**TO ALL MEMBERS AND THE REGISTRAR OF COMPANIES**

**1 INTRODUCTION**

- 1.1 Steve Markey and Paul Masters were appointed Joint Liquidators of Beeches Two Limited (“the Company”) by the members on 19 September 2019.
- 1.2 On 21 June 2021, Paul Masters resigned as Liquidator of the Company. Paul Master’s employment with Leonard Curtis ceased at the end of November 2021 and it was of the opinion of the Joint Liquidators that it was no longer expedient that there should continue to be two Liquidators; therefore, no replacement for Paul Masters was sought. Steve Markey continued to act as sole Liquidator in this case.
- 1.3 Steve Markey is authorised to act as an insolvency practitioner in the UK by the Institute of Chartered Accountants in England and Wales under office holder number 14912.
- 1.4 This report provides an update on the conduct of the Liquidation for the period from 19 September 2021 to 18 September 2022, as required by Section 92A(1) of the Insolvency Act 1986 (as amended) and Rule 18.3 of the Insolvency (England and Wales) Rules 2016 (“the Rules”). It shows how the Liquidation has been conducted and the Company’s property disposed of, the outcome for members and other information that the Liquidator is required to disclose and should be read in conjunction with the previous progress report dated 11 November 2021.
- 1.5 All figures are stated net of VAT.

**2 CONDUCT OF THE LIQUIDATION**

- 2.1 The Company’s registered office was changed to Leonard Curtis House, Elms Square, Bury New Road, Whitefield, Greater Manchester M45 7TA on 9 October 2019.

**Assets Realised**

*Property 2*

- 2.2 Following the Liquidation, it was brought to the attention of the Liquidator’s that the Company owned a small piece of land. The Liquidator received an offer of £500. Independent valuation agents, Fraser Commercial, advised that this offer exceeded likely realisations that could have been received from any other method of sale and recommended the offer be accepted. The transfer of the property was completed on 28 January 2022 and the consideration has been received in full.

**Assets Still to be Realised**

- 2.3 There are no assets still to be realised.

**3 RECEIPTS AND PAYMENTS ACCOUNT**

- 3.1 A summary of the Liquidator’s receipts and payments for the entire period of the Liquidation, including the period from 19 September 2021 to 18 September 2022, is attached at Appendix A.

- 4.1 As detailed in the declaration of solvency, liabilities were estimated to total £301,838.

- 4.3 A first and final dividend was declared on 6 December 2019.
- 4.4 One creditor claim totalling £301,838 was paid in full, as the liability related to inter-company accounts. The associated company waived their right to claim statutory interest on the sum due.

### **Remuneration**

- 6.1 On 19 September 2019, the members resolved that the Liquidator's remuneration be payable as a set amount of £6,500.
- 6.2 The Liquidator's agreed fee of £6,500 has been paid.

### **Expenses and Disbursements**

- 6.3 A summary of the Liquidator's expenses from 19 September 2019 to 18 September 2022 is attached at Appendix B. To assist members' understanding of this information, it has been separated into the following two categories:
- *Standard Expenses*: this category includes expenses payable by virtue of the nature of the Liquidation process and / or payable in order to comply with legal or regulatory requirements.
  - *Case Specific Expenses*: this category includes expenses likely to be payable by the Liquidator in carrying out his duties in dealing with issues arising in this particular Liquidation. Included within this category are costs that are directly referable to the Liquidation but are not paid to an independent third party (and which may include an element of allocated costs). These are known as 'category 2 disbursements' and they may not be drawn without creditor approval.
- 6.4 Authority to take category 2 disbursements was approved by members on 19 September 2019.
- 6.5 Attached at Appendix C is additional information in relation to the firm's policy on staffing, the use of subcontractors, disbursements and details of current charge-out rates by staff grade. Please be aware that the firm's charge out rates have been amended with effect from 1 March 2021.
- 6.6 Since the last report, no professional advisors or subcontractors have been instructed.

### **Members’ Rights**

- 6.7 Under Rule 18.9 of the Rules, within 21 days of receipt of this report, members with either at least five per cent of the total voting rights of all the members having the right to vote at general meetings of the Company, or with the permission of the court, may request in writing that the Liquidator provides further information about his remuneration or expenses which have been itemised in this report.
- 6.8 Under Rule 18.34 of the Rules, members with at least 10 per cent of the total voting rights of all the members having the right to vote at general meetings of the Company, or with the permission of the court, may within eight weeks of receipt of the progress report that first reports the fee basis, the charging of the remuneration or the incurring of the expenses in question, make an application to court on the grounds that, in all the circumstances, the basis fixed for the Liquidator’s remuneration is inappropriate and/or the remuneration charged or the expenses incurred by the Liquidator, as set out in the progress report, are excessive.
- 6.9 Unless the court orders otherwise, the costs of the application shall be paid by the applicant and are not payable as an expense of the Liquidation.
- 6.10 Further guidance may be found in “A Guide to Liquidators’ Fees” which is attached at Appendix D.

## **7 MATTERS STILL TO BE DEALT WITH**

- 7.1 Matters still to be dealt with before conclusion of the Liquidation include the following:
- A final distribution to the members; and
  - The preparation of the Liquidator’s final account.

## **8 OTHER MATTERS**

### **Data Protection**

- 8.1 When submitting details of your claim in the Liquidation, you may disclose personal data to the Liquidator or his staff. The processing of personal data is regulated in the UK by the General Data Protection Regulation EU 2016/679 as supplemented by the Data Protection Act 2018, together with other laws which relate to privacy and electronic communications. The Liquidator acts as Data Controller in respect of personal data obtained in relation to this Liquidation and are therefore responsible for complying with Data Protection Law in respect of any personal data they process. Leonard Curtis’ privacy notice, which is attached at Appendix D, explains how your personal data is processed. Terms used in this clause bear the same meanings as are ascribed to them in Data Protection Law.
- 8.2 The Liquidator is bound by the Insolvency Code of Ethics, which can be found at:  
<https://www.gov.uk/government/publications/insolvency-practitioner-code-of-ethics>

Yours faithfully

**LEONARD CURTIS POLICY REGARDING FEES AND EXPENSES**

The following Leonard Curtis policy information is considered to be relevant to creditors:

**Staff Allocation and Charge Out Rates**

We take an objective and practical approach to each assignment which includes active director involvement from the outset. Other members of staff will be assigned on the basis of experience and specific skills to match the needs of the case. Time spent by secretarial and other support staff on specific case related matters, e.g. report despatching, is not charged.

Where it has been agreed by the appropriate body of creditors that the office holders' remuneration will be calculated by reference to the time properly given by the office holders and their staff in attending to matters as set out in a fees estimate, then such remuneration will be calculated in units of 6 minutes at the standard hourly rates given below. In cases of exceptional complexity or risk, the insolvency practitioner reserves the right to request and obtain authority from the appropriate body of creditors that their remuneration on such time shall be charged at the higher complex rates given below.

The following hourly charge out rates apply to all assignments undertaken by Leonard Curtis:

	<b>6 Jan 2014 onwards</b>		<b>1 Aug 2019 onwards</b>		<b>1 March 2021 onwards</b>	
	Standard	Complex	Standard	Complex	Standard	Complex
	£	£	£	£	£	£
Director	450	562	525	656	550	688
Senior Manager	410	512	445	556	465	581
Manager 1	365	456	395	494	415	518
Manager 2	320	400	345	431	365	456
Administrator 1	260	325	280	350	295	369
Administrator 2	230	287	250	313	265	331
Administrator 3	210	262	230	288	245	306
Administrator 4	150	187	165	206	175	219
Support	0	0	0	0	0	0

In respect of assignments pre-dating 1 March 2022, office holders' remuneration may include costs incurred by the firm's in-house legal team, which may be used for non-contentious matters pertaining to the insolvency appointment.

**Use of Associates**

We are required to disclose to those responsible for approving our remuneration whether any payments we intend to make from an insolvency estate are to Associates of Leonard Curtis (LC). The term "Associate" is defined in s435 of the Insolvency Act 1986, but we are also required to consider the substance or likely perception of any association between the appointed insolvency practitioner, their firm (LC) or an individual within the firm and the recipient of a payment. Payments to Associates are subject to the same level of approval as the office holder's fees and category 2 expenses (see table on the next page for further details).

Leonard Curtis Legal Limited (LC Legal) are part of the LCBSG group; as such they are an "Associate" of LC. Where LC Legal are instructed to assist an office-holder in a particular matter from 1 March 2022 onwards, details of their proposed costs will be provided to creditors and specific approval for payments to associates will be sought.

Additionally, whilst not meeting the legal definition of "Associate" we are aware that there is a perceived association between LC and Pelstar Limited. Pelstar Limited provides insolvency case management software and document hosting facilities to LC. LC employs an individual who is married to a director of Pelstar Limited. Pelstar Limited's costs are set out in the expenses tables below.

**Use of Professional Advisors**

Details of any professional advisor(s) used will be given in reports to creditors. Unless otherwise indicated the fee arrangement for each is based on hourly charge out rates, which are reviewed on a regular basis, together with the recovery of relevant disbursements.

The choice of professional advisors is based around a number of factors including, but not restricted to, their expertise in a particular field, the complexity or otherwise of the assignment and their geographic location.

### Use of Subcontractors

Where we subcontract out work that could otherwise be carried out by the office holder or his/her staff, this will be drawn to the attention of creditors in any report which incorporates a request for approval of the basis upon which remuneration may be charged. An explanation of why the work has been subcontracted out will also be provided.

### Categorisation of Expenses

We are required to provide creditors with an estimate of the expenses we expect to be incurred in respect of an assignment and report back to them on actual expenses incurred and paid in our periodic progress reports. There are two broad categories of expenses: standard expenses and case specific expenses. These are explained in more detail below:

## APPENDIX C (CONT'D)

- b) Case-specific expenses – this category includes expenses (other than office-holders' fees) which are likely to be payable on every case but which will vary depending upon the nature and complexity of the case and the assets to be realised. They will include but may not be restricted to:

Type	Description	Amount
Agents' fees	Costs of appointed agents in valuing and realising assets	Time costs plus disbursements plus VAT
Debt Collection fees	Costs of appointed debt collectors in realising debts	Generally agreed as a % of realisations plus disbursements plus VAT
Legal fees	Costs of appointed solicitors. Will generally comprise advice on validity of appointment, drafting of sale contracts, advice on retention of title issues and advice on any reviewable transactions. Time costs plus disbursements plus VAT
Other expenses	See Category 1 and 2 expenses notes below	See Category 1 and 2 expenses notes below

Please note that expenses are generally categorised as Category 1 or Category 2:

- a) Category 1 expenses: These are payments to independent third parties providing the service to which the expense relate. These may include, for example, advertising, external room hire, storage costs, postage costs, telephone charges, travel expenses (excl. mileage), and equivalent costs reimbursed to the office holder or his or her staff. Category 1 expenses may be paid without prior approval.
- b) Category 2 expenses: These are costs that are directly referable to the appointment in question, but not paid to an independent third party. They may include costs which have an element of shared cost. The following items of expenditure are recharged on this basis and are charged at HMRC approved rates:

Business mileage	45p per mile
------------------	--------------

Payments to Associates (as defined above) are categorised by LC in the same way as Category 2 expenses. Category 2 expenses and payments to Associates may only be drawn if they have been approved in the same manner as an office holder's remuneration.

## A GUIDE TO LIQUIDATORS' FEES

### 1. Introduction

1.1 When a company goes into Liquidation the costs of the proceedings are paid out of its assets. The members (shareholders), who hope to recover some of their investment, therefore have a direct interest in the level of costs, and in particular the remuneration of the insolvency practitioner appointed to act as Liquidator.

1.2 The insolvency legislation recognises this interest by providing mechanisms for members to fix the basis of the Liquidator's fees. This guide is intended to help members be aware of their rights to approve and monitor fees, explains the basis on which fees are fixed and how members can seek information about expenses incurred by the Liquidator and challenge those they consider to be excessive.

### 2. Liquidation procedure

2.1 Liquidation (or 'winding up') is the most common type of corporate insolvency procedure. Liquidation is the formal winding up of a company's affairs entailing the realisation of its assets and the distribution of the proceeds in a prescribed order of priority. Liquidation may be either voluntary, when it is instituted by resolution of the shareholders, or compulsory, when it is instituted by order of the court.

2.2 Voluntary Liquidation is the more common of the two. A solvent voluntary Liquidation is called a members' voluntary Liquidation (often abbreviated to 'MVL'). In this type of Liquidation an insolvency practitioner acts as Liquidator throughout and the members vote on the appointment of the Liquidator at a meeting of members or by passing written resolutions under the Companies Act 2006.

### 3. Fixing the Liquidator's remuneration

3.1 The basis for fixing the Liquidator's remuneration is set out in Rules 18.16, 18.17 and 18.19 of the Insolvency (England & Wales) Rules 2016. The Rules state that the remuneration shall be fixed:

- as a percentage of the value of the assets which are realised or distributed or both,
- by reference to the time properly given by the Liquidator and his staff in attending to matters arising in the Liquidation, or
- as a set amount.

3.2 Any combination of these bases may be used to fix the remuneration, and different bases may be used for different things done by the Liquidator. Where the remuneration is fixed as a percentage, different percentages may be used for different things done by the Liquidator.

3.3 It is for the Liquidation committee (if there is one) to determine on which of these bases, or combination of bases, the remuneration is to be fixed. Where it is fixed as a percentage, it is for the committee to determine the percentage or percentages to be applied. In arriving at its decision, the committee shall have regard to the following matters:

- the complexity (or otherwise) of the case;
- any responsibility of an exceptional kind or degree which falls on the Liquidator in connection with the insolvency;
- the effectiveness with which the Liquidator appears to be carrying out, or to have carried out, his duties;
- the value and nature of the assets which the Liquidator has to deal with.

3.4 If there is no Liquidation committee, (which is usually the case in an MVL) or the committee does not make the requisite determination, the Liquidator's remuneration will be fixed by a resolution of a meeting of members. The members take account of the same matters as apply in the case of the committee. A resolution specifying the terms on which the Liquidator is to be remunerated may be taken at the meeting which appoints the Liquidator.

### 4. Review of remuneration

Where there has been a material and substantial change in circumstances since the basis of the Liquidator's remuneration was fixed, the Liquidator may request that it be changed. The request must be made to the same body as initially approved the remuneration, and the same rules apply as to the original approval.

**5. What information should be provided by the Liquidator?**

**When fixing bases of remuneration**

5.1 The Liquidator should provide those responsible for approving the basis of remuneration sufficient information to enable the committee or the members to make an informed judgement about the reasonableness of the Liquidator’s request. The information should be presented in such a manner which is transparent, consistent throughout the life of the case, while being proportionate to the circumstances of the case.

**Fees estimates where remuneration is based on time costs**

5.2 If any part of the remuneration is sought on a time costs basis, the Liquidator should provide detailed information in the form of a written fees estimate which specifies:

- Details of the work the Liquidator and staff propose to undertake
- The hourly rates to be charged for each part of that work
- The time the Liquidator anticipates each part of the work will take

5.3 In addition, the Liquidator should provide an estimate of the expenses that will be or are likely to be incurred.

**Other**

**General principles**

5.4 When reporting, the Liquidator should disclose:

- Payments, remuneration and expenses arising from the Liquidation paid to the Liquidator or any associates
- Any business or personal relationships with parties responsible for approving the Liquidator’s remuneration or who provide services to the Liquidator in respect of the insolvency appointment where the relationship could give rise to a conflict of interest

5.5 The Liquidator should inform members of their rights under insolvency legislation, and should advise them how they may access suitable information setting out their rights, within the first communication and in each subsequent Report.

5.6 Where the proposed charge is calculated on a time costs basis, the Liquidator should disclose the time spent and the average charge-out rates, in larger cases split by grades of staff and analysed by appropriate activity. The Liquidator should also provide details and the cost of any work that has been sub-contracted out that could otherwise be carried out by the Liquidator or his or her staff.

**After the bases of remuneration have been fixed**

5.7 The Liquidator is required to send progress reports to members at specified intervals (see paragraph 6.1 below). When reporting periodically to members, in addition to the matters specified in paragraph 6.1, the Liquidator should provide an explanation of what has been achieved in the period under review and how it was achieved, sufficient to enable the progress of the case to be assessed.

5.8 Members should be able to understand whether the remuneration charged is reasonable in the circumstances of the case (whilst recognising that the Liquidator must fulfil certain statutory obligations and regulatory requirements that might be perceived as bringing no added value for the estate).

5.9 Where any remuneration is on a time costs basis, the Liquidator should disclose the charge in respect of the period, the time spent and the average charge-out rates, in larger cases split by grades of staff and analysed by appropriate activity. If there have been any changes to the charge-out rates during the period under review, rates should be disclosed by grades of staff, split by the periods applicable. The Liquidator should also provide details and the cost of any work that has been sub-contracted out that could otherwise be carried out by the Liquidator or his or her staff.

5.10 Where a fees estimate has been provided, remuneration cannot be drawn in excess of the fees estimate without the approval of the Liquidation committee, (if there is one) or more likely, the members themselves. The Liquidator should state:

- Why the estimate has been, or is likely to be exceeded
- The additional work required to be undertaken
- The hourly rates proposed to be charged for each part of the additional work
- The time the additional work has taken or is anticipated it will take

#### **Expenses**

5.11 Costs met by and reimbursed to the Liquidator in connection with the Liquidation should be appropriate and reasonable. Such costs will fall into two categories:

- Category 1 expenses: These are costs where there is specific expenditure directly referable both to the Liquidation and a payment to an independent third party. These may include, for example, advertising, room hire, storage, postage, telephone charges, travel expenses, and equivalent costs reimbursed to the Liquidator or his or her staff.
- Category 2 expenses: These are costs that are directly referable to the Liquidation but not to a payment to an independent third party. They may include shared or allocated costs that can be allocated to the Liquidation on a proper and reasonable basis, for example, business mileage.

5.12 Category 1 expenses can be drawn without prior approval, although the Liquidator should be prepared to disclose information about them in the same way as any other expenses. Category 2 expenses may be drawn if they have been approved in the same manner as the Liquidator’s remuneration. When seeking approval, the Liquidator should explain, for each category of expense, the basis on which the charge is being made.

5.13 The following are not permissible:

- a charge calculated as a percentage of remuneration;
- an administration fee or charge additional to the Liquidator’s remuneration;
- recovery of basic overhead costs such as office and equipment rental, depreciation and finance charges.

#### **Realisations for secured creditors**

5.14 Where the Liquidator realises an asset on behalf of a secured creditor and receives remuneration out of the proceeds, he should disclose the amount of that remuneration to the committee (if there is one), to any meeting of members convened for the purpose of determining his fees, and in any reports he sends to members.

### **6. Progress reports and requests for further information**

6.1 The Liquidator is required to send annual progress reports to members. The reports must include:

- details of the basis fixed for the remuneration of the Liquidator (or if not fixed at the date of the report, the steps taken during the period of the report to fix it);
- if the basis has been fixed, the remuneration charged during the period of the report, irrespective of whether it was actually paid during that period (except where it is fixed as a set amount, in which case it may be shown as that amount without any apportionment for the period of the report);
- if the report is the first to be made after the basis has been fixed, the remuneration charged during the periods covered by the previous reports, together with a description of the work done during those periods, irrespective of whether payment was actually made during the period of the report;
- a statement of the expenses incurred by the Liquidator during the period of the report, irrespective of whether payment was actually made during that period;
- details of progress during the period of the report, including a summary of the receipts and payments during the period;
- details of what remains to be done;
- a statement of the members’ rights to request further information, as explained in paragraph 6.2, and their right to challenge the Liquidator’s remuneration and expenses.

6.2 Within 21 days of receipt of a progress report, a member may request the Liquidator to provide further information about the remuneration and expenses set out in the report. Any request must be in writing.

6.3 The Liquidator must provide the requested information within 14 days, unless he considers that:

- the time and cost involved in preparing the information would be excessive, or
- disclosure would be prejudicial to the conduct of the Liquidation, or
- the Liquidator is subject to an obligation of confidentiality in relation to the information requested

6.4 Any member may apply to the court within 21 days of the Liquidator's refusal to provide the requested information, or the expiry of the 14 days' time limit for the provision of the information.

## **7. What if a member is dissatisfied?**

7.1 Except in cases where there is a Liquidation committee, it is the members as a body who have authority to approve the Liquidator's fees. To enable them to carry out this function they may require the Liquidator to call a members' meeting. In order to do this at least ten per cent in value of the members must concur with the request, which must be made to the Liquidator in writing.

7.2 If a member believes that the Liquidator's remuneration is too high, the basis is inappropriate, or the expenses incurred by the Liquidator are in all the circumstances excessive he may, provided certain conditions are met, apply to the court.

## **8. What if the Liquidator is dissatisfied?**

8.1 If the Liquidator considers that the remuneration fixed by the Liquidation committee, or by the members is insufficient, or that the basis used to fix it is inappropriate, the Liquidator may apply to the court for the amount or rate to be increased or the basis changed.

8.2 If the Liquidator decides to apply to the court he must give at least 14 days' notice to the members of the committee and the committee may nominate one or more of its members to appear or be represented at the court hearing. If there is no committee, the Liquidator's notice of his application must be sent to such of the shareholders as the court may direct, and they may nominate one or more of their number to appear or be represented. The court may order the costs to be paid out of the assets.

## **9. Other matters relating to remuneration**

9.1 Where the Liquidator realises assets on behalf of a secured creditor he is entitled to be remunerated out of the proceeds of sale in accordance with a scale set out in the Rules. Usually, however, the Liquidator will agree the basis of his fee for dealing with charged assets with the secured creditor concerned.

9.2 Where two (or more) Liquidator's are appointed it is for them to agree between themselves how the remuneration payable should be apportioned. Any dispute between them may be referred to the court, the committee or to a meeting of members.

9.3 If the appointed Liquidator is a solicitor and employs his own firm to act in the insolvency, profit costs may not be paid unless authorised by the committee, the members or the court.

9.4 If a new Liquidator is appointed in place of another, any determination, resolution or court order which was in effect immediately before the replacement continues to have effect in relation to the remuneration of the new Liquidator until a further determination, resolution or court order is made.

9.5 Where the basis of the remuneration is a set amount, and the Liquidator ceases to act before the time has elapsed or the work has been completed for which the amount was set, application may be made for a determination of the amount that should be paid to the outgoing Liquidator. The application must be made to the same body as approved the remuneration. Where the outgoing Liquidator and the incoming Liquidator are from the same firm, they will usually agree the apportionment between them.
