SOUTHVILLE COMMUNITY DEVELOPMENT ASSOCIATION

REPORT OF THE TRUSTEES FOR THE YEAR ENDING 31 MARCH 2001.

INTRODUCTION

The Trustees submit the Statutory Report and Accounts of the Southville Community Development Association for the year ending 31 March 2001

The results for the year are presented in the form of a Statement of Financial Activities, which incorporates the traditional income and expenditure account, in order to comply with the revised Statement of Recommended Practice for charities as issued by the Charity Commission in October 1995 and as identified in the Charities Act 1993.

PRINCIPAL AIMS AND ACTIVITIES

SCDA's most substantial asset is the Southville Centre, a multi-purpose building, within which is provided a range of opportunities for local people of all ages in a safe, accessible environment.

The Centre also provides a service to the wider community of Bristol by providing rooms for rent and associated activities.

SCDA aims to develop and deliver sustainable services to meet the needs of local people. It also directly and indirectly provides employment and supports local people to attend training and employment by providing a range of affordable, high quality childcare services.

SCDA works with other groups and organisations in the local community to support developments in the area.

PROGRESS DURING THE YEAR

A major bid to the National Lottery Charities Board (now known as Community Fund) was submitted in June 2000. We heard in March 2001 that this had been successful and that £326,000 was being awarded to SCDA for the major refurbishment of the Southville Centre.

This is a major opportunity for SCDA to increase the capacity of the Centre and create a level of long-term sustainability. There are

immediate challenges however, in particular the relocation of vital services during building works and maintaining financial viability in a period of closure. These are the major challenges and risks for the organisation in 2001/2002.

The SCDA Social Audit in 2000 concentrated on consulting with our local community. A door-to-door survey of nearly 400 local people was undertaken. The need for SCDA to maintain a higher profile was identified and this has been addressed by the production of two newsletters which have been delivered locally and we are currently in discussion with a professional marketing company with the support of Bristol ProHelp.

Funding from the Sustainable Neighbourhood Fund this year has also enabled the setting up of a Resources Bank to support the work of local organisations and community groups.

Our childcare services remained at capacity, with the Nursery having a long waiting list and the holiday playschemes also being full throughout the year. The Summer playscheme was supported by a grant of £1215 from Bristol Holiday Playschemes and by Inclusive Play funding from Bristol City Council.

The level of core funding continues to cause concern to the Association and it is only with the continued loyalty and support of paid workers and volunteers that the level of activity at the Southville Centre and of the Association in its wider community development role, can be maintained.

RESERVES POLICY AND RISK MANAGEMENT

The Trustees are maintaining a level of Designated Funds necessary to meet the requirements of any staff redundancy costs, particularly as SCDA has a number of full-time staff in post with between 7 and 10 years service.

The level of unrestricted reserves in 2000/2001 was £14,548. The Trustees would wish to increase these to at least £20,000 as this represents SCDA's wage bill for one month.

The Trustees are aware of the risk to cashflow that SCDA will be exposed to as a result of the disruption to services during the building works funded by the Community Fund. A programme of fund-raising has been implemented to minimise this risk.

CONCLUSION

In preparing the attached accounts, the Trustees consider the charity has:

- used suitable accounting policies and applied them consistently
- made judgements and estimates that are reasonable and prudent
- stated whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- has prepared the accounts under the historical cost convention, in accordance with applicable accounting standards, following the recommendations Statement of Recommended Practice: Accounting by Charities.

The Trustees have responsibility for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable it to ensure that the financial statements comply with the Companies Act 1985. They also have responsibility for safeguarding the assets of the charity and for taking reasonable steps to prevent and detect fraud and other irregularities.

THE TRUSTEES

The Trustees constitute directors of SCDA for the purposes of the Companies Act 1985 and the trustees of the charity for purposes of the Charities Act 1993. There are up to ten Trustees elected by the SCDA membership at the Annual General Meeting. One third of the serving Trustees come up for election each year. The following members were in office at 31 March 2000 and served throughout the year: Ben Barker, Sally Archer, Michele Scott, Annie Cooper, Billy Forsythe, Roger Cleeves, Paul Sankey, Doreen Kerr.

No Trustees received any remuneration for services as members of SCDA Management Committee, or for expenses.

No Trustees had any beneficial interest in any contract with SCDA.

Auditor's Report to the members of Southville Community Development Association

I have audited the financial statements set out on pages 5 to 9 which have been prepared under the historical cost convention and the accounting policies set out on page 7.

Respective responsibilities of the Trustees and auditor

As described on page 2 the Trustees are responsible for the preparation of the financial statements. It is my responsibility to form an independent opinion, based on my audit, on these financial statements and to report my opinion to you.

Basis of opinion

I conducted my audit in accordance with the Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements by the Trustees in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In my opinion the financial statements give a true and fair view of the charitable company's affairs at 31st. March 2001, and of its incoming resources and application of resources, including its income and expenditure for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes to the accounts for the year ended 31st. March 2001 (1) Principal Accounting Policies

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year.

The accounts have been prepared under the historical cost convention, and in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities. (SORP 2000) issued in Ocrober 2000, applicable accounting standards and the Companies Act 1985. The principal accounting policies adopted in the preparation of the financial statements are as follows:

Restricted funds

Restricted funds are to be used for specific purposes as laid down by the donor, unrestricted funds are income received and generated by the objects of the charity without further specified purpose and are available as general funds.

Designated funds

Designated funds are unrestricted funds earmarked by the committee for particular purposes.

Depreciation

Equipment and furniture are written off over the expected useful life of the asset, at 25% on the straight line basis.

The building is on a 999 year lease from Bristol City Council and would revert to Bristol City Council if the Association ceased operations. Expenditure on the project is therefore not capitalised.
