GRANTSTATES LIMITED
NOTES TO THE ABBREVIATED ACCOUNTS
YEAR ENDED 31 MARCH 2005

1. ACCOUNTING POLICIES

Basis of accounting

The Financial Statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002), subject to the departures referred to below.

Turnover

Turnover represents rents receivable and charges recoverable from the tenants of the company's properties, credit for which is taken when the charge is made to the tenants.

Fixed assets

All fixed assets are initially recorded at cost.

Depreciation

In accordance with Statement of Standard Accounting Practice No. 19, no depreciation or amortisation is provided in respect of freehold investment properties nor on leasehold investment properties having an unexpired term of more than twenty years. This departure from the requirements of the Companies Act 1985, for all properties to be depreciated, is necessary, as the directors consider that this accounting policy results in the financial statements giving a true and fair view.

Leases having an unexpired term of less than twenty years are amortised evenly over the remaining period of the lease.

Low value items of furniture and fittings are written off in the year in which they are acquired.

Acquisitions and disposals of properties

Acquisitions and disposals are considered to have taken place at the date of legal completion and are included in the financial statements accordingly.

Format of the financial statements

The financial statements are presented in accordance with the format prescribed by Schedule 4 Companies Act 1985 with suitable adaptation thereof which the directors consider to be appropriate having regard to the nature of the company's activities.
