## **DIRECTOR'S REPORT**

The directors present their report and financial statements for the year ended 31 December 2002.

## **PRINCIPAL ACTIVITY AND FUTURE DEVELOPMENTS**

The company did not trade during the year, and accordingly no profit and loss account is presented. The directors do not anticipate that the company will trade during the current year.

The financial statements have not been prepared on a going concern basis as the company did not trade during the year, which makes the going concern presumption in FRS 18 "Accounting Policies" inappropriate. Therefore, the financial statements have been prepared on a break-up basis, which has not had a material impact on the financial statements.

## **BUSINESS REVIEW AND DIVIDENDS**

The state of the company's affairs is as shown in the attached financial statements. The directors do not recommend the payment of a dividend (2001 - £nil).

## **DIRECTOR AND HIS INTERESTS**

The following directors held office during the year:

NPH Webster  
RA Stevens

The director had no interests in the shares of the company, or any other group company, during the year.

## **STATEMENT OF DIRECTOR'S RESPONSIBILITIES**

The directors are required by company law to prepare financial statements which give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit or loss of the company for the period to that date. In preparing those financial statements the directors are required:

to select suitable accounting policies and then apply them consistently;

to make judgements and estimates that are reasonable and prudent;

to state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;

to prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors have responsibility for ensuring that the company keeps accounting records which disclose with reasonable accuracy the financial position of the company and which enable them to ensure that the financial statements of the company comply with the Companies Act 1985. The directors have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.
