HUNTLEIGH LUTON LIMITED

DIRECTORS' REPORT

The directors present their annual report and the audited financial statements for the year ended 31 December 2009

The directors' report has been prepared in accordance with the special provisions relating to small companies under Section 416(3) and 417(1) of the Companies Act 2006

PRINCIPAL ACTIVITY

The company's principal activity is that of an investment company

REVIEW OF DEVELOPMENTS AND FUTURE PROSPECTS

The directors are satisfied with the result achieved by the company and expect the level of activity to be similar in the year ahead

GOING CONCERN

The company has a deed of guarantee in place with its ultimate parent undertaking, Getinge AB, which irrevocably guarantees to provide financial support to the company as may from time to time be necessary to enable the company to perform its business and satisfy its financial obligations as they fall due for the foreseeable future. The directors have assessed the ability of Getinge AB to provide that support and, on that basis, have concluded that the application of the going concern basis of preparation of the financial statements is appropriate

DIVIDENDS

During the year a dividend of £nil (2008 - £200,000,000) was paid to the parent company, Huntleigh Technology Limited

The directors do not recommend the payment of a final dividend (2008 - £nil)

FINANCIAL RISK MANAGEMENT

The company is exposed to financial risk through its financial assets and liabilities. The key financial risk is that the proceeds from financial assets are not sufficient to fund obligations as they fall due. The most important components of financial risk are interest rate risk, currency risk, credit risk, liquidity risk, cash flow risk and price risk.

Due to the nature of the company's business and the assets and liabilities contained within the company's balance sheet, the only financial risks the directors consider relevant to this company are interest rate risk and credit risk. Key management mitigate these risks by regular monitoring throughout the year.

The company does not manage its financial risk by the use of financial derivative instruments.

DIRECTORS

The directors who served during the year were as follows

U S Fristedt (resigned 1 August 2009)

L E Mårtensson (appointed 1 August 2009)

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF HUNTLEIGH LUTON LIMITED

We have audited the financial statements of Huntleigh Luton Limited for the year ended 31 December 2009 which comprise the Profit and Loss Account, the Balance Sheet, and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2009 and of its loss for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

NOTES TO THE FINANCIAL STATEMENTS

Year ended 31 December 2009

1. ACCOUNTING POLICIES

The principal accounting policies are summarised below. They have all been applied consistently throughout the current and the preceding year.

Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with applicable United Kingdom accounting standards.

Going concern

The company has a deed of guarantee in place with its ultimate parent undertaking, Getinge AB, which irrevocably guarantees to provide financial support to the company as may from time to time be necessary to enable the company to perform its business and satisfy its financial obligations as they fall due for the foreseeable future. The directors have assessed the ability of Getinge AB to provide that support and, on that basis, have concluded that the application of the going concern basis of preparation of the financial statements is appropriate.

Cash flow statement

As permitted by Financial Reporting Standard No 1 (Revised) "Cash flow statements" the company has not included a cash flow statement as part of its financial statements because the consolidated financial statements of the ultimate parent company Getinge AB are publicly available.

Consolidation

As permitted by Section 400 of the Companies Act 2006, the company has not prepared consolidated financial statements as it is a subsidiary of Getinge AB, a company incorporated in Sweden, which prepares publicly available consolidated accounts.

These financial statements therefore present information about the company as an individual undertaking and not about its group.

Investments

Investments held as fixed assets are stated at cost less any provision for impairment in value.

Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is provided in full on timing differences, which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

2. INFORMATION REGARDING DIRECTORS AND EMPLOYEES
