DIRECTORS' REPORT

The Directors present their report and the audited accounts for the 15 months ended 31 March 1998.

ACTIVITIES AND REVIEW OF DEVELOPMENTS

The principal activity of the Company is the provision of cable television and telecommunications services under licences awarded to it for the Macclesfield area.

The Directors expect the operations of the Company to continue to expand in the forthcoming year.

RESULTS AND DIVIDENDS

The Company made a loss for the period of £3,628,000 (Year ended 31 December 1996: £2,230,000). The preference dividend of £169,000 to the non-equity shareholders for the period ended 31 March 1998 (1996: £135,000) has not been declared, but an appropriation equal to the dividend has been made in the profit and loss account in accordance with Financial Reporting Standard No. 4. The retained loss for the period of £3,797,000 (1996: £2,365,000) has been transferred to reserves.

DIRECTORS AND THEIR INTERESTS

The Directors currently serving or who held office during the period were as follows:

J Killian	(resigned 2 June 1997)
N Mearing-Smith	
P Repp	(resigned 2 June 1997)
G Wallace	(appointed 2 June 1997)

R Drolet	57,542	-	-	57,542	\$4.583	1/5/97	2/7/03

EMPLOYEES

The Company has no employees. Most Group employees are employed by a fellow Group Company, Cable and Wireless Communications plc.

PAYMENTS TO SUPPLIERS

The Company does not enter into contracts with suppliers. Cable and Wireless Communications Services Limited, a fellow Group Company, enters into most contracts with suppliers to the Cable and Wireless Communications Group.

DIRECTORS' REPORT

YEAR 2000

The matters relating to the impact of the Year 2000 issue on the reporting systems and operations of the Company are set out on page 23 of the 1998 Annual Report and Accounts of Cable & Wireless Communications plc.

AUDITORS

On 7 July 1998, Coopers & Lybrand resigned and Arthur Andersen were appointed as auditors.

Approved by the Board of Directors

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The Directors are required by the Companies Act 1985 to prepare accounts for each financial period which give a true and fair view of the state of affairs of the Company at the end of the financial period and of the profit or loss for the financial period:

The Directors are responsible for ensuring that in preparing the accounts, the Company has:

- selected appropriate accounting policies and applied them consistently;
- made judgements and estimates that are reasonable and prudent;
- followed applicable accounting standards, subject to any explanations and material departures disclosed in the notes to the accounts; and
- prepared the accounts on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose, with reasonable accuracy the financial position of the Company which enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS' REPORT TO THE MEMBERS OF NYNEX CABLECOMMS MACCLESFIELD

We have audited the accounts on pages 6 to 19 which have been prepared under the historical cost convention and the accounting policies set out on pages 8 to 10.

Respective responsibilities of Directors and Auditors

As described on page 4, the Company's Directors are responsible for the preparation of the accounts. It is our responsibility to form an independent opinion, based on our audit, on those accounts and to report our opinion to you.

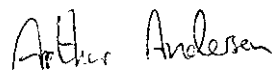

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the accounts and of whether the accounting policies are appropriate to the circumstances of the Company, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

Opinion

In our opinion the accounts give a true and fair view of the state of affairs of the Company at 31 March 1998 and of its loss for the period then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE ACCOUNTS
15 months ended 31 March 1998

1. STATEMENT OF ACCOUNTING POLICIES

The principal accounting policies, which have been applied consistently in the preparation of the accounts, are as follows:

(a) Basis of preparation

The accounts are prepared in accordance with applicable Accounting Standards in the United Kingdom and on the historical cost basis.

(b) Turnover and revenue recognition

Turnover, which excludes value added tax, is accounted for on the accruals basis. Revenue is recognised in the period in which the service is provided. Turnover derives from local, national and international telecommunications and cable television services.

(c) Tangible fixed assets and depreciation

Tangible fixed assets are recorded at cost which includes materials, direct labour and general administrative expenses directly attributable to the design, construction and connection of the telecommunications and cable television networks and equipment.

Administrative expenses to be capitalised include all overheads of those departments responsible solely for design (including feasibility studies), construction and connection. Where departments spend only part of their time on functions directly connected with design, construction and connection, the relevant proportion of total overheads is capitalised.

Capitalisation of costs ceases once projects are substantially complete. Costs which are initially capitalised on projects under construction where the projects do not become operational are written off to the profit and loss account, once it is determined that the project will not become operational.

Costs of departments relating to revenue related operations, such as direct selling, marketing and other customer related departments, are not capitalised.

Capitalisation of interest

Interest is capitalised as part of the cost of separately identifiable major capital projects, up to the time that such projects are substantially complete. The amount of interest capitalised is calculated as the capitalisation rate multiplied by the weighted average carrying amount of major capital projects under construction during the period. The capitalisation rate during the period was the Company's weighted average cost of capital of 8%.

Depreciation

Depreciation is provided on the difference between the cost of tangible fixed assets and their estimated residual value in equal annual instalments over the estimated useful lives of the assets. The Directors review the useful economic lives and estimated residual values of all assets annually. Where expectations are significantly different from previous estimates, the remaining net book values of the assets are depreciated over the remaining useful economic life.

NOTES TO THE ACCOUNTS
15 months ended 31 March 1998

1. STATEMENT OF ACCOUNTING POLICIES (continued)

The current estimated useful lives are as follows:

	Lives:
Land and buildings:	
- freehold buildings	to 40 years
- leasehold land and buildings	to 40 years or term of lease if less
- leasehold improvements	remaining term of lease or expected useful life of the improvements
Communications network plant and equipment:	
- ducting and network construction	10 to 40 years
- electronic equipment and cabling	10 to 15 years
- other network plant and equipment	6 to 25 years
Non-network plant and equipment	3 to 10 years

Freehold land, where the cost is distinguishable from the cost of the building thereon, is not depreciated.

After a portion of the network is fully constructed and released to operations, depreciation of that portion commences at the earlier of six months after the release date or when target rates of penetration are achieved.

Franchise applications and other start-up costs

Franchise application costs represent the acquisition costs of rights to operate a telecommunications network in a given territory. Costs of successful and unsuccessful cable television franchise applications are written off as incurred. Costs incurred between the award of a franchise licence and the connection of the first customer are written off over the period during which revenues are generated by the franchise.

(d) Fixed asset investments

Fixed asset investments are stated at cost less provisions for impairment.

Consolidated accounts are not prepared as the Company is a wholly owned subsidiary of another Company incorporated in Great Britain which prepares Group accounts.

(e) Deferred taxation

The charge for taxation is based on the results for the period and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. The Company provides for deferred tax only when there is a reasonable probability that the liability will arise in the foreseeable future. Where deferred tax is provided, the liability method is used. No deferred tax assets are recognised in respect of accumulated tax losses.

NOTES TO THE ACCOUNTS
15 months ended 31 March 1998

1. STATEMENT OF ACCOUNTING POLICIES (continued)

(f) Pensions

Defined contribution schemes

The Company participates in defined contribution pension schemes for certain employees. The pension costs charged to the profit and loss account represent contributions payable during the period.

(g) Foreign currencies

Transactions are recorded in sterling at the rate of exchange ruling on the date of the transactions, except for those for which forward cover has been purchased. All monetary assets and liabilities denominated in foreign currency are translated at the rates ruling at the balance sheet date. All exchange differences arising are dealt with through the profit and loss account.

(h) Provisions

The Company accounts for provisions in accordance with Financial Reporting Standard No. 12 'Provisions and Contingencies'. Consequently, provisions are only recognised when the Company has a legal or constructive obligation to transfer economic benefits as a result of past events. The amount recognised as a provision is a realistic and prudent estimate of the expenditure required to settle the obligation.

(i) Cash flow statement

Under the provisions of Financial Reporting Standard No. 1 (Revised), the Company has not prepared a cash flow statement because it is a wholly owned subsidiary of a Company incorporated in Great Britain which is part of a Group which prepares a consolidated cash flow statement (see Note 23).

2. TURNOVER

Turnover is attributable principally to the provision of telecommunications (including cable television) services in the United Kingdom. The Directors consider this to be a single class of business and accordingly no segmental analysis of operating loss or net assets is shown.

3. PROVISIONS AND WRITE DOWN OF OTHER ASSETS

During 1997, Cable & Wireless Communications plc undertook a review of the net book values of the assets and liabilities of the Company. This resulted in a charge of £651,000 principally relating to the write off of long term debtors.

4. COSTS OF REORGANISATION

Following the formation of the Cable & Wireless Communications Group on 28 April 1997, the nature and focus of operations of group Companies have been fundamentally reorganised. Costs of £264,000 were incurred by the Company which include its share of the Group's branding, employee related costs such as redundancies, asset write downs and property rationalisations.

NOTES TO THE ACCOUNTS

The Directors' emoluments for the current period have been borne by a fellow subsidiary undertaking.

8. STAFF NUMBERS AND COSTS

Cable & Wireless Communications plc, a fellow Group Company, employs most of the Group's employees. Details of staff numbers and staff costs for the Group are disclosed in the accounts of Cable & Wireless Communications plc.

In the year ended 31 December 1996 and the period ended 27 April 1997, payroll costs were incurred directly or indirectly by NYNEX Cablecomms Limited and recharged to the UK Cable Operations of the NYNEX Group under management service agreements. The payroll costs attributable to the Company were as follows:

	4 months ended 27 April 1997 £'000	Year ended 31 December 1996 £'000
Wages and salaries	217	379
