Directors' Report

For the Year Ended 31 December 2000 (Continued)

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- Select suitable accounting policies and then apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors

The auditors, PricewaterhouseCoopers, have indicated their willingness to continue in office, since the company has dispensed with the obligation to appoint auditors annually, PricewaterhouseCoopers will continue in office.

Approved by the Board on 17 October 2001, and signed on its behalf by

Company Secretary

Independent Auditors' Report to the Members of Notepike Limited

We have audited the financial statements on pages 4 to 10 which have been prepared under the historical cost convention and the accounting policies set out on page 6.

Respective responsibilities of directors and auditors

The Directors are responsible for preparing the Annual Report. As described on page 2, this includes responsibility for preparing the financial statements, in accordance with applicable United Kingdom accounting standards. Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards issued by the Auditing Practices Board.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the United Kingdom Companies Act 1985. We also report to you if, in our opinion, the Directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding Directors' remuneration and transactions is not disclosed.

We read the other information contained in the Annual Report and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements.

Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the Company's affairs at 31 December 2000 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes to the Financial Statements For the Year Ended 31 December 2000

1 Accounting policies

Basis of accounting

The financial statements have been prepared in accordance with applicable accounting standards in the United Kingdom under the historical cost convention. Accounts are made up to the nearest practicable Friday to 31 December each year.

A summary of the more important accounting policies, which have been applied consistently, except as noted, is set out below.

Leases

Where fixed assets are financed by leasing agreements which give rights approximately equivalent to ownership (finance lease) the assets are capitalised. The corresponding lease commitments are treated as obligations to the lessor. All other lease payments are charged to the profit and loss account in the year to which they relate.

Deferred taxation

Deferred taxation is provided on the liability method where, in the opinion of the directors, it is probable that the liability will crystallise in the foreseeable future.

Cash flow statement and related party transactions

The company is a wholly owned subsidiary of Nestor Healthcare Group plc and is included in the consolidated financial statements of Nestor Healthcare Group plc, which are publicly available. Consequently, the company is exempt under the terms of Financial Reporting Standard 1 (revised 1996) from preparing its own cash flow statement. The company is also exempt under the terms of Financial Reporting Standard 8 from disclosing related party transactions with entities that are part of the Nestor Healthcare Group plc group or investees of the Nestor Healthcare Group plc group.

2 Turnover

Turnover represents the amount of rent receivable from properties sub-let by the Company, net of value added tax. All turnover is attributable to the UK market.

3 Employee information

The company had no employees during the financial year (1999: Nil).
