Director's responsibilities statement

for the financial year ended 31 December 2020

The director is responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law the director has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 101 'Reduced Disclosure Framework'.

Under company law the director must not approve the financial statements unless he is satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss for that period.

In preparing these financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable him to ensure that the financial statements comply with the Companies Act 2006. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

To assist himself in discharging these responsibilities, the director has engaged a number of third-party providers including an accounting firm who is engaged to prepare the company's financial statements, as well as Honeywell International Inc.'s own finance shared service centre located in Bengaluru. Honeywell operates a country controllership model under which an identified senior finance representative is responsible for all of the UK and Ireland entities, supported by a wider finance team and under the supervision of the Regional Finance Leader for Western Europe. The director has ensured that adequate processes are in place to maintain oversight and supervision over these various providers and processes and to ensure there is clear linkage with the company's activities.

Profit and loss account

for the financial year ended 31 December 2020

The company did not trade during the financial year or the preceding financial year. The company received no income and incurred no expenditure during these years. Consequently, during these years the company made neither a profit nor a loss.

The company has no other recognised gains and losses nor any cash flow during these years and accordingly no statement of total recognised gains and losses, reconciliation of movements in shareholder's funds or cash flow statement is presented.

Notes to the financial statements

for the financial year ended 31 December 2020

1. General information

First Technology International Limited is a private company limited by shares which is incorporated in the United Kingdom under the Companies Act 2006 and is registered in England and Wales. The nature of the company's operations and its principal activities are set out in the director's report on page 1.

The immediate parent undertaking is First Technology Limited, a company incorporated in United Kingdom. The registered office of the parent company is Honeywell House, Skimped Hill Lane, Bracknell, Berks, RG12 1EB, England, United Kingdom.

The financial statements contain information about the company as an individual company and do not contain consolidated financial information as parent of a group.

The company is exempt under section 401 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as it and its subsidiary undertakings are included by full consolidation in the financial statements of Honeywell International Inc., a company registered in the USA. Honeywell International Inc. is the company's ultimate parent company and controlling party, heading up the smallest and largest group to consolidate these financial statements. The registered office of the ultimate parent company is located at 300 South Tryon Street, Charlotte, NC 28202, USA. The financial statements of Honeywell International Inc. are publicly available and can be obtained from the Internet at www.honeywell.com.

2. Significant accounting policies

The accounting policies that have been applied consistently throughout the financial year and in the preceding year are set out below:

Basis of preparation

The company meets the definition of a qualifying entity under FRS 100 'Application of Financial Reporting Requirements' issued by the FRC. Accordingly, these financial statements were prepared in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' and the Companies Act 2006.

These financial statements are prepared on a going concern basis, under the historical cost convention, and in accordance with the Companies Act 2006. The company's financial statements are presented in Sterling and all values are rounded to the nearest thousand pounds (£000) except when otherwise indicated.

The company has taken advantage of the following disclosure exemptions under FRS 101:

- the requirements of IFRS 7 Financial Instruments: Disclosures;
- the requirements of paragraphs 91-99 of IFRS 13 Fair Value Measurement (disclosure of valuation techniques and inputs used for fair value measurement of assets and liabilities);
- the requirement in paragraph 38 of IAS 1 'Presentation of Financial Statements' to present comparative information in respect of:
 - paragraph 79(a)(iv) of IAS 1, and
 - paragraph 17 of IAS 24 Related Party Disclosures (key management compensation);
- the requirements of following paragraphs of IAS 1 Presentation of Financial Statements
 - 10(d) (statement of cash flows),
 - 10(f) (a statement of financial position as at the beginning of the preceding period when an entity applies an accounting policy retrospectively or makes a retrospective restatement of items in its financial statements, or when it reclassifies items in its financial statements and 16 (statement of compliance with all IFRS),
 - 38A to 38D (requirement for minimum of two primary statements, including cash flow statements and additional comparative information), and
 - 40A to 40D, 111 (statement of cash flows information) and 134-136 (capital management disclosures) of IAS 1;
- the requirements of IAS 7 Statement of Cash Flows;
- the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors (disclosure of information when an entity has not applied a new IFRS that has been issued but is not yet effective); and
- the requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member.

Investments – recognition, measurement and impairment

Investments in subsidiaries are accounted for at cost less any provision for impairment. The value of investments is reviewed annually by the director or more frequently if there is a triggering event and provision made where the investment's carrying amount exceeds its recoverable amount. Impairment losses are recognised in the profit and loss account. Where an impairment loss subsequently reverses, the carrying amount of the investment is increased to the revised estimate of its recoverable amount, not to exceed the carrying amount that would have been determined had no impairment losses been recognised for the investment in prior years. A reversal of impairment loss is recognised immediately in the profit and loss account.

3. Judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, which are described in note 2, the director is required to make judgements (other than those involving estimations) that have a significant impact on the amounts recognised and to make estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgements

There are no judgements that have a significant effect on amounts recognised in the financial statements.

Estimates and assumptions

(i) Impairment of Investments

The investment in subsidiary undertakings is carried at cost and tested for impairment when indicators of potential impairment exist. The assessment of impairment involves estimation in relation to the value of the unquoted investment based on the net assets of the underlying investment and projected cash flows, wherever applicable. At the year end the value of the investment was £9,893 (2019: £9,893). There was no impairment charge during the year (2019: £63,377). The effect of COVID-19 on the profitability of the company's subsidiaries has been factored into the projections used when performing the impairment assessment.

4. Employees and directors

In 2020, the director (2019: all directors) was remunerated by other group companies for his services to the group as a whole.

The company has no other employees (2019: no other employees).

5. Investments

	2020	2019
	£000s	£000s
<i>Cost</i>		
At 1 January and 31 December	146,320	146,320
<i>Provision for impairment</i>		
At 1 January	(136,427)	(73,050)
Provided during the year	-	(63,377)
At 31 December	(136,427)	(136,427)
<i>Net book value</i>	9,893	9,893

The director believes that the book value of the investment is not more than the value of the underlying net assets. In the previous year, the company impaired its investment in First Technology Overseas Limited by £63,377,000. Shares in the company's subsidiary undertaking are ordinary shares. The subsidiary undertakings are listed in note 7.

6. Called-up share capital

	2020	2019
