NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 30TH NOVEMBER 2015

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), other than paragraphs 6.51 to 6.53.

Turnover

Turnover represents net property rental and incidental income, excluding vat.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery

- 20% on reducing balance

Computer equipment

- 33% on cost

Investment properties, including related fixtures and fittings, are held at cost unless the directors consider that there has been a material permanent diminution in their value. Depreciation is not provided.

Stocks

Stock is valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws.

Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the asset.

Deferred tax assets and liabilities are not discounted.

Investment income

Investment income is accounted for when receivable.
