TELEWEST COMMUNICATIONS (ST HELENS & KNOWSLEY) LIMITED

DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2016

The directors present their report and the financial statements for the year ended 31 December 2016.

Principal activities and business review

The principal activity of the company during the year was to receive interest on inter-company receivables due from fellow group undertakings. It is the intention of the directors that this entity will become dormant.

The company is a wholly owned subsidiary undertaking of Virgin Media Inc. (Virgin Media) which is itself a wholly owned subsidiary of Liberty Global plc (Liberty Global).

The Virgin Media Inc. consolidated group (the group) operates under the Virgin Media brand in the United Kingdom (UK) and Republic of Ireland (Ireland).

The group provides video, broadband internet, fixed-line telephony and mobile services in the UK and Ireland to both residential and business-to-business (B2B) customers. The group is one of the largest providers of video, broadband internet and fixed-line telephony services in terms of the number of customers in the UK and Ireland. The group believes its advanced, deep-fibre cable access network enables it to offer faster and higher quality broadband services than its digital subscriber line, or DSL, competitors. As a result, it provides its customers with a leading, next-generation broadband service and one of the most advanced interactive television services available in the UK and Irish markets.

The group provides mobile services to its customers using a third-party network through mobile virtual network operators (MVNO) arrangements.

In addition, through the Virgin Media Business brand, the group offers a broad portfolio of B2B voice, data, internet, broadband and managed services solutions to small businesses, medium and large enterprises and public sector organisations in the UK and Ireland.

At 31 December 2016, the group provided services to approximately 5.7 million residential cable customers on its network. The group is also one of the largest MVNO by number of customers, providing mobile telephony services to 2.4 million contract mobile customers and 0.6 million prepay mobile customers over third party networks. At 31 December 2016, 83% of residential customers on the group's cable network received multiple services and 62% were "triple-play" customers, receiving broadband internet, video and fixed-line telephony services from the group.

Liberty Global is the largest international cable company with operations in more than 30 countries and its market-leading triple-play services are provided through next-generation networks and innovative technology platforms that connected 25 million customers subscribing to 50 million television, broadband internet and telephony services. In addition at 31 December 2016, Liberty Global served 10 million mobile subscribers and offered WiFi service across 5 million access points.

Future outlook

The directors will continue to review management policies in light of changing trading and market conditions. Further detail of the future outlook of the group, including consideration of the impact of the UK referendum in June 2016 and the withdrawal from the European Union, is provided in Virgin Media Inc.'s financial statements and annual report for 2016, which are available from the company secretary at Virgin Media, Bartley Wood Business Park, Hook, Hampshire, RG27 9UP.

Results and dividends

The profit for the year, after tax, amounted to £9,335,000 (2015 - £3,090,000).

On 2 September 2016, the company paid a dividend of £8,387,000 (2015 - £nil).

Directors

The directors who served during the year and thereafter were as follows:

R D Dunn
M O Hifzi

The directors of the company have been indemnified against liability in respect of proceedings brought by third parties, subject to the conditions set out in the Companies Act 2006. Such qualifying third party indemnity provision is in force for directors serving during the financial year and as at the date of approving the Directors' report.

TELEWEST COMMUNICATIONS (ST HELENS & KNOWSLEY) LIMITED

DIRECTORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2016

Going concern

After making suitable enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing these financial statements.

Audit exemption
