Report of the auditors to the members of Your More Store Limited

We have audited the financial statements on pages 5 to 18.

Respective responsibilities of directors and auditors

As described on page 3, the company's directors are responsible for the preparation of the financial statements. It is our responsibility to form an independent opinion, based on our audit, on the financial statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the company and the group at 30 June 1997 and of the profit, and cash flows of the group for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

| 2% |
|---------------------------------|
| 4% or over lease period if less |
| 20% |
| 25% |
| 15% |
| 10% |
| |

Deferred taxation

Provision is made for deferred taxation using the liability method, on all material timing differencess to the extent that it is probable that a liability or asset will crystallise.
