run certain of the telecommunication systems over which they are provided.

Turnover increased by 12% and gross profit margins improved slightly due to the increase in subscribers, particularly broadband customers. Administrative expenses decreased in 2004 compared to 2003 due to lower depreciation and lower operating expenses as a result of the reduction in the ntl group allocable cost base. The directors consider the results for the year to be satisfactory.

EVENTS SINCE THE BALANCE SHEET DATE

On 3 March 2006, NTL Incorporated, the company's ultimate parent undertaking, and Telewest Global, Inc. announced that they had completed the merger of the two businesses, creating the UK's second largest communications company.

Telewest Global, Inc. (now renamed NTL Incorporated), NTL Cable plc, NTL Investment Holdings Limited and certain of its subsidiaries and Telewest Communications Networks Limited and certain of its subsidiaries executed a Senior Facilities Agreement with a consortium of financial institutions. The new senior secured credit facility replaces the old facility and has an aggregate principal amount of £3.3 billion, comprising of a £3.2 billion 5 year term loan facility and a £100 million 5 year multi-currency revolving credit facility.

Telewest Global, Inc. and NTL Incorporated (now renamed NTL Holdings Inc.) also entered into a Senior Bridge Facilities Agreement with a consortium of financial institutions. This facility consists of a 1 year (automatically extendable to a 10 year) senior subordinated bridge facility in an aggregate principal amount of \$3.1 billion (£1.8 billion equivalent) for the purposes of financing the cash consideration payable pursuant to the merger agreement and paying the related fees, costs and expenses in connection therewith. This facility has now been fully drawn. In addition, NTL Incorporated and NTL Investment Holdings Limited agreed to engage the financial institutions for any take-out financing for the bridge facility.

NTL CABLECOMMS STOCKPORT
STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE ACCOUNTS

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business; and
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF NTL CABLECOMMS STOCKPORT

We have audited the company's accounts for the year ended 31 December 2004, which comprise the Profit and Loss Account, Statement of Total Recognised Gains and Losses, Balance Sheet, and the related notes 1 to 16. These accounts have been prepared on the basis of the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As described in the Statement of Directors' Responsibilities the company's directors are responsible for the preparation of the accounts in accordance with United Kingdom law and accounting standards.

Our responsibility is to audit the accounts in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the accounts give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the accounts, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

Opinion

In our opinion the accounts give a true and fair view of the state of affairs of the company as at 31 December 2004 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

1 Accounting policies (continued)

Deferred taxation

Deferred taxation is recognised in respect of all timing differences that have originated, but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax, with the following exceptions:

- (a) provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, and gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only when the replacement assets are sold;
- (b) provision is made for deferred tax that would arise on remittance of the retained earnings of overseas subsidiaries, associates and joint ventures only to the extent that, at the balance sheet date, dividends have been accrued as receivable; and
- (c) deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Cash flow statement

The company has taken advantage of the exemption under FRS 1 (revised) not to prepare a cash flow statement as it is a subsidiary which is at least 90% controlled by the ultimate parent undertaking (see note 15).

2 Turnover

Turnover represents the value of services provided, stated net of Value Added Tax, and is attributable to one continuing activity, being the provision of cable television services and telecommunication services and to run certain of the telecommunication systems over which they are provided, all of which is attributable to the United Kingdom.
