---

In order to assist you to fulfil your duties under the Companies Act 2006, we have prepared for your approval the financial statements of G. W. Plastics Limited for the year ended 31 January 2020, which comprise the statement of financial position and the related notes from the company's accounting records and from information and explanations you have given us.

As a practising member firm of the Institute of Chartered Accountants in England and Wales (ICAEW), we are subject to its ethical and other professional requirements which are detailed at [www.icaew.com/en/membership/regulations-standards-and-guidance](http://www.icaew.com/en/membership/regulations-standards-and-guidance).

This report is made solely to the Board of Directors of G. W. Plastics Limited, as a body, in accordance with the terms of our engagement letter. Our work has been undertaken solely to prepare for your approval the accounts of G. W. Plastics Limited and state those matters that we have agreed to state to them, as a body, in this report in accordance with AAF 07/16 as detailed at [icaew.com/compilation](http://icaew.com/compilation). To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than G. W. Plastics Limited and its Board of Directors, as a body, for our work or for this report.

It is your duty to ensure that G. W. Plastics Limited has kept adequate accounting records and to prepare statutory financial statements that give a true and fair view of the assets, liabilities, financial position and profit of G. W. Plastics Limited. You consider that G. W. Plastics Limited is exempt from the statutory audit requirement for the year.

We have not been instructed to carry out an audit or a review of the financial statements of G. W. Plastics Limited. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory financial statements.

## **Notes to the Financial Statements**

**Year ended 31 January 2020**

---

### **1. General information**

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is Oxford Lodge, Middleton Park, Middleton Stoney, Bicester, Oxfordshire, OX25 4AH.

### **2. Statement of compliance**

These financial statements have been prepared in compliance with Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

### **3. Accounting policies**

#### **Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### **Going concern**

At the date of approval of these financial statements, the global pandemic of the novel coronavirus, COVID-19, creates an underlying uncertainty for any business entity.

At this stage the impact of the pandemic on the company are unknown and cannot be forecast with any certainty.

Whilst the company is taking whatever action is seen to be appropriate and is in accordance with the Government guidelines, the ability to continue as a going concern is going to be inherently uncertain.

#### **Revenue recognition**

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods supplied and services rendered, stated net of discounts and of Value Added Tax.

#### **Deferred tax**

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, tax is recognised in other comprehensive income or directly in equity, respectively.

Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

## **Notes to the Financial Statements *(continued)***

**Year ended 31 January 2020**

---

### **3. Accounting policies *(continued)***

#### **Tangible assets**

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in equity, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in equity in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in equity in respect of that asset, the excess shall be recognised in profit or loss.

#### **Depreciation**

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Property	-	2% straight line
Plant and Machinery	-	20% reducing balance
Office Equipment	-	20% reducing balance
Motor Vehicles	-	20% reducing balance

#### **Investments**

Fixed asset investments are initially recorded at cost, and subsequently stated at cost less any accumulated impairment losses.

Listed investments are measured at fair value with changes in fair value being recognised in profit or loss.

#### **Impairment of fixed assets**

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

#### **Stocks**

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

#### **Provisions**

Provisions are recognised when the entity has an obligation at the reporting date as a result of a past event, it is probable that the entity will be required to transfer economic benefits in settlement and the amount of the obligation can be estimated reliably. Provisions are recognised as a liability in the statement of financial position and the amount of the provision as an expense.

## **Notes to the Financial Statements *(continued)***

**Year ended 31 January 2020**

---

### **3. Accounting policies *(continued)***

#### **Provisions *(continued)***

Provisions are initially measured at the best estimate of the amount required to settle the obligation at the reporting date and subsequently reviewed at each reporting date and adjusted to reflect the current best estimate of the amount that would be required to settle the obligation. Any adjustments to the amounts previously recognised are recognised in profit or loss unless the provision was originally recognised as part of the cost of an asset. When a provision is measured at the present value of the amount expected to be required to settle the obligation, the unwinding of the discount is recognised as a finance cost in profit or loss in the period it arises.

#### **Financial instruments**

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

#### **Defined contribution plans**

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as a finance cost in profit or loss in the period in which it arises.

### **4. Employee numbers**

The average number of persons employed by the company during the year amounted to 3 (2019: 3).
