Sovereign Tour Operations Limited
Reports of the Directors and financial statements
for the year ended 30 September 2016
Company number 2557714

FRIDAY

.08 16/06/2017 COMPANIES HOUSE

#377

The Directors present their Strategic and Directors' Reports on and the audited financial statements of Sovereign Tour Operations Limited (the "Company") for the year ended 30 September 2016.

STRATEGIC REPORT

The Company's principal activity during the year continued to be that of an intermediate holding company within the TUI AG group of companies (the "Group").

Review of the business

The Company's direct and indirect trading subsidiaries operate across the Tourism sector of the Group and comprise tour operator businesses, and intermediate holding companies. A full list of all subsidiaries is provided in Note 11 of these financial statements.

To effectively measure the development, performance and position of the Company, the following Key Performance Indicators (KPIs) are of most relevance:

	Year ended	Year ended
	30 September	30 September
	2016	2015
	£′000	£'000
Profit on ordinary activities before taxation	280	40
Net assets/(liabilities)	57,587	(363,344)

As the Company does not employ personnel or provide tour operating services itself, analysis of the Company's performance using KPIs relating to environmental and employee matters are not considered relevant.

Since the Company is an intermediate parent company, the Company's business performance and key performance indicators are driven by both the underlying operating performance of its subsidiaries and the capital structure of the Company. In the year ended 30 September 2016, dividends received from its subsidiaries totalled £nil (2015: £40,000). Further details of dividends received are shown in Note 7.

The Company's profit on ordinary activities before taxation for the year ended 30 September 2016 was £280,000 (2015: £40,000). During the year the Company paid no interim dividends (2015: £nil) and the Directors do not recommend the payment of a final dividend (2015: £nil).

On 8 March 2016, the Company's 1% shareholding in Tantur Turizm Seyahat Anonim Sirketi was sold to its ultimate parent company, TUI AG. Consideration received for the Company's shareholding was at market value of £596,000 which realised a profit of £280,000. Details of the Company's investments, including disposals are provided in Note 11.

On 5 September 2016, the Company issued 420,650,919 ordinary £1.00 shares to its parent company, First Choice Holidays Limited, at par value.

On 14 September 2016, the Company by Special Resolution, reduced its share capital by 430,860,919 ordinary £1.00 shares at par value, and transferred the amount paid up of £430,860,919 to the Company's profit and loss account.

The Company expects to continue to act as an intermediate holding company for the foreseeable future.

Funding, liquidity and going concern

At 30 September 2016, the Company had net assets of £57,587,000 (2015: £363,344,000 net liabilities) and net current assets of £57,587,000 (2015: £363,660,000 net current liabilities). The Directors have considered the funding and liquidity position of the Company. Following this review, the Directors consider it appropriate to continue to prepare the financial statements on the going concern basis.

The Directors consider the future outlook of the Company to be satisfactory. Details of post balance sheet events are included in Note 16 of these financial statements.

STRATEGIC REPORT (continued)

Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101")

The Company has adopted FRS 101 for the year ended 30 September 2016 as its basis of accounting. There was no impact on net assets as at 1 October 2014, being the date of transition, and for the year ended 30 September 2015. Further details are shown in the transition note, Note 3.

Principal risks and uncertainties

The principal risk and uncertainty facing the Company is:

Profitability of the Company's subsidiaries and dividends received. Dividends received from the
Company's subsidiaries are variable and the timing and amount of each dividend is dependent upon
the long-term success and profitability of each subsidiary. Since the majority of the Company's profits
are generated by dividends received from its subsidiaries, the Company's profitability from one year to
another can therefore vary significantly.

Throughout the financial year, the directors of the ultimate parent undertaking, TUI AG, managed the Group's risks, which include those of the Company and its subsidiaries. Further information on these risks, together with how these are mitigated, can be found on pages 49-65 of the TUI AG Annual report and accounts 2015/16. Details of where these financial statements can be obtained are Note 17 in these financial statements.

On behalf of the Board

A K Jarvis **Director**

Company Number 2557714

Dated 18 May 2017

DIRECTORS' REPORT

Directors

The Directors of the Company who were in office during the year and up to the date of signing the financial statements were:

First Choice Holidays & Flights Limited

A K Jarvis (appointed 30 November 2015)

The other Director who served during the year was:

J Walter (resigned 18 December 2015)

Independent auditors

Following a decision by the Audit Committee and Supervisory Board of the ultimate parent company TUI AG, the Group audit appointment for the year ending 30 September 2017 will be rotated in line with EU regulations, and Deloitte LLP are expected to be appointed as auditor of the TUI Group, including of the Company, during 2017.

Directors' insurance

Throughout the financial year until the date of approval of these financial statements the ultimate parent company, TUI AG, maintained Directors' and Officers' Liability insurance policies on behalf of the Directors of the Company. These policies meet the Companies Act 2006 definition of a qualifying third party indemnity provision.

Statement as to disclosure of information to auditors

The Directors confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditors are unaware; and each Director has taken all the steps that they ought to have taken as a Director to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

Business review

A fair review of the business, including an analysis of the performance and financial position of the Company, together with details of key performance indicators, dividends, funding and liquidity, future developments and post balance sheet events are included within the Strategic Report.

Statement of Directors' responsibilities

The Directors are responsible for preparing the Reports of the Directors and financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have prepared the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101.

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards, including FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements;
- notify the Company's shareholders in writing about the use of disclosure exemptions, if any, of FRS 101 used in the preparation of the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

DIRECTORS' REPORT (continued)

Statement of Directors' responsibilities (continued)

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On behalf of the Board

A K Jarvis **Director**

Company Number 2557714

Dated 18 May 2017

Report on the financial statements

Our opinion

In our opinion, Sovereign Tour Operations Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the Company's affairs as at 30 September 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

What we have audited.

The financial statements, included within the Reports of the Directors and financial statements (the "Annual Report"), comprise:

- the balance sheet as at 30 September 2016;
- the statement of total comprehensive income for the year then ended;
- the statement of changes in equity for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the Directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

In addition, in light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we are required to report if we have identified any material misstatements in the Strategic Report and the Directors' Report. We have nothing to report in this respect.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate, for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of Directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the Statement of Directors' responsibilities set out on pages 3 and 4, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

What an audit of financial statements involves

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the Directors; and
- . the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the Directors' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report. With respect to the Strategic Report and Directors' Report, we consider whether those reports include the disclosures required by applicable legal requirements.

Archie Wilson (Senior Statutory Auditor) for and on behalf of PricewaterhouseCoopers LLP Chartered Accountants and Statutory Auditors Uxbridge

1. General information

The Company is a private limited company incorporated and domiciled in England. The address of its registered office is TUI Travel House, Crawley Business Quarter, Fleming Way, Crawley, West Sussex, RH10 9QL. The Company's registered number is 2557714.

The principal activity of the Company continues to be that of an intermediate holding company within the TUI AG group of companies (the "Group").

2. Basis of preparation

The Company is exempt by virtue of Section 400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual undertaking and not about its group.

These separate financial statements have been prepared under the historical cost convention, on a going concern basis and in accordance with the Companies Act 2006 and Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101").

FRS 101

FRS 101 sets out a reduced disclosure framework for a 'qualifying entity' as defined by Financial Reporting Standard 100 'Application of financial reporting requirements' ("FRS 100") which addresses the financial requirements and disclosure exemptions in the individual financial statements of qualifying entities that otherwise apply the recognition, measurement and disclosure requirements of EU-adopted International Financial Reporting Standards ("IFRS").

The Company has elected to adopt FRS 101 for the year ended 30 September 2016. In addition to adopting FRS 101, the Company has also elected to early adopt both the provisions of Statutory Instrument 2015 No.980 'The Companies, Partnerships and Groups (Accounts and Reports) Regulations 2015' ("SI 980") and FRS 101 (September 2015) which permit the use of the formats prescribed in International Accounting Standard 1 'Presentation of financial statements' ("IAS 1") for the primary statements, as opposed to using the formats prescribed by Companies Act 2006.

Further details of the impact of this transition as at 1 October 2014 and for the year ending 30 September 2015 are found in Note 3.

Functional and presentational currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates (the "functional currency"). The financial statements are presented in the Company's functional currency of Sterling, rounded to the nearest thousand pounds, unless stated otherwise.

3. Impact of transition on the financial statements

As stated in Note 2, these are the Company's first financial statements prepared in accordance with FRS 101 and SI 980.

The accounting policies set out in Note 4 have been applied in preparing the financial statements for the year ended 30 September 2016, the comparative financial information presented in these financial statements for the year ended 30 September 2015 and the opening FRS 101 balance sheet at 1 October 2014 (the Company's date of transition).

In preparing the opening FRS 101 balance sheet as at 1 October 2014, the comparative balance sheet as at 30 September 2015 and the statement of total comprehensive income for the year ended 30 September 2015, the Company has adjusted amounts previously reported in the Company's financial statements, which were prepared in accordance with the old basis of accounting under United Kingdom Generally Accepted Accounting Practice ("UK GAAP").

An explanation of the impact of how the transition from UK GAAP to FRS 101 and the adoption of IAS 1 formats have affected the Company's primary statements, financial position and financial performance is set out in the following tables and related notes:

Notes to the reconciliation of equity

- (A) At 1 October 2014, a loan receivable of £77,798,000 due from a fellow Group subsidiary and a loan payable to a Group subsidiary of £442,000,000 have been amended such that the term of the loans became receivable/payable respectively on demand on that date. Further, IAS 1 requires financial instruments other than trade and other receivables and payables to be presented on the face of the balance sheet. Accordingly, these loans have been reclassified as current loans and receivables/borrowings respectively. At 30 September 2015, the loan receivable of £77,282,000 and loan payable of £440,859,000 have been presented on the face of the balance sheet as current loans and receivables/borrowings respectively.
- (B) IAS 1 requires income tax recoverable and payable to be presented on the face of the balance sheet. Accordingly, at 1 October 2014, £516,000 of income tax payable has been reclassified from current trade and other payables to current income tax group relief payable. This adjustment was £nil at 30 September 2015.
- (C) There has been no adjustment to total equity at 1 October 2014 and at 30 September 2015 in line with the above adjustments.

There was no impact on the comprehensive income for the year end 30 September 2015.

4. Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the financial years presented.

New and amended standards adopted by the Company

The following narrow scope amendments to existing standards have been endorsed by the EU and are effective in the current year:

- Amendments to IAS 19 'Employee benefits' on defined benefit plans;
- Annual improvements project 2012, covering IFRS 2 'Share based payments', IFRS 3 'Business combinations', IFRS 8 'Operating segments', IFRS 13 'Fair value measurement', IAS 16 'Property, plant and equipment', IAS 24 'Related party disclosures' and IAS 38 'Intangible assets'; and
- Annual improvements project 2013, covering IFRS 1 'First-time adoption of International Financial Reporting Standards', IFRS 3 'Business combinations', IFRS 13 'Fair value measurement' and IAS 40 'Investment property'.

None of the amendments to each individual standard are considered material to the Company and hence there has been no impact on these financial statements as a result of adopting the amended standards.

Investments in subsidiaries

Investments are recognised at cost less accumulated impairment losses.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are included in current assets, except for maturities greater than 12 months after the end of the reporting period which are classified as non-current assets. The Company's loans and receivables comprise loans due from direct and indirect subsidiaries, which may or may not bear interest. They are recognised initially at fair value.

Trade and other receivables

Trade and other receivables are amounts due from Group undertakings that are not covered by loan agreements. If collection is expected in one year or less they are classified as current assets, and if not, they are presented as non-current assets. Trade and other receivables are recognised initially at fair value and subsequently measured at amortised cost less impairment losses.

Impairment of financial assets

The Company's financial assets held at amortised cost are assessed at the end of each reporting period for impairment. Impairment losses are incurred only if there is objective evidence of the impairment as a result of one or more events after the initial recognition of the asset (a 'loss event') and that the loss event has an impact on the estimated future cash flows of the asset that can be reliably estimated.

Borrowings

Borrowings are recognised initially at fair value, net of any transaction costs incurred. Borrowings are subsequently carried at amortised cost. They are included in current liabilities, except for maturities greater than 12 months after the end of the reporting period which are classified as non-current liabilities. The Company's borrowings comprise loans due to Group direct and indirect subsidiaries.

Foreign currency translation

Foreign currency transactions are initially translated into the Company's functional currency using the actual rate at the date of transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the exchange rate prevailing on the balance sheet date. Foreign exchange gains and losses resulting from translation to year-end rates are recognised in the statement of total comprehensive income.

Dividends

Dividend income is recognised when the right to receive payment is established. For interim dividends from UK subsidiaries, this is the period in which the dividends are received. For final dividends from UK companies or from overseas subsidiaries where the deduction of the dividend is legally obliging on that entity, the dividend is recognised at the date of the declaration.

4. Summary of significant accounting policies (continued)

Current tax

The tax expense for the year comprises current tax and is recognised in the statement of total comprehensive income. Current tax is the expected tax payable (or recoverable) for the current financial year using the average tax rate for the year. To the extent available, the amount is first recovered from, or surrendered to, other Group companies as group relief.

Called up share capital

Ordinary shares are classified as equity.

5. Reduced disclosures permitted by FRS 101

The Company meets the definition of a qualifying entity of TUI AG, as defined by FRS 100, as the results of this Company are fully consolidated into the Group financial statements of TUI AG. Details for obtaining the Group financial statements of TUI AG can be found in Note 17. Where applicable and required by FRS 101, equivalent disclosures have been provided in the Group's consolidated financial statements in accordance with the Application Guidance to FRS 100. As such, the Company has taken advantage of the following disclosure exemptions as set out in paragraph 8 of FRS 101:

	1	
	Relevant paragraphs of	
IFRS	IFRS	Disclosure exemptions taken
IFRS 7 'Financial	All paragraphs	All disclosure requirements.
instruments'		
IFRS 13 'Fair value	91 to 99	All disclosure requirements in respect of the valuation
measurement'		techniques and inputs used for the fair value
		measurement of assets and liabilities.
IAS 1 'Presentation of	38	Paragraph 79(a)(iv) of IAS 1.
financial statements'	38 A to D	Certain additional comparative information.
	10(d) and 111	A statement of cash flows and related information.
	10(f) and 40 A to D	A balance sheet as at the beginning of the preceding
		financial period when an entity applies an accounting
		policy retrospectively or when it reclassifies items in its
		financial statements.
	16	A statement of compliance with all IFRS.
	134 to136	Information on the Company's objectives, policies and
		processes for managing capital.
IAS 7 'Statement of	All paragraphs	IAS 7 disclosures in full.
cash flows'		
IAS 8 'Accounting	30 and 31	New standards and interpretations that have been issued
policies, changes in		but which are not yet effective.
accounting estimates		, '
and errors'		
IAS 24 'Related party	17 and the requirements	Detailed related party transaction information including
transactions'	to disclose transactions	key management compensation and transactions with
	between two group	other wholly owned subsidiaries of the Group.
	subsidiaries.	
	3000iaiai.ic3.	<u> </u>

6. Critical accounting estimates and judgments

The preparation of financial statements in conformity with FRS 101 requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis.

The Directors do not consider there to be any critical estimates or judgements that could materially alter the performance or position of the Company in the coming year.

7. Income from shares in Group undertakings

No income from shares in Group undertakings was received in the year ended 30 September 2016. For the year ended 30 September 2015, income from shares in Group undertakings comprised dividends of £40,000 received on 12 February 2015 from Tantur Turizm Seyahat Anonim Sirketi, in which the Company had a 1% shareholding.

8. Profit on ordinary activities before taxation

	Year ended	Year ended
	30 September	30 September
	2016	2015
	£'000	£'000
Profit on ordinary activities before taxation is stated after crediting:		
Income from shares in Group undertakings	-	40
Profit on disposal of investments (Note 11)	280	

Auditors' remuneration

The audit fee for 2016 was £7,210 (2015: £7,000). These fees have been borne and paid by another Group company in both years and have not been recharged to the Company.

9. Employees' and Directors' remuneration

The Company had no employees and therefore incurred no related employee costs in the current or preceding financial year.

The Directors received no remuneration for their services as Directors of the Company (2015: £nil). The Company's Directors are directors of a number of fellow subsidiary companies and their remuneration was paid by another Group company, which makes no recharge to the Company (2015: £nil). It is not possible to make an accurate apportionment of their emoluments in respect of each of the subsidiaries.

10. Tax expense

The tax expense can be summarised as follows:

(i) Analysis of tax expense in the year

	Year ended 30 September 2016	Year ended 30 September 2015
	£'000	£'000
Current tax:		
- Foreign tax suffered	-	6
Total current tax	-	6
Total tax expense in the statement of total comprehensive income	-	6

10. Tax expense (continued)

(ii) Factors affecting the tax expense in the year

The tax result (2015: expense) for the year ended 30 September 2016 is different to (2015: lower than) the standard rate of corporation tax in the UK of 20.0% (2015: 20.5%). The differences are shown in the table below:

	Year ended 30 September	Year ended 30 September
	2016	2015
	£′000	£'000
Profit on ordinary activities before taxation	280	40
Profit on ordinary activities multiplied by the effective standard rate of UK corporation tax of 20.0% (2015: 20.5%)	56	8
Effects of:		
- Income not taxable	(56)	(8)
- Foreign tax suffered		6
Total tax expense in the statement of total comprehensive income	<u> </u>	6

(iii) Factors affecting the future tax charge

The rate of taxation is expected to follow the standard rate of UK corporate tax in future periods.

At the balance sheet date, the Finance Act 2016 had been substantively enacted confirming that the main UK corporation tax rate will reduce to 19% with effect from 1 April 2017 and 17% from 1 April 2020. These reductions may reduce the Company's future current tax expenses accordingly.

There are no unrecognised deferred tax assets nor unprovided deferred tax liabilities at either 30 September 2016 or 30 September 2015.

11. Investments in subsidiaries

	Investments in subsidiary undertakings

On 5 September 2016, the Company issued 420,650,919 ordinary £1.00 shares to its parent company, First Choice Holidays Limited, at par value.

On 14 September 2016, the Company by Special Resolution, reduced its share capital by 430,860,919 ordinary £1.00 shares at par value, and transferred the amount paid up of £430,860,919 to the Company's profit and loss account.

16. Post balance sheet events

There were no material events arising after the balance sheet date.

17. Ultimate parent company and controlling party

The Company is controlled by TUI AG – a company registered in Berlin and Hanover (Federal Republic of Germany) which is the ultimate parent company and controlling party. The immediate parent company is First Choice Holidays Limited.

The smallest and largest group in which the results of the Company are consolidated is that headed by TUI AG. Copies of the TUI AG financial statements are available from Investor Relations, TUI AG, Karl-Wiechert-Allee 4, D-30625, Hanover or from the website www.tuigroup.com/en-en. No other financial statements include the results of the Company.
