Directors' Responsibilities Statement

The Directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations

Company Law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under Company Law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time, the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditor's Report to the Members of Mohican Nominees Limited

We have audited the financial statements of Mohican Nominees Limited for the year ended 31 December 2011 which comprise the Profit and Loss Account, the Balance Sheet and the related notes 1 to 9. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As more fully explained in the Directors' Responsibilities Statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practice Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the Directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the financial statements

In our opinion the financial statements

- give a true and fair view of the state of the Company's affairs as at 31 December 2011 and of its loss for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on matters prescribed in the Companies Act 2006

- In our opinion the information in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Independent Auditor's Report to the Members of Mohican Nominees Limited (continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of Directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the Directors were not entitled to take advantage of the small companies exemption in preparing the Directors' Report

Notes to the Financial Statements

31 December 2011

1. Significant accounting policies

The principal accounting policies are summarised below. They have been applied consistently throughout the year and the preceding year.

1.1 Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom accounting standards. The Company has taken advantage of the exemption in Financial Reporting Standard No. 1 not to prepare a cash flow statement as one has been prepared for the Group. The Company is a wholly-owned subsidiary of CLS Holdings plc and has taken advantage of the exemption in Financial Reporting Standard No. 8 not to detail transactions with fellow Group undertakings which eliminate on consolidation.

1.2 Going concern

The Company's business activities and review of the business are set out in the Directors' Report.

The Directors have reviewed the current and projected financial position of the Company making reasonable assumptions about future income streams and cost base. The Company continues to have a small net asset base from which it is able to meet its administration costs.

On the basis of this review, the Directors have concluded that the Company has the ability to meet all external liabilities as they fall due over the course of the twelve months from the date of these financial statements. Accordingly, the Directors continue to adopt the going concern basis preparing the annual report and financial statements.

1.3 Taxation

Corporation tax is provided on taxable profits at the current rate.

Deferred tax is recognised in respect of all timing differences which have originated but not reversed at the balance sheet date where transactions or events which result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the Company's taxable profits and its results as stated in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from the reversal of the underlying timing differences which can be deducted.

Deferred tax is measured, on an undiscounted basis, at the average tax rates which are expected to apply in the periods in which the timing differences are expected to reverse based on tax rates and laws which have been enacted or substantively enacted at the balance sheet date.

Notes to the Financial Statements

31 December 2011

3 Directors' emoluments and employee information

None of the Directors received any remuneration during the year in respect of services as Directors to the Company (2010: £nil). The emoluments of the Directors of the Company, who are also directors of CLS Holdings plc, are disclosed in that company's financial statements in respect of their services to the Group as a whole. The Company had no employees during the year (2010: none).

4. Loss on ordinary activities before taxation

	2011 £	2010 £
This is stated after charging		
Fees payable to the Company's auditor for the audit of the Company's financial statements	1,800	1,763

5 Tax on loss on ordinary activities

	2011 £	2010 £
Total tax charge on loss on ordinary activities	-	-

The differences between the total current tax shown above and the amount calculated by applying the standard rate of UK corporation tax to the loss before tax on ordinary activities is as follows:

	2011 £	2010 £
Loss on ordinary activities before tax	(1,806)	(1,798)
Loss on ordinary activities before taxation multiplied by the standard rate of UK corporation of 26.5% (2010: 28.0%)	(479)	(503)
Effect of:		
Losses surrendered to group/consortium relief for nil receipt and differences between capital allowances and depreciation	479	503
Current tax charge in profit and loss account	-	-

The rate of corporation tax for the financial year 2010 was 28%. This fell to 26% on 1 April 2011 and the weighted corporation tax rate for the year ended 31 December 2011 was therefore 26.5%. Deferred tax has been calculated at a rate of 25%, being the rate applicable from 1 April 2012 under legislation substantially enacted at the balance sheet date.
