ENI BBI LIMITED

DIRECTORS' REPORT

The directors present their report and the audited financial statements of the company for the year ended 31 December 2012

Principal activity

The company ceased trading activity during 2011

Results for the year

The results for the year are set out on page 5 of the financial statements. A loss after tax for the year ended 31 December 2012 of £24,000 (2011 loss £67,000) was transferred to reserves.

Dividends

The directors do not recommend the payment of a dividend (2011 - £nil)

Business review and future company developments

Various new opportunities for the future of the company are currently under consideration by the directors.

Principal risks and uncertainties

The management of the business and the execution of the company's strategy are subject to a number of risks.

The directors manage these risks at a group level in conjunction with the ultimate UK parent company, Eni UK Limited. For this reason, the directors believe that a discussion of the company's risks would not be appropriate for an understanding of the development, performance or position of its business. The principal risks and uncertainties of the ultimate parent company and its subsidiaries, including those of the company, are discussed in the directors' report of Eni S.p.A.

Post balance sheet events

There are no post balance sheet events since the year end.

Directors

The present directors of the company are listed on page 1 and have held office throughout the year with the following exceptions:

- O Chacon was appointed as a director on 10 April 2012
- M Talamonti resigned as a director on 10 April 2012

Certain directors benefit from qualifying third party indemnity provisions in place during the financial year and at the date of this report.

Financial instruments

Details on the use of financial instruments and financial risk management are included in the relevant notes in the financial statements.

DIRECTORS' REPORT

Statement of directors' responsibilities in respect of the Directors' Report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with International Financial Reporting Standards (IFRSs) as adopted by the European Union. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable IFRSs as adopted by the European Union have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Provision of information to auditor

The directors, as at the date of this report, have confirmed that insofar as they are aware there is no relevant audit information (that is, information needed by the company's auditor in connection with preparing their report) of which the company's auditor is unaware, and they have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

Auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and Ernst & Young LLP will therefore continue in office.

By order of the Board

P Dal Bello
Secretary

1 March 2013

ENI BBI LIMITED

INDEPENDENT AUDITOR'S REPORT

Independent auditor's report to the members of Eni BBI Limited

We have audited the financial statements of Eni BBI Limited for the year ended 31 December 2012 which comprise the Statement of Comprehensive Income, the Balance Sheet, the Cash Flow Statement, the Statement of Changes in Shareholders' Equity, the Statement of Accounting Policies and the related notes 1 to 9. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the directors' report and financial statements to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2012 and of its loss for the year then ended,
- have been properly prepared in accordance with IFRSs as adopted by the European Union, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

| Cash and cash equivalents at 31 December | 6 | 1,315 | 561 |

STATEMENT OF ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below

General Information

The company is a limited liability company incorporated and domiciled in the UK

Basis of preparation

These financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRS") as adopted by the European Union, IFRIC Interpretations and the Companies Act 2006 as applicable to companies reporting under IFRS. The financial statements have been prepared under the historical cost convention.

Adoption of new and revised Standards

The following standards, amendments and interpretations to existing standards, issued by the International Accounting Standards Board (IASB) and endorsed by the EU, are relevant to the company and are effective for the first time in the current year but have no material impact on these financial statements:

- Amendments to IFRS 7, 'Financial Instruments Disclosures' – these amendments introduce additional disclosures, designed to allow users of financial statements to improve their understanding of transfer transactions of financial assets, including understanding the possible effects of any risks that may remain with the entity that transferred the assets.

The following standards, amendments and interpretations to existing standards relevant to the company are not yet effective and have not been early adopted by the company in these financial statements:

- IAS 1, 'Presentation of Financial Statements', effective for annual periods beginning on or after 1 January 2013, amended to change the grouping of items presented in Other Comprehensive Income,
- IAS 19 'Employee Benefits', effective for annual periods beginning on or after 1 January 2013, the revised standard includes a number of amendments. For example, the ability to defer recognition of actuarial gains and losses (i.e., the corridor approach) has been removed. Also there are new requirements to disclose quantitative information of the sensitivity of the defined benefit obligation to a reasonably possible change in each significant actuarial assumption.
- IAS 27, 'Separate Financial Statements', effective for annual periods beginning on or after 1 January 2013 - amendments triggered by IFRS 10 and IFRS 12 to the portion that addresses the accounting for consolidated financial statements,
- IAS 28, 'Investments in Associates and Joint Ventures', effective for the periods beginning on or after 1 January 2013. IAS 28 sets out the requirements for the application of the equity method of accounting for investments in associates and joint ventures,
- IFRS 11 'Joint Arrangements', effective for annual accounting periods beginning on or after 1 January 2013. IFRS 11 overhauls the accounting for joint ventures (now called joint arrangements), in particular, the transition from equity method to proportionate consolidation for investments in jointly controlled entities (referred to as joint operations under IFRS 11),
- IFRS 12 'Disclosure of Interests in Other Entities', effective for annual accounting periods beginning on or after 1 January 2013. IFRS 12 requires extensive disclosures enabling users of financial statements to evaluate the nature of, and risks associated with, interests in other entities and the effects of those interests on financial statements, and
- IFRS 13 'Fair Value Measurement', effective for annual accounting periods beginning on or after 1 January 2013. IFRS 13 replaces the guidance on fair value measurement in existing IFRS accounting literature with a single standard.

STATEMENT OF ACCOUNTING POLICIES

Adoption of new and revised Standards (continued)

The following standards and interpretations have been issued by the IASB, but have not been endorsed by the EU for their application to become mandatory

- IFRS 9 'Financial Instruments', effective for annual accounting periods beginning on or after 1 January 2015. IFRS 9 amends the classification and measurement of financial instruments, and
- Amendments to IAS 12, IFRS 1, IFRS 7 and improvements to IFRSs 2009-2011, effective for the periods beginning on or after 1 January 2013

Financial instruments

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are included in current assets, except for maturities greater than 12 months after the balance sheet date. These are classified as non-current assets. Loans and receivables are classified as trade and other receivables and cash and cash equivalents in the balance sheet.

Taxation

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the balance sheet date. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Foreign currencies

The company's functional currency is Sterling.

Transactions denominated in a foreign currency are converted to Sterling at rates ruling at the date of the transaction. Assets and liabilities denominated in functional currencies have been translated at the rates ruling at the balance sheet date. The resulting exchange gains or losses are recognised in the income statement. The year-end exchange rate of Sterling to US Dollar is 0.6185 (2011 – 0.646).

Revenue recognition

Revenue is recognised when the amount can be reliably measured, and it is probable that future economic benefits will flow to the company.

Other income

Other income comprises revenue from the provision of services, and other miscellaneous income. This income is recognised when the services are provided.

Cash and cash equivalents

Cash and cash equivalents comprise the company's current bank accounts and cash short-term deposits with an original maturity of three months or less.

Related party transactions

The company has complied with the requirements of International Accounting Standard ("IAS") 24 – Related party disclosures in these financial statements. Transactions with related parties are disclosed in each relevant note.

ENI BBI LIMITED

NOTES TO THE FINANCIAL STATEMENTS

1 Parent undertakings

The company's immediate parent undertaking is Eni UK Limited

The company's ultimate parent undertaking, Eni S p A a company incorporated in Italy, will produce consolidated financial statements for the year ended 31 December 2012 which will be available from Eni S p A - Exploration & Production Division, Direzioni e Uffici, Via Emilia 1, 20097, San Donato Milanese, PO Box 12069, (20100) Milano

The parent company of the largest and smallest group into which the company is consolidated is Eni S p A

2 Directors and employee information

None of the directors received any emoluments in respect of their services to the company during the year (2011 - £nil) and the company had no employees (2011 - nil)

3 Foreign exchange gains

| | 2011 £ '000 | 2012 £ '000 |
|--------------------------------|----------------|----------------|
| Foreign exchange (loss) / gain | 2 | (25) |

4 Other service costs and expenses

| | 2011 £ '000 | 2012 £ '000 |
|---------------|----------------|----------------|
| Third parties | 54 | (1) |

*On 15 June 2011, the company adopted new Articles of Association which also amended those provisions of the Memorandum of Association which by virtue of s 28 of the Companies Act 2006 form part of the Articles of Association, including the removal of the Authorised Share Capital clause

** On 30 November 2011, the company reduced its share capital to 1 ordinary share in compliance with the requirements of Companies Act 2006. The corresponding balance was transferred to retained earnings

The company's objectives when managing capital are to safeguard the company's ability to continue as a going concern in order to provide returns for the shareholder and to maintain an optimal capital structure to reduce the cost of capital. In order to maintain or adjust the capital structure, the company may adjust the amount of dividends paid to its shareholder.

The company's capital structure fully satisfies its capital requirements and has no necessity or intention of altering the current position.
