## **DIRECTORS' REPORT**

The directors present their annual report and the audited financial statements for the year ended 31 December 2007.

The directors' report has been prepared in accordance with the special provisions relating to small companies under Section 246(4) of the Companies Act 1985.

### PRINCIPAL ACTIVITY

The company's principal activity is that of an investment company.

## REVIEW OF DEVELOPMENTS AND FUTURE PROSPECTS

The directors are satisfied with the result achieved by the company and expect the level of activity to be similar in the year ahead.

### GOING CONCERN

The company has a deed of guarantee in place with its ultimate parent undertaking, Getinge AB, which irrevocably guarantees to provide financial support to the company as may from time to time be necessary to enable the company to perform its business and satisfy its financial obligations as they fall due for the foreseeable future. The directors have assessed the ability of Getinge AB to provide that support and, on that basis, have concluded that the application of the going concern basis of preparation of the financial statements is appropriate.

### DIVIDENDS

During the year a dividend of £nil (2006 - £30,010,672) was paid to the parent company, Huntleigh Technology Limited (formerly Huntleigh Technology PLC).

The directors do not recommend the payment of a final dividend (2006 - £nil).

### FINANCIAL RISK MANAGEMENT

The company is exposed to financial risk through its financial assets and liabilities. The key financial risk is that the proceeds from financial assets are not sufficient to fund obligations as they fall due. The most important components of financial risk are interest rate risk, currency risk, credit risk, liquidity risk, cash flow risk and price risk.

Due to the nature of the company's business and the assets and liabilities contained within the company's balance sheet, the only financial risks the directors consider relevant to this company are interest rate risk and credit risk. Key management mitigate these risks by regular monitoring throughout the year.

The company does not manage its financial risk by the use of financial derivative instruments.

### **DIRECTORS**

The directors who served during the year were as follows:

D L Schild (Resigned 28 February 2007)
J D Schild (Resigned 28 February 2007)
U S Fristedt (Appointed 28 February 2007)
R M Bloom (Appointed 29 June 2007)

T Jameson (Appointed 28 February 2007, resigned 29 June 2007)

# **DIRECTORS' REPORT**

### **AUDITORS**

In the case of each of the persons who are directors of the company at the date when this report is approved:

- so far as each of the directors is aware, there is no relevant audit information (as defined in the Companies Act 1985) of which the company's auditors are unaware; and
- each of the directors has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information (as defined) and to establish that the company's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s234ZA of the Companies Act 1985.

On 1 December 2008 Deloitte & Touche LLP changed their name to Deloitte LLP and will sign in that name.

The directors expect to ask Deloitte LLP to resign as auditors and appoint PricewaterhouseCoopers LLP as auditors for the next financial year.

Approved by the Board of Directors and signed on behalf of the Board

R M Bloom

Director

## STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF HUNTLEIGH LUTON LIMITED

We have audited the financial statements of Huntleigh Luton Limited for the year ended 31 December 2007 which comprise the profit and loss account, the balance sheet and the related notes 1 to 14. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Directors' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements.

In addition we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

# Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

# NOTES TO THE FINANCIAL STATEMENTS Year ended 31 December 2007

### 1. ACCOUNTING POLICIES

The principal accounting policies are summarised below. They have all been applied consistently throughout the current and the preceding year.

### Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with applicable United Kingdom accounting standards.

### Going concern

The company has a deed of guarantee in place with its ultimate parent undertaking, Getinge AB, which irrevocably guarantees to provide financial support to the company as may from time to time be necessary to enable the company to perform its business and satisfy its financial obligations as they fall due for the foreseeable future. The directors have assessed the ability of Getinge AB to provide that support and, on that basis, have concluded that the application of the going concern basis of preparation of the financial statements is appropriate.

### Cash flow statement

As permitted by Financial Reporting Standard No 1 (Revised) "Cash flow statements" the company has not included a cash flow statement as part of its financial statements because the consolidated financial statements of the ultimate parent company Getinge AB are publicly available.

### Consolidation

As permitted by s228 of the Companies Act 1985, the company has not prepared consolidated financial statements as it is a subsidiary of Getinge AB, a company incorporated in Sweden, which prepares publicly available consolidated accounts.

These financial statements therefore present information about the company as an individual undertaking and not about its group.

### Investments

Investments held as fixed assets are stated at cost less any provision for impairment in value.

### Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is provided in full on timing differences, which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

### 2. INFORMATION REGARDING DIRECTORS AND EMPLOYEES

During the current and preceding year there were no employees and the directors did not receive any remuneration from Huntleigh Luton Limited for their services to the company.

# NOTES TO THE FINANCIAL STATEMENTS Year ended 31 December 2007
