Directors' Report for the year ended 31 December 2001

The directors present their report together with the audited financial statements for the year ended 31 December 2001.

Business objectives and principal activities

The company has not traded during the year.

Results for the year

The company made a loss after taxation of £36,000 for the year (2000 profit: £1,380,000). The directors do not recommend the payment of a dividend.

Directors and Directors' Interests

The directors who have served during the year were as follows:

JW Gresham PR Beddows

During the year no director had any interest in the share capital of the company or of any group undertaking other than the ultimate holding company and no rights to subscribe for such interests were granted.

As a consequence of the merger with Bank of Scotland on 10 September 2001, the directors' share interests in Halifax Group plc have been exchanged for interests in HBOS plc on a one for one basis. Therefore the table below reflects interests in HBOS plc shares at 31 December 2001 and in those of Halifax Group plc at 1 January 2001.

The interests of the directors in the shares of the ultimate holding company, including interests in shares held beneficially under the long term and short term bonus schemes, were as follows:

	At 31 December 2001	At 1 January 2001
JW Gresham	37,496	18,318
PR Beddows	12,618	6,054

Share interests in the long term bonus scheme included above represent the maximum number which could be released under the term of that scheme. The number of shares actually released to participants under the scheme is dependent on the Group's annualised total shareholder return ("TSR") (defined as the gross overall return on ordinary shares of HBOS plc after all adjustments for capital actions and re-investment of dividends or other income) over three year periods compared to the annualised weighted average TSR of a basket of comparator companies over equivalent periods, as follows

Group's relative TSR performance	Proportion of share grant released
0% pa (or below)	0%
4% pa	100%
8% pa (or above)	200%

Under the terms of the HBOS plc sharesave schemes, options to acquire shares in the ultimate holding company were granted to or exercised by the following directors:

	Number of Options granted	Exercised in the Year
JW Gresham	Nil	Nil
PR Beddows	Nil	Nil

Auditors & Annual General Meeting

Following a resolution passed by the members, the company has elected to dispense with the holding of Annual General Meetings, of laying financial statements and reports before the Company in General Meeting, and with the obligation to reappoint auditors annually.

Statement of Directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit and loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Independent auditors' report to the Members of Birmingham Midshires Mortgage Services No.1 Limited

We have audited the financial statements on pages 7 to 12.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the directors' report and, as described on page 5, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 31 December 2001 and of its result for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 December

1 ACCOUNTING POLICIES

ACCOUNTING CONVENTION

The financial statements have been prepared in accordance with applicable Accounting Standards in the United Kingdom. There have been no changes to the company's accounting policies. A summary of the more important accounting policies which have been applied consistently is set out below.

BASIS OF ACCOUNTING

The financial statements are prepared in accordance with the historical cost convention.

GOING CONCERN

The directors of the ultimate parent undertaking, HBOS plc, have agreed to the continued support of Birmingham Midshires Mortgage Services No. 1 Limited. Therefore the financial statements have been prepared on the going concern basis.

DEFERRED TAXATION

Provision is made using the liability method for deferred taxation only to the extent that such taxation will become payable in the foreseeable future.

MORTGAGE INDUCEMENTS

Discounts on mortgages reduce interest receivable over an appropriate period. Cashback payments made as incentives to borrowers are charged to interest receivable as incurred.

PROVISION FOR LOSSES ON LOANS AND ADVANCES

Provision for losses on commercial assets, which include both those specifically identified and those provided for on a general basis, has been based upon a year end appraisal of the assets concerned. The amount charged to the profit and loss account represents losses written off in the period together with the increase in the ongoing provision less any releases. Interest charged to mortgage accounts relating to impaired loans which is considered to be irrecoverable is not recognised as interest receivable in the year.

INTEREST RECEIVABLE

Interest receivable is stated net of discounts, commissions and management fees earned from the company's principal activity in the United Kingdom.

CASH FLOW STATEMENT

Under FRS1 (revised 1996) the company is exempt from the requirement to prepare a cash flow statement on the grounds that it is ultimately a wholly owned subsidiary undertaking, and the consolidated financial statements of HBOS plc, in which the financial statements of the company are included, are publicly available.
