Directors' Report for the 12 months to 31 March 2015

The Directors present their Report and Financial Statements for the 12 months to 31 March 2015. F & N E (1990) Limited ('the Company') is a limited liability company incorporated and domiciled in the United Kingdom.

Principal activity and business review

The Company qualifies as a small company in accordance with sections 381-382 of the Companies Act 2006 (the 'Act'). The Directors' report has therefore been prepared taking into consideration the entitlement to small companies exemptions in section 414B (as incorporated to the Act by the Strategic Report and Directors' Regulations 2013) of the Act.

The Company's principal activity has been the development and disposal of land, primarily for residential purposes. The development of land at Leigh, Greater Manchester was completed in 1998. It is the intention of the Directors, all units having now been legally completed, to dispose of the remainder of the site by way of road adoptions and public open space being taken over by the Local Authority.

The Company has not traded during the current year or the preceding period and consequently made neither a profit nor a loss.

The shareholders have each provided an undertaking not to call any amount of the debts due to them as set out in note 5 to the Financial Statements within 12 months from the date of signature of these Financial Statements.

Dividends

No dividend was paid in the year (15 months to March 2014: £nil), and the Directors do not recommend the payment of a final dividend for the year.

Directors and their interests

The Directors who served during the year and up to the date of signing the Financial Statements were as follows:

Amec Nominees Limited

John Gornall (appointed 30 June 2014)

Paul Hopkinson (resigned 30 June 2014)

Risk management and control

The Directors have responsibility for the overall system of internal control and for reviewing its effectiveness. The effectiveness of the risk management is then monitored on an ongoing basis. Details of the Company's risks and their management and control are provided in note 8 and further discussion in the context of the NRAM Group as a whole is provided in that Group's 2015 Annual Report & Accounts which do not form part of this Report and Financial Statements.

Directors' indemnities

Qualifying third party indemnity provision for the benefit of all Directors was in force during the year under review, and remains in force at the date of approval of the Directors' Report and Financial Statements.

UKAR has also arranged Directors' and Officers' Insurance on behalf of the Directors in accordance with the provisions of the Companies Act 2006.

Statement of Directors' Responsibilities

The Directors are responsible for preparing the Directors' Report and the Financial Statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare Financial Statements for each financial period. Under that law the Directors have prepared the Financial Statements in accordance with International Financial Reporting Standards ('IFRS') as adopted by the European Union. Under company law the Directors must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these Financial Statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable IFRS as adopted by the EU have been followed, subject to any material departures disclosed and explained in the Financial Statements; and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

F & N E (1990) Limited

Notes to the Financial Statements for the 12 months to 31 March 2015

1. Principal accounting policies

The Company is a limited liability company incorporated and domiciled in the United Kingdom.

(a) Statement of compliance

The Company's Financial Statements have been prepared and approved by the Director in accordance with International Financial Reporting Standards as adopted by the EU ('Adopted IFRS').

The Financial Statements comply with the relevant provisions of Part 15 of the Companies Act 2006 and regulations made thereunder.

(b) Basis of preparation

The Financial Statements are prepared on the historical cost basis, all of the Company's financial assets and liabilities are carried at amortised cost.

The Financial Statements are presented in pounds sterling, which is the currency of the Company's primary operating environment, and on a going concern basis. The validity of the going concern basis of accounting is dependent upon the funding position of the Company. At the date of approval of these Financial Statements, the NRAM Group is reliant upon the financing facilities and the guarantee arrangements provided to NRAM by HM Treasury. Withdrawal of the financing facilities or the guarantee arrangements would have a significant impact on the NRAM Group's and the Company's operations and their ability to continue as a going concern, in which case adjustments may have to be made to reduce the carrying value of assets to recoverable amounts and to provide for further liabilities that might arise. At the date of signing these Financial Statements, HM Treasury has confirmed its intentions to continue to provide funding until at least 1 January 2017.

The Directors consider that the accounting policies set out in this note are the most appropriate to the Company's circumstances, have been consistently applied to the Company in dealing with items which are considered material, and are supported by reasonable and prudent estimates and judgements.

The Financial Statements have been prepared in accordance with EU adopted IFRS, IFRIC interpretations issued by the IFRS Interpretations Committee (formerly the International Financial Reporting Interpretations Committee) and with those parts of the Companies Act 2006 (the 'Act') applicable to companies reporting under IFRS. A summary of accounting policies is set out below. The preparation of the Financial Statements in conformity with these accounting policies and generally accepted accounting principles requires the use of estimates and assumptions that affect the reported values of assets and liabilities at the date of the Financial Statements and the reported amounts of revenues and expenses during the reporting period. Although these estimates are based on management's best knowledge of the amounts, event or actions, actual results ultimately may differ from those estimates; further information is provided in note 2.

At 31 March 2015 the Company's liabilities exceeded its assets. However the Directors have prepared the Financial Statements on the going concern basis of accounting in view of the fact that the loans owed by the Company (see note 5) are only payable to the extent that the total of there loans exceeds the losses of the Company.

F & N E (1990) Limited

Amounts owed to the parent undertakings are repayable on demand.

(c) Credit risk

All receivables as at 31 March 2015 are neither past due nor impaired. The maximum credit exposure is the carrying value of the asset.
