- (e) the power to do all lawful things (including bringing or defending proceedings in the name or on behalf of each or any Company) which in his reasonable opinion seem to the Receiver to be incidental or conducive to (i) any of the functions, powers, authorities or discretions conferred on or vested in him or (ii) the exercise of the Collateral Rights (including realisation of all or any part of the Charged Property) or (iii) bringing to his hands any assets of each or any Company forming part of, or which when got in would be, Charged Property.

18. APPLICATION OF MONIES

All monies received or recovered by the Security Trustee or any Receiver pursuant to this Debenture and each Mortgage or the powers conferred by it shall (subject to the claims of any person having prior rights thereto and by way of variation of the provisions of the Law of Property Act 1925) be applied first in the payment of the costs, charges and expenses incurred and payments made by the Receiver, the payment of his remuneration and the discharge of any liabilities incurred by the Receiver in, or incidental to, the exercise of any of his powers, and thereafter shall be applied by the Security Trustee (notwithstanding any purported appropriation by any Company) in accordance with clause 14 (Application of Proceeds) of the Intercreditor Agreement

19. PROTECTION OF PURCHASERS

19.1 Consideration

The receipt of the Security Trustee or any Receiver shall be conclusive discharge to a purchaser and, in making any sale or disposal of any of the Charged Property or making any acquisition, the Security Trustee or any Receiver may do so for such consideration, in such manner and on such terms as it thinks fit.

19.2 Protection of Purchasers

No purchaser or other person dealing with the Security Trustee or any Receiver shall be bound to inquire whether the right of the Security Trustee or such Receiver to exercise any of its powers has arisen or become exercisable or be concerned with any propriety or regularity on the part of the Security Trustee or such Receiver in such dealings.

20. POWER OF ATTORNEY

20.1 Appointment and Powers

Each Company by way of security irrevocably appoints the Security Trustee and any Receiver severally to be its attorney and in its name, on its behalf and as its act and deed to execute, deliver and perfect all documents and do all things which the attorney may consider to be required or desirable for:

- (a) carrying out any obligation imposed on any Company by this Debenture or any other agreement binding on any Company to which the Security Trustee is party (including the execution and delivery of any Mortgages, deeds, charges, assignments or other security and any transfers of the Charged Property), and
- (b) enabling the Security Trustee and any Receiver to exercise, or delegate the exercise of, any of the rights, powers and authorities conferred on them by or pursuant to this Debenture or any Mortgage or by law (including, after the occurrence of an Acceleration Event, the exercise of any right of a legal or beneficial owner of the Charged Property).

20.2 Ratification

Each Company shall ratify and confirm all things done and all documents executed by any attorney in the exercise or purported exercise of all or any of his powers.

21. EFFECTIVENESS OF SECURITY

21.1 Continuing Security

- (a) The security created by or pursuant to this Debenture and any Mortgage shall remain in full force and effect as a continuing security for the Secured Obligations unless and until discharged by the Security Trustee.
- (b) No part of the security from time to time intended to be constituted by the Debenture will be considered satisfied or discharged by any intermediate payment, discharge or satisfaction of the whole or any part of the Secured Obligations.

21.2 Cumulative Rights

The security created by or pursuant to this Debenture and any Mortgage and the Collateral Rights shall be cumulative, in addition to and independent of every other security which the Security Trustee or any Secured Party may at any time hold for the Secured Obligations or any other obligations or any rights, powers and remedies provided by law. No prior Security held by the Security Trustee (whether in its capacity as trustee or otherwise) or any of the other Secured Parties over the whole or any part of the Charged Property shall merge into the security constituted by this Debenture and any Mortgage.

21.3 No Prejudice

The security created by or pursuant to this Debenture and any Mortgage and the Collateral Rights shall not be prejudiced by any unenforceability or invalidity of any other agreement or document or by any time or indulgence granted to a Company or any other person, or the Security Trustee (whether in its capacity as trustee or otherwise) or any of the other Secured Parties or by any variation of the terms of the trust upon which the Security Trustee holds the security or by any other thing which might otherwise prejudice that security or any Collateral Right.

21.4 Remedies and Waivers

No failure on the part of the Security Trustee to exercise, nor any delay on its part in exercising, any Collateral Right shall operate as a waiver of that Collateral Right, nor shall it constitute an election to affirm this Debenture or any Mortgage. No election to affirm this Debenture or any Mortgage shall be effective unless it is in writing. No single or partial exercise of any Collateral Right shall preclude any further or other exercise of that or any other Collateral Right.

21.5 No Liability

None of the Security Trustee, its nominee or any Receiver shall be liable by reason of (a) taking any action permitted by this Debenture or any Mortgage or (b) any neglect or default in connection with the Charged Property or (c) taking possession of or realising all or any part of the Charged Property, except in the case of gross negligence or wilful default upon its part.

21.6 Partial Invalidity

If, at any time, any provision of this Debenture or any Mortgage is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Debenture or any Mortgage nor of such provision under the laws of any other jurisdiction shall in any way be affected or impaired thereby and, if any part of the security intended to be created by or pursuant to this Debenture or any Mortgage is invalid, unenforceable or ineffective for any reason, that shall not affect or impair any other part of the security.

21.7 Waiver of defences

The obligations of each Company under this Debenture and each Mortgage and the Collateral Rights will not be affected by an act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Debenture and each Mortgage (without limitation and whether or not known to it or any Secured Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Obligor or other person,
- (b) the release of any Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group,
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor or other person or any non- presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any Obligor or any other person;

- (e) any amendment, novation, supplement, extension, (whether of maturity or otherwise) or restatement (in each case, however fundamental, and whether or not more onerous) or replacement of a Finance Document or any other document or security or of the Secured Obligations,
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security or of the Secured Obligations; or
- (g) any insolvency or similar proceedings.

21.8 Immediate recourse

Each Company waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from any Company under this Debenture or any Mortgage. This waiver applies irrespective of any law or any provision of this Debenture to the contrary or any Mortgage.

21.9 Deferral of Rights

Until such time as the Secured Obligations have been discharged in full, no Company will exercise any rights which it may have by reason of performance by it of its obligations under this Debenture or any Mortgage.

- (a) to be indemnified by any Obligor;
- (b) to claim any contribution from any guarantor of any Obligor's obligations under this Debenture; and/or

to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, this Debenture by any Secured Party.

22. RELEASE OF SECURITY

22.1 Redemption of Security

Upon the Secured Obligations being discharged in full and none of the Secured Parties being under any further actual or contingent obligation to make or provide other financial accommodation to any Company or any other person under any of the Finance Documents, the Security Trustee shall, at the request and cost of the Companies, jointly and severally, promptly release and cancel the security constituted by this Debenture and procure the prompt reassignment to each Company of the relevant property and assets assigned to the Security Trustee pursuant to this Debenture, in each case subject to Clause 22.2 (Avoidance of Payments) and without recourse to, or any representation or warranty by, the Security Trustee or any of its nominees.

22.2 Avoidance of Payments

If the Security Trustee considers that any amount paid or credited to it is capable of being avoided or reduced by virtue of any bankruptcy, insolvency, liquidation or similar laws the liability of each Company under this Debenture and the security constituted hereby shall continue and such amount shall not be considered to have been irrevocably paid.

22.3 Retention of Security

The Security Trustee may retain this Debenture, the security constituted by or pursuant to this Debenture and all documents of title, certificates and other documents relating to or evidencing ownership of all or any part of the Charged Property for a period of seven months after any discharge in full of the Secured Obligations **provided that** if at any time during that seven month period a petition or application is presented for an order for the winding-up of, or the making of an administration order in respect of, any Company or any person who is entitled to do so gives written notice of its intention to appoint an administrator of any Company or files such a notice with the court or any Company commences to be wound-up voluntarily or any analogous proceedings are commenced in respect of it, the Security Trustee may continue to retain such security and such documents for such further period as the Security Trustee may determine and the security and such documents shall be deemed to have continued to have been held as security for the Secured Obligations.

23. SET-OFF

Subject to the right of a bank to exercise rights of set off under any Netting Arrangement or by operation of law, each Company authorises the Security Trustee (but the Security Trustee shall not be obliged to exercise such right), after the occurrence of an Event of Default which is continuing, to set off against the Secured Obligations any amount or other obligation (contingent or otherwise) owing by the Security Trustee to a Company and apply any credit balance to which that Company is entitled on any account with the Security Trustee in accordance with Clause 18 (Application of Monies) (notwithstanding any specified maturity of any deposit standing to the credit of any such account)

24. SUBSEQUENT SECURITY INTERESTS

If the Security Trustee (acting in its capacity as trustee or otherwise) or any of the other Secured Parties at any time receives or is deemed to have received notice of any subsequent Security affecting all or any part of the Charged Property or any assignment or transfer of the Charged Property which is prohibited by the terms of this Debenture or any Mortgage or the Debt Documents or any Existing Security Agreement, all payments thereafter by or on behalf of a Company to the Security Trustee (whether in its capacity as trustee or otherwise) or any of the other Secured Parties shall be treated as having been credited to a new account of that Company and not as having been applied in reduction of the Secured Obligations as at the time when the Security Trustee received such notice

25. PRIOR SECURITY INTERESTS

In the event of any action, proceeding or step being taken to exercise any powers or remedies conferred by any prior ranking Security or upon the exercise by the Security Trustee or any Receiver of any power of sale under this Debenture or any Mortgage or any Existing Security Agreement the Security Trustee may redeem that prior Security or procure the transfer of it to itself. The Security Trustee may settle and agree the accounts of the prior Security and any accounts so settled and agreed will be conclusive and binding on each Company. All principal monies, interest, costs, charges and expenses of and incidental to any redemption or transfer will be paid by the Companies, jointly and severally, to the Security Trustee on demand

26. CURRENCY INDEMNITY

If any sum (a Sum) owing by a Company under this Debenture or any Mortgage or any order or judgment given or made in relation to this Debenture or any Mortgage has to be converted from the

currency (the **First Currency**) in which such Sum is payable into another currency (the **Second Currency**) for the purpose of:

- (a) making or filing a claim or proof against any Company;
- (b) obtaining an order or judgment in any court or other tribunal;
- (c) enforcing any order or judgment given or made in relation to this Debenture or any Mortgage, or
- (d) applying the Sum in satisfaction of any of the Secured Obligations,

the Companies shall jointly and severally, indemnify the Security Trustee from and against any loss suffered or incurred as a result of any discrepancy between (i) the rate of exchange used for such purpose to convert such Sum from the First Currency into the Second Currency and (ii) the rate or rates of exchange available to the Security Trustee at the time of such receipt of such Sum

27. ASSIGNMENT

The Security Trustee may assign and transfer all or any of its rights and obligations under this Debenture or any Mortgage. The Security Trustee shall be entitled to disclose such information concerning each or any Company and this Debenture or any Mortgage as the Security Trustee considers appropriate to any actual or proposed direct or indirect successor or to any person to whom information may be required to be disclosed by any applicable law.

30. DISCRETION AND DELEGATION

30.1 Discretion

Any liberty or power which may be exercised or any determination which may be made under this Debenture or under any Mortgage by the Security Trustee or any Receiver may, subject to the terms and conditions of the Intercreditor Agreement, be exercised or made in its absolute and unfettered discretion without any obligation to give reasons

30.2 Delegation

Each of the Security Trustee and any Receiver shall have full power to delegate (either generally or specifically) the powers, authorities and discretions conferred on it by this Debenture (including the power of attorney) or any Mortgage on such terms and conditions as it shall see fit which delegation shall not preclude either the subsequent exercise any subsequent delegation or any revocation of such power, authority or discretion by the Security Trustee or the Receiver itself.

31. PERPETUITY PERIOD

The perpetuity period under the rule against perpetuities, if applicable to this Debenture, shall be the period of eighty years from the date of the Intercreditor Agreement.

32. EXISTING SECURITY AGREEMENTS

To the extent that the provisions (including but not limited to, the defined terms) of the Existing Debenture conflict or are inconsistent with the provisions of this Debenture, the provisions of this Debenture shall prevail

32.2 Effect on Existing Security Agreements

- (a) This Debenture is supplemental to and should be read in conjunction with the Existing Security Agreements. From the date of this Debenture, references in the Existing Debenture to this Debenture and similar expressions are references to the Existing Debenture as supplemented by this Debenture.
- (b) Where this Debenture purports to create a first fixed security interest, that security interest will be a second ranking security interest subject to the equivalent security interests created by the Existing Debenture until such time as the security interests created by the Existing Debenture cease to have effect.
- (c) Where a right or asset has been assigned (subject to a proviso for re-assignment on redemption) under the Existing Debenture and the same asset or right is expressed to be assigned again under this Debenture, the assignment under this Debenture will take effect as a fixed charge over the right or asset and will only take effect as an assignment if the relevant security interests created by the Existing Debenture cease to have effect at a time when this Debenture still has effect

Except as varied and/or otherwise supplemented by this Debenture, the Existing Security Agreements remain in full force and effect.

33. EFFECTIVE DATE

This Debenture does not become effective until the Effective Date (as defined in the Intercreditor Supplemental Agreement)

35. JURISDICTION

35.1 English Courts
