DIRECTORS' REPORT For the year ended 31 March 2016

The directors present their annual report and financial statements for the year ended 31 March 2016.

PRINCIPAL ACTIVITIES AND REVIEW OF BUSINESS

The principal activity of the Company is that of providing venture capital investment management services to its clients. The Company had a very good year - principally as a result of receiving an incentive fee of £2.265m from Spark Ventures pic in relation to the float of iMi mobile. However Spark Ventures pic is no longer a client of the Company and with two other funds reaching the end of their fund lives, the Company now has just the one fund management contract from which it earns fees. Costs have therefore been cut considerably to give the Company sufficient time in which to find new sources of income.

RESULTS

The profit for the period, after taxation, amounted to £2,048,420 (Year to March 2015: £206,627).

DIRECTORS

The directors who served during the year were:

A D N Betton A B Carruthers (resigned 9 April 2015)

A D Duffy C J Gee
J R Patel T A Teichman

GOING CONCERN

Having reviewed the cash flow forecasts of the Company, the Directors are satisfied that the Company has adequate resources to continue its operations. The directors have therefore prepared the financial statements of the Company on a going concern basis.

PRINCIPAL RISKS AND UNCERTAINTIES

The principal risks affecting the Company are:

- 1 The underlying portfolios managed by the Company fall in value, with a corresponding reduction in investment management fees; and
- 2 Investment management contracts are terminated, again leading to the loss of future income.

However, these risks can be mitigated by reducing costs accordingly to avoid the Company making losses.

FUTURE DEVELOPMENTS

The Company continues to provide investment management services to the Second ISIS College fund under the management contract which has recently been extended to run until June 2018. The Company is actively seeking new sources of funding to exploit the strong track record of the investment team that has been recorded over recent years. It is too early to report on the likelihood of these activities being successful.

FINANCIAL INSTRUMENTS

The Company does not actively use financial instruments as part of its financial risk management, it is exposed to the usual credit risk and cash flow risk associated with providing its services to its customers on credit, and these risks are managed through appropriate credit control procedures. At 31 March 2016, the Company's working capital requirements and regulatory capital requirements were funded principally by retained earnings.

DIRECTORS' REPORT For the year ended 31 March 2016

PROVISION OF INFORMATION TO AUDITOR

Each of the persons who is a director at the date of approval of this report confirms that:

- (1) so far as each of the directors is aware, there is no relevant audit information of which the company's auditors are unaware; and
- (2) each of the directors has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the company's suddons are aware of that information.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements the directors are required to:

- select suitable accounting policies and then apply them consistently;
- · make judgments and estimates that are reasonable and prudent;
- stake whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements:
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and defection of fraud and other irregularities.

In preparing this directors' report advantage has been taken of the small companies' exemption.

The report was approved by the board on 25 July 2016 and signed on its behalf.

Director

Betton

25 July 2016

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SPARK VENTURE MANAGEMENT LIMITED

We have audited the financial statements of Spark Venture Management Limited for the year ended 31 March 2016 which comprise the Income statement, the statement of financial position, the statement of changes in equity and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the statement of directors' responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Audifing (UK and Ireland). Those standards require us to comply with the Financial Reporting Council's (FRC's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the FRC's website at www.frc.org.uk/auditscopeukprivale.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 March 2016 and of its profit for the year then ended;
- · have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if. In our obinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- · we have not received all the information and explanations we require for our audit; or
- · the directors were not entitled to prepare the financial statements and the directors' report in accordance with the small companies regime and to the exemptign from the requirement to prepare a strategic report.

Michelle Carroll (Senior statutory auditor) for anoth behalf of BDO LLP, Statutory auditors

London, UK 25 July 2016

BDO LLP is a limited liability partnership redistered in England and Wales (with registered number OC305127).

NOTES TO THE ACCOUNTS for the period ended 31 March 2016

1 ACCOUNTING POLICIES

The financial statements have been prepared in accordance with FRS 102, the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland.

FRS 102 is mandatory for accounting periods beginning on or after 1 January 2015. Information on the impact of first-time adoption of FRS 102 is given in note 18.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires the Directors to exercise judgement in applying the Company's accounting policies.

The Company has taken advantage of exemptions available to qualifying entities and has not prepared a statement of cash flows statement on the grounds that a parent undertaking includes the Company in its own published consolidated financial statements.

The directors have carefully considered the going concern statement and after making enquiries, including review of forecast profit and loss, balance sheet and cash flow for a period of no less than 12 months from the date of signing the accounts, the Board have continued to adopt the going concern assumption in preparing the financial statements.

The following principal accounting policies have been applied:

Turnover

Turnover represents amounts derived from the management and operation of venture capital funds and the provision of management or advisory services to third parties, excluding value added tax.

Tangible fixed assets

Tangible fixed assets are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

The Company adds to the carrying amount of an item of fixed assets the cost of replacing part of such an item when that cost is incurred if the replacement part is expected to provide incremental future benefits to the Company. The carrying amount of the replaced part is derecognised. Repairs and maintenance are charged to the income statement during the period in which they are incurred.

Depreciation on other assets is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method. The estimated useful lives range as follows:

Office equipment - 33% straightline

Current and deferred taxation

The tax expense for the period comprises current and deferred tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the Company's subsidiaries operate and generate taxable income.

Deferred balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date, except:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- · Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax belances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax.

Deferred income tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.

NOTES TO THE ACCOUNTS for the period ended 31 March 2016

Pensions

The Company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Company to the fund in respect of the year.

Reserves

The Company reserves are as follows:

- · Called up share capital reserve represents the nominal values of shares issued.
- · Profit and loss account represents cumulative profit and losses net of dividends paid and other adjustments.

2 TURNOVER

All turnover arose within the United Kingdom.

3	OPERATING PROFIT		
	The operating profit is stated after charging:	2016	2016
