**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31ST JULY 2021**

**1. STATUTORY INFORMATION**

GB Antiques Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

**2. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

**Turnover**

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

**Goodwill**

The goodwill acquired several years ago has been written off in full to the profit and loss account.

**Intangible assets**

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Buildings	- 7.5% on reducing balance
Improvements to property	- 7.5% on reducing balance
Plant and machinery	- 10% on reducing balance
Fixtures and fittings	- 20% on reducing balance
Motor vehicles	- 25% on reducing balance

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Hire purchase and leasing commitments**

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to profit or loss over the relevant period. The capital element of the future payments is treated as a liability.

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

**Going concern**

Despite the Company's balance sheet showing net liabilities at the year end, the accounts have been prepared on a going concern basis, which the director believes to be appropriate, having considered the next twelve months and the foreseeable future.

Part of the year end creditors relates to an amount payable to another group undertaking totalling £827,747. The directors have given their support to the company and will not seek repayment of this amount until the company is in a position to make this payment without hindering its cash flow requirements.
